Wel-
come
home,
young
lady.

Wel-
come.

And this
young
girl...

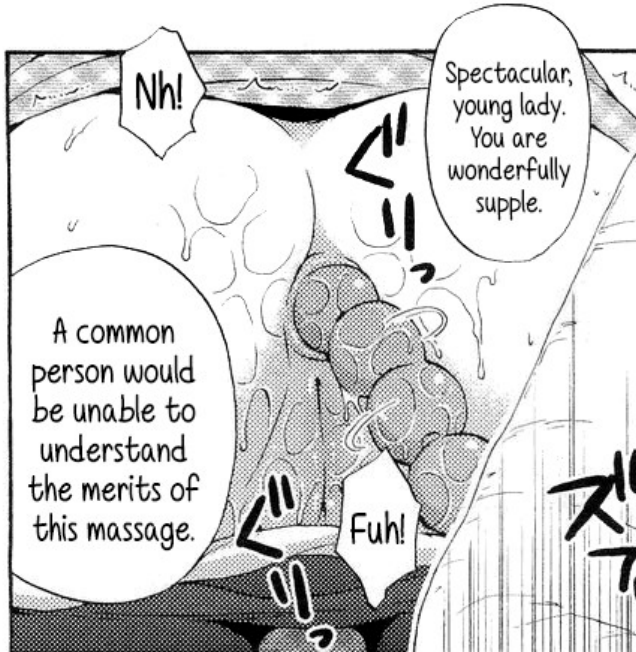

Is this enough, young lady?

Would you like me to increase the strength of the anal massage?

Yes. Please do.

I want to feel like my whole body is tearing apart from the inside.

Spectacular, young lady. You are wonderfully supple.

A common person would be unable to understand the merits of this massage.

Fuh!

I'm
going to
inject the
medicine
orally as
well.

Young
lady.

Good,
keep that
rhythm.

Please
use the inside
of your mouth
and tongue to
warm up the
medicine and
make it
soft.

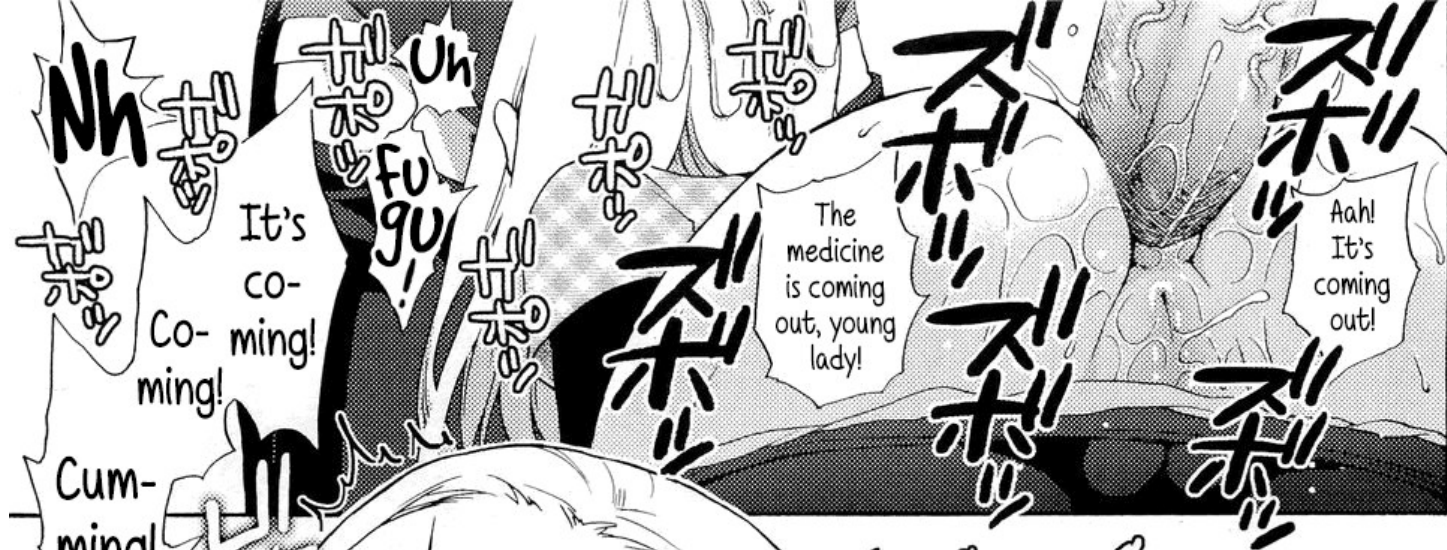

Well?
Your body's
been feeling
strained and
feverish,
right?

With this
"medicine", all
that strain will
go away in an
instant.

By
massaging
the inside of
the anus and
the oral cavity...

we can
gather up all
the fever that's
in your body and
put it all into
those two
spots.

Oh,
good.

Because
I want to
give my first
time to the
person I
love...

Huh?!
What's
going
on?!

Young lady...?

Welcome home, young lady.

The next day.

Of course, it wasn't settled.

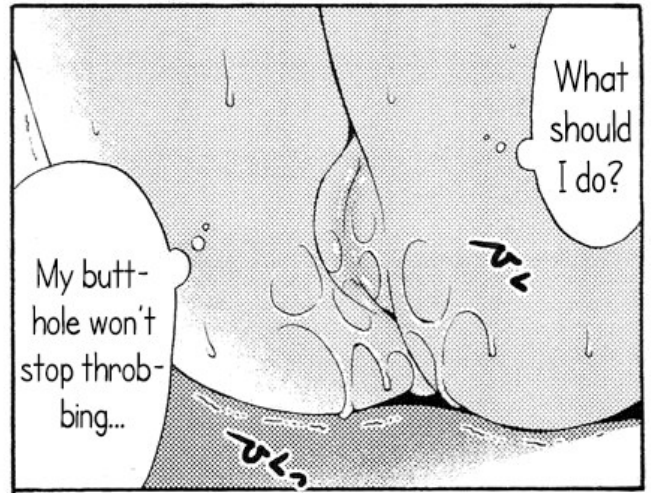

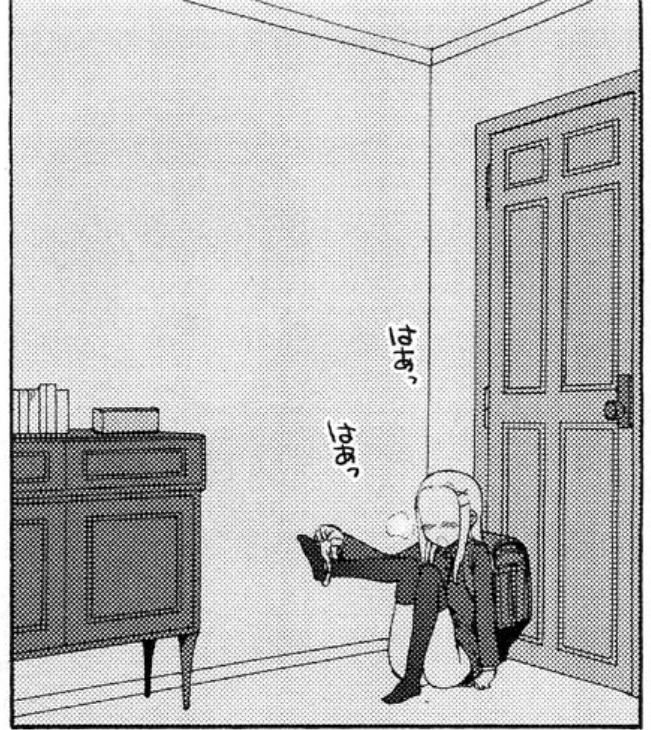

it was too late,

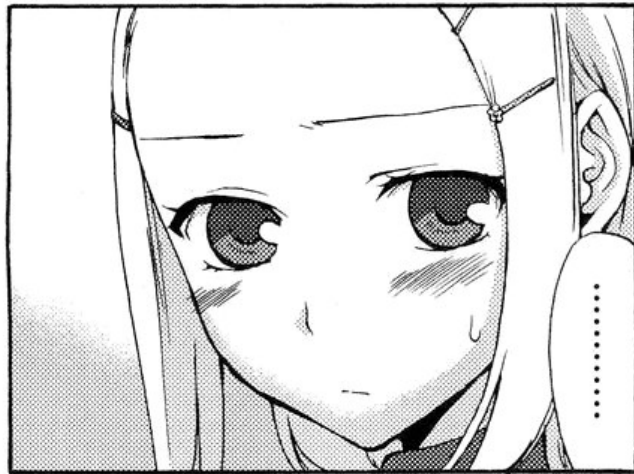

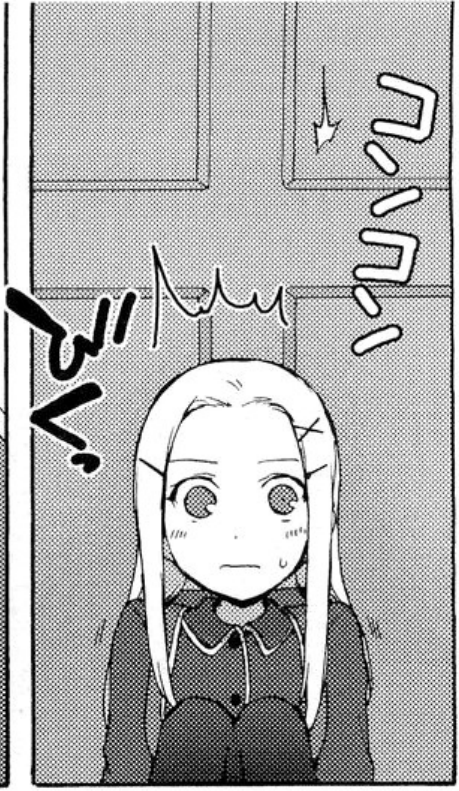

her anus was already completely trained!

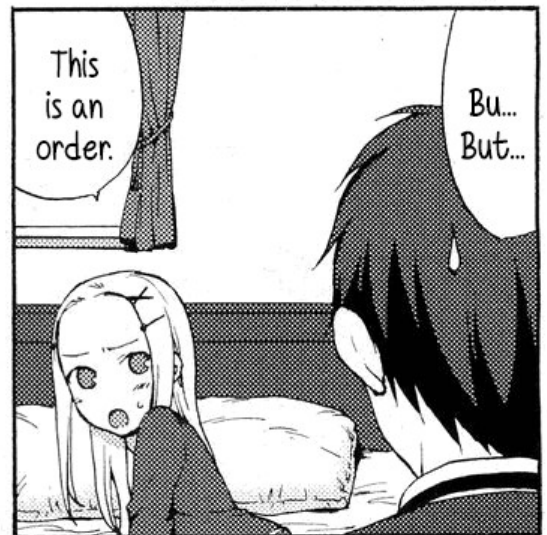

The reason being,

because of the daily "massages"

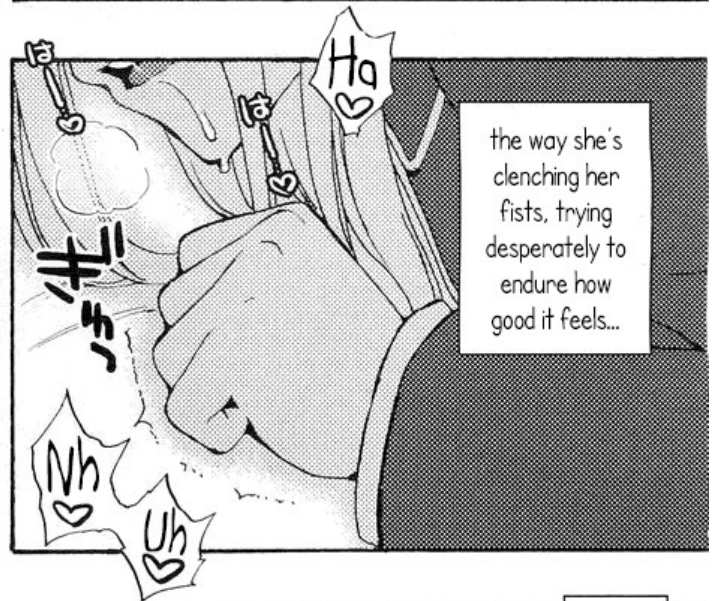

She's irresistibly cute...!

Her flushed cheeks and teary eyes...

More-over...

the way she's clenching her fists, trying desperately to endure how good it feels...

Quickly...

I want to spill it all out inside her..!

Y-...
Young lady!

I'm going to...!

Do it inside...!

I'm cumming too...!

Cum-ming!

Ah
