I-I get it already...  
Something like this isn't enough to...

I'd much rather see you take the initiative out of your feelings for him.

Now, I don't mind using force, but...

Your boyfriend's graduation and university prospects are depending on you.

Someone like this...

Something like this...

Yeah... This is... nothing.

won't be enough to beat me...!

... 3P

protect Yashio!

I will...

Yes. Just like that.

And look at me when you do it.

Don't just lick it, suck on it.

Nice

Sugiura.

I suppose  
you plan on  
sacrificing your

keeping Yamano

I'll  
make you

about  
him soon

Look

I have

protect  
him!

This fall, while we were preparing for the exams...

I love you, Kana-chan!

I've loved you for as long as I can remember!

I have for a long time!

I, Sugiura Kanata...

was confessed to by my childhood friend Yamano Yashio.

Please go out with me!

Hang in there, Kana-chan!

Kana-chan!

Kana-chan, stay back!

Although, from time to time, strangely enough, his manly side would pop out.

Geez, you look pathetic!

Wait! Kana-chan!

Ever since we were kids, he always had a kind heart, and followed me everywhere I went.

And every time I looked at him when it did, without fail, my heart would start beating faster.

Grrr!

Wah!

C'mon! C'mon! Hurry!

Huh?

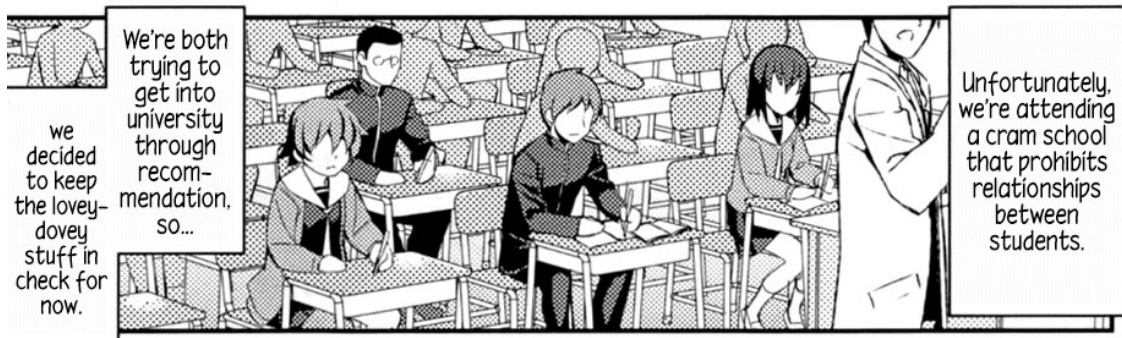

I wanted to confess first.

That's not fair, Yashio.

Kiss

we decided to keep the lovey-dovey stuff in check for now.

We're both trying to get into university through recommendation, so...

Unfortunately, we're attending a cram school that prohibits relationships between students.

...I love you too, Yashio.

Kana-chan...!

are enough to calm my heart.

and the short moments where our eyes meet...

Even still, the fact that Yashio and I are an item...

And that was how we started dating. Although...

The desire to do *that* just keeps getting stronger.

Except not really...

I can't believe how shameless a girl I am...

Oh, gosh...

you shouldn't do that in school, Kanata.

...No matter how much you miss Yashio-kun...

Hah...

I understand that you're lonely, but...  
You really should mind the time and place...

Since when you were about to climax, I believe...

Wah?! Y-Yoshino?! How long have you been there?!

I've been friends with you for a long time. Not as long Yashio-kun, but still...

Of course I do!

Y-Yeah, you're right...  
Wait, you know about us?

So this is where you were, Sugimura-san.

Weren't you dating someone too...?

Ahh?

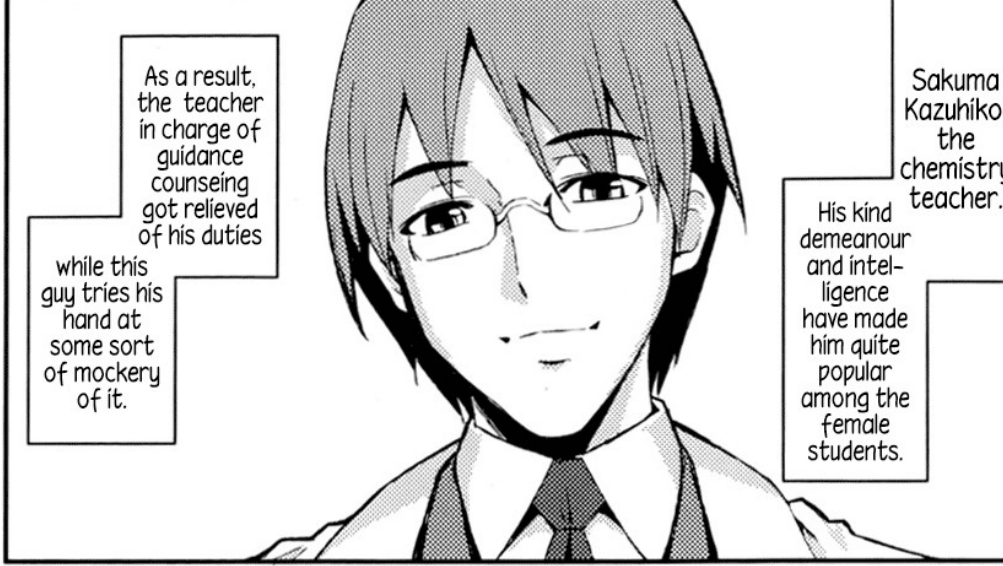

And what about you, Yoshino?

Yeah, we would...

This is really bothering you, isn't it? I mean, you both want to get recommendations.

If the school found out, you'd be in trouble.

As a result, the teacher in charge of guidance counseling got relieved of his duties

while this guy tries his hand at some sort of mockery of it.

Sakuma Kazuhiko, the chemistry teacher.

His kind demeanor and intelligence have made him quite popular among the female students.

Teacher Sakuma...?!

There are some complicated matters we need to discuss.

Hear what?

D-Did you hear that..?

The male students were none too happy about it, unsurprisingly.

Now? School hours are already over...

Regardless, Sugiura-san, come with me to the counselor's room.

And neither was I, for some reason.

It won't take long.

R-Right...

Yoshino-san?

Oh? What's the matter?

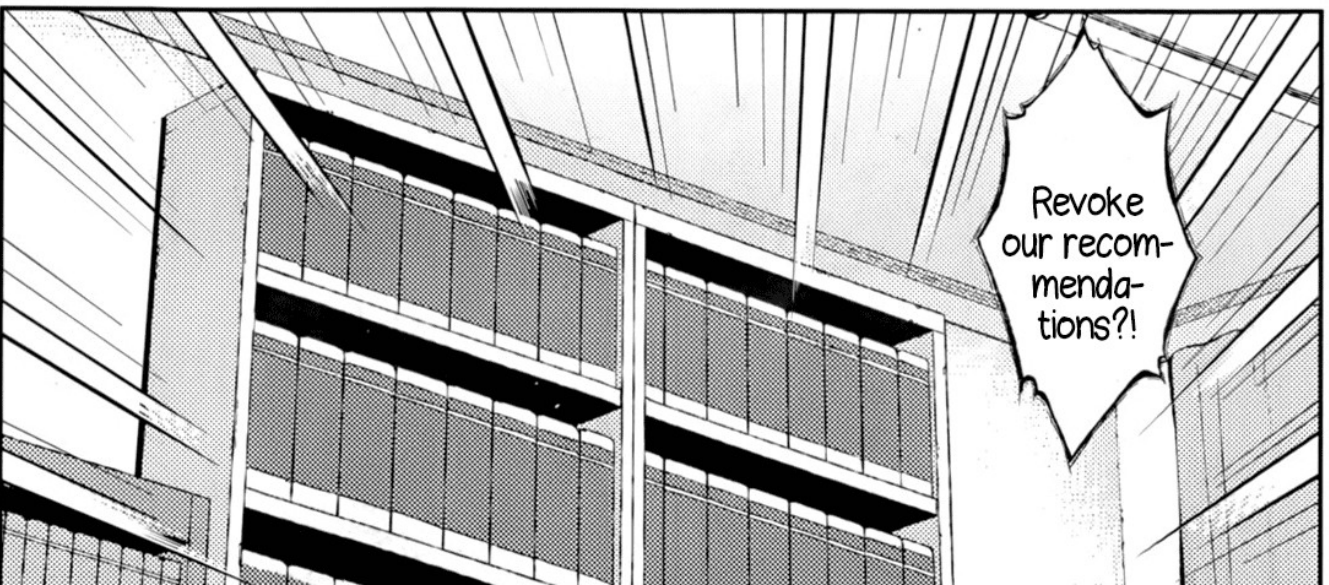

Nothing...

Teacher Sakuma!

Come on, let's go.

What?

Kya!!

Hya!

Wha-!

Hey, teacher?!

S-Stop!

What are you... doing?!

Please stop...!

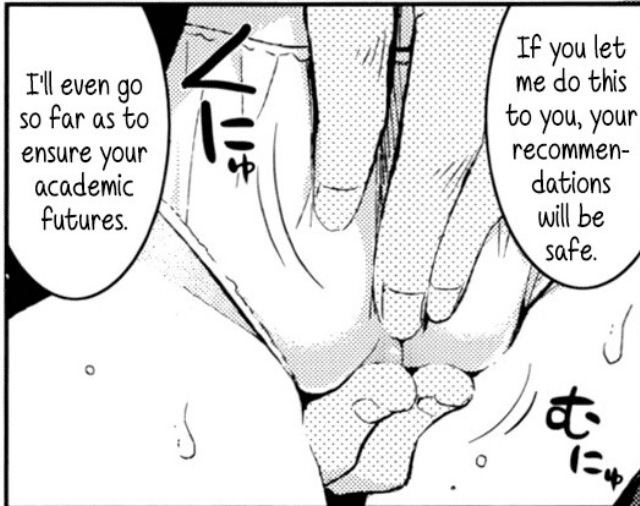

Let go of me...!

Let! Go!!

Huh?!

So you don't care if Amano Yashio gets expelled?

I'll even go so far as to ensure your academic futures.

If you let me do this to you, your recommendations will be safe.

However, I'm nothing if not a lenient man.

You, yourself, said you would do anything.

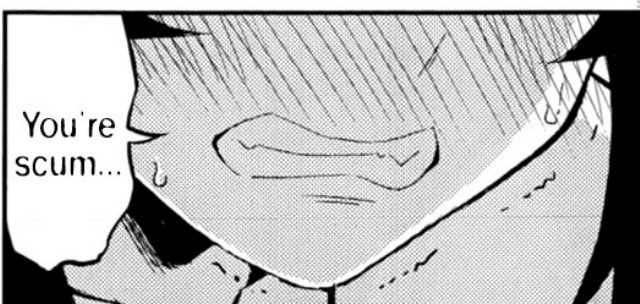

Well this is your punishment.

Suddenly, this whole thing doesn't sound so bad, now does it?

You may even unconsciously start enjoying it and forget it's a punishment at all.

Besides, I'm somewhat of a savant at pleasing women.

You're scum...

Excellent response, Sugiura.

Fu fu fu

And now I know why! You're a piece of trash!!

I've never liked you!

That defiant attitude of yours is like a breath of fresh air.

I can't tell you how absolutely bored I am of meek, submissive girls.

You know how popular I am, don't you?

However!

GU!?!?

Damn it! Don't get carried away!

Your futures are in my hands.

You'd best mind your tongue, girl.

Not even Yashio would forgive me after something like this...

He'll steal my lips... and my first time...

No... If this continues, he'll do even more shameless things to me...

I have to save them for Yashio.

All the important things...

I belong to Yashio!

No! Anything but that!

I have to protect them!

Fine... I get it...

I'll do anything to prevent him from crossing it.

But there is a line I will not let him cross.

I know he'll do all sorts of shameful things to me.

I'll pretend to follow his orders while looking for a way out.

I'll take your punishment.

ふん...  
あ...  
...

But...

For Yashio...

I will protect myself for Yashio...

I have...

one condition.

Whatever it takes...

Use the back of your throat to stroke it!

Yes, suck on my urethra!

You have a sublime mouth-pussy technique, Sugiura.

I never would have guessed all you've done so far is kissing.

Yeah, that's perfect. Not bad for your first time.

Nmgh?!

Catch it all to the end!

Good.  
Now open  
up.

slosh it  
around with  
your tongue  
and really  
savour it.

Don't  
spill any.

Now,

Do  
you still

taught  
you?

Fantastic.

As a replacement for a kiss and my virgin pussy...

I'll do my best to service you with my ass-pussy and fellatio...

Please continue spoiling me with your penis, teacher...

As baffling as that is.

Very well. As promised, I won't kiss you nor take your virginity.

Ku ha ha ha

Good job saying something so moronic.

Oh, that's right, it was my dick! And then you gulped down my semen right after.

But kissing? Oh no, that's off limits!

I understand not wanting to have sex.

But remind me, what was it that you were gnawing on until just now?

as a reward for your services.

I'll show you just how meaningless that is...

You're a real comedian.

You're planning on keeping chaste for Amano, right?

You'd never understand!

Shut up...!

Yashio...

Kisses should only be shared with the one you love!

I'd never let anyone other than Yashio kiss me!

No...

You have a surprising aptitude for perversion.

I'm not a pervert...

It's really surprising that yours opened up so easily.

The anal sphincter usually takes considerable time to loosen up.

Ha

If you're not a pervert, then what in blazes are you?

On top of that, you became drenched just from me teasing your womb a little.

And yet, I have three fingers inside your virgin ass-pussy.

Ah

Ah  
GUGU

No

Ah

However, thanks to that, I'll be able to enjoy myself a little sooner...

instead of having to take precious time to stretch you out.

My real first time is Yashio's and Yashio's alone!

I'll engrave your depths with my shape, as befits you as a woman!

Even if it's anal, I'll be the first man inside you.

Get a good taste.

You're wrong!

You're not doing anything of the sort!

When this is all over, I'll go to Yashio and we'll...

Yashio...!

Ah...!!

Ah...!!

Ah...!!

Yashi... Ooh...!!

I can't believe it...!

No! No way!

I-I was already full!

Why would you push it farther inside...?!

It can still go much deeper.

Like this!

What are you talking about? It's not even halfway inside.

No...!

That's... too deep...!

Aaah?!

You can't...!

Aaah!!

Please wait!

No! Stop!

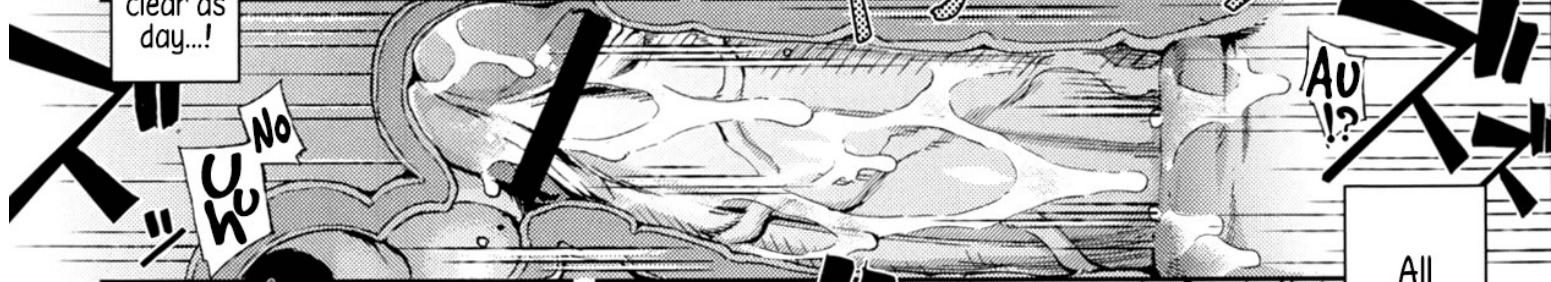

I can feel its shape as clear as day...!

All because of that thing running through me despite my protests.

My ass feels like it's on fire! It hurts so bad...!

But he's moving without a care!

Damn it... I told him to wait!

All this is doing...!

is making me feel sick!

Why are my insides tingling...?!

So why?!

You're finally getting into it.

I was ready for you to start bawling and screaming like a banshee.

I'm glad you're enjoying it.

D-Don't be stupid!

I'm not enjoying this at all!

Fufufu! How rude.

Well, in that case...

Every time he thrusts, it's like an ever growing shockwave!

Aaah

FU ah

Yah!

The insides of my stomach...

They won't stop shivering...!

how about this?

Ho!

W-What the...

are quiver... ing?!

When I'm done with you, you'll be a perverted virgin who can orgasm from womb spasms!

I'm going to keep thoroughly training this spot.

No...

Even though I hate it...

I can feel you trembling every time I thrust.

You have a small body, so even if there's a thin wall separating it from my dick, you can still feel the vibrations, right?

It's rapidly spreading outside my womb...!

It feels completely different from when I was masturbating...

Ha ha

A ha ha ha!

He's making me cum... against my will...!

I can hardly wait, Sugiura!

Fu fu fu

really... turned into...

No No

No way... I...

I've lost count of how many times he's made me cum...

How many hours has it been?

But now I just want him to rescue me instead...

I'm such an idiot.  
I wanted to protect Yashio...

Yashio...  
What... should I do?

Although, if he saw me like this he might start to hate me...

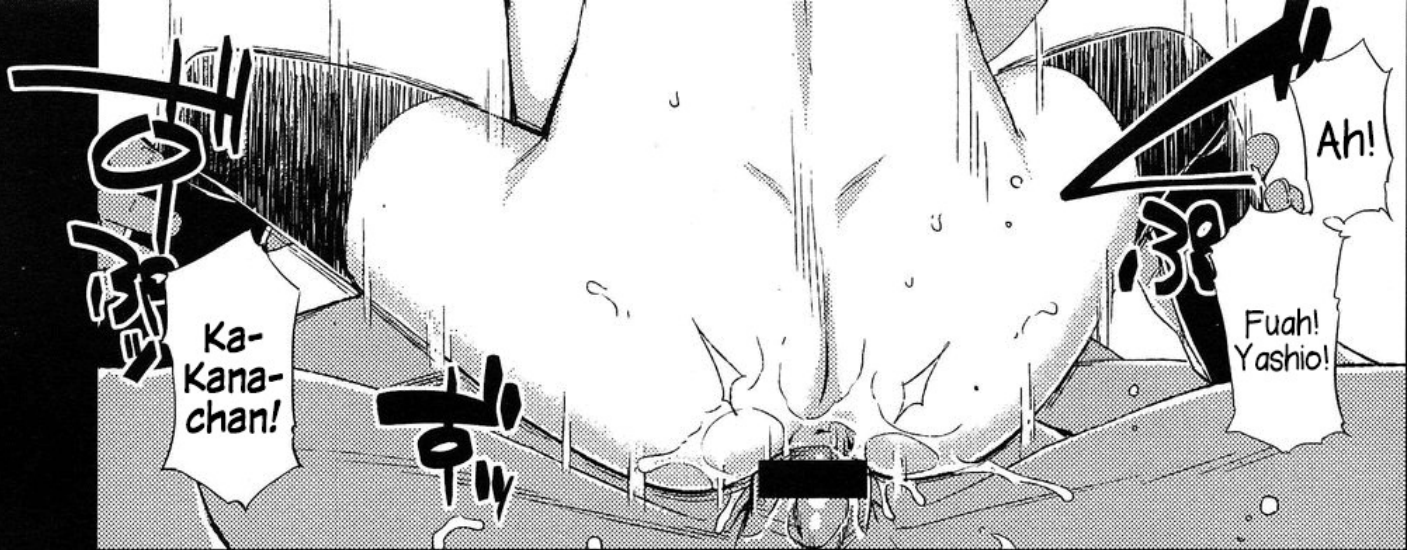

I'm cumming again!?

No

Yashio...

A pure flower bud is easily tainted with desire...

Ka-Kana-chan!

Fuah! Yashio!

Ah!

# The girl who said she loved me...

It's so hard and big!

Your penis is amazing too, Yashio!

Amazing! Your insides feel crazy good, Kana-chan!

Dish isn't my first time!

Huh?

Ish ok!

it's your first time! Don't push yourself so hard.

Don't get me wrong, this feels great, but...

Ka-Kana-chan, are you alright?

Ahaha The whole length of your pussy... feels great!

Harder, Yashio!

Ram it inside me harder!

Some men I didn't know were kind enough to help me by letting me have lots of sex with them!

Of course, the best way to figure out how to was by doing it with other people.

I've been practicing a ton to be able to pleasure you, Yashio!

My insides feel real good, don't they?

So don't hold back!

Nhfufu!

was lured away behind my back...

A h a h a

But since ish you, Yashio, I don't mind if you have a premature ejaculating pecker!

Ish sho shoon tho!

Ka-Kana-chan, what are you...?!

Wah?!

Ahaha! Are you cumming, Yashio?! Are you?!?

What?!

I don't know whose it is, but I'm already pregnant!

Don't worry!

Like I could cum now!

My pussy is aching for a taste of your semen!

C'mon! Cum inside me!

with your premature ejaculation goop!

C'mon! C'mon! Hurry!

I want you to drown my pregnant pussy...

The tainted flower bud blooms...

So I won't be able to join you on your way home for a while.

The school committee asked me for help...

I though something smelled kinda fishy, but...

When we graduate, I'm gonna...

But it'll all be over soon.

maybe that's just because I wanted it to...

Having to keep my distance... Not being able to touch her... It's tough...

Nah, this boner's gonna need at least three more rounds to fix!

...Alright, one more time!

I'm cu...!

Ah! Aah!!

What did I teach you to say when you're cumming?

Aaah!

That never-ending cycle continues until I lose consciousness...

and the day finally ends.

Unfortunately, neither of my parents come home that often because of work...

so Yashio's parents are usually the ones who take care of me.

In order to prevent them from figuring out what's going on...

I've had to fake my usual good behaviour and make up the excuse that I was working late with the school committee.

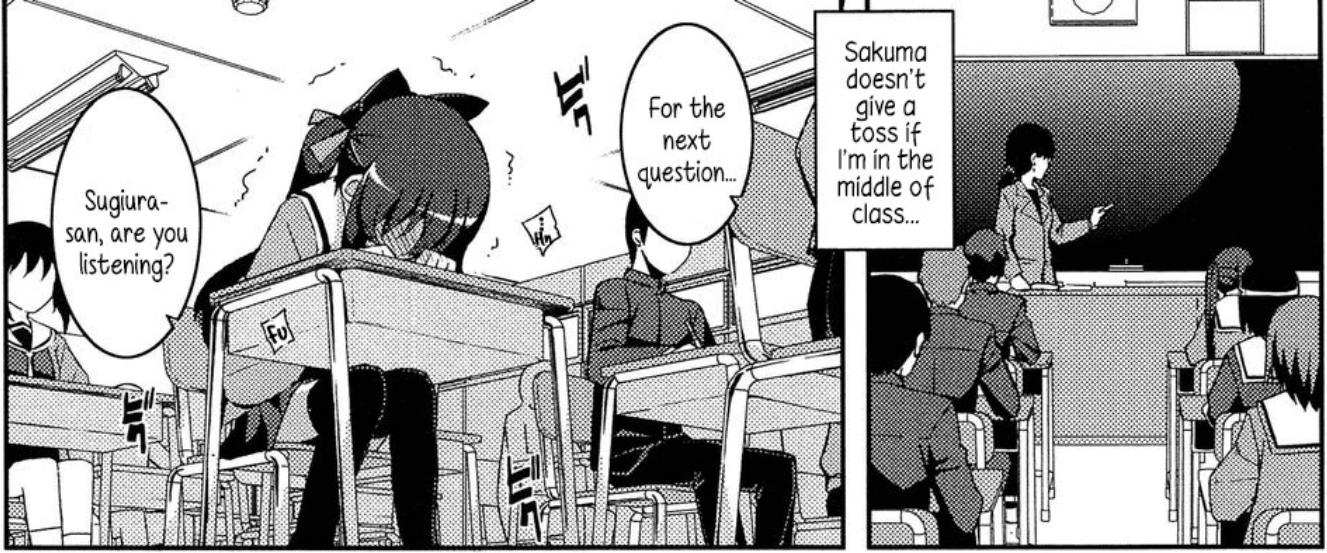

It'd be really bad if they found out...

But thanks to that, Sakuma can do whatever he wants to me, be it during the day or night.

Yes, this doesn't happen just at night...

If anything, it gets even worse during school hours...

Sugiura-san, are you listening?

For the next question...

Sakuma doesn't give a toss if I'm in the middle of class...

In fact, I have the sneaking suspicion that he's watching me...

Then answer the next question.

....! Ye...s!

He forces me to wear a chastity belt...

that continually stimulates my body.

The quote "Let them eat cake" is a good example of the relations between the populace and...

AU! [The French revolution was when the French monarchy and the old regime collapsed...]

He always makes it vibrate stronger at just the right time...

to rile me up me with embarrassment.

I've tried to resist this punishment many, many times before, but...

I realized just how futile that was a few days ago.

I must look  
like an idiot,  
trying to  
frantically  
stifle my

don't get  
busted...

Damn it...  
He's just  
doing  
whatever  
he wants...

I'd start cumming, crying, screaming... He'd find out about everything...

I'll go... alone...

it'll arouse suspicion...

Don't. If we're together too much...

Right now... I couldn't bear it...

if Yashio was kind towards me...

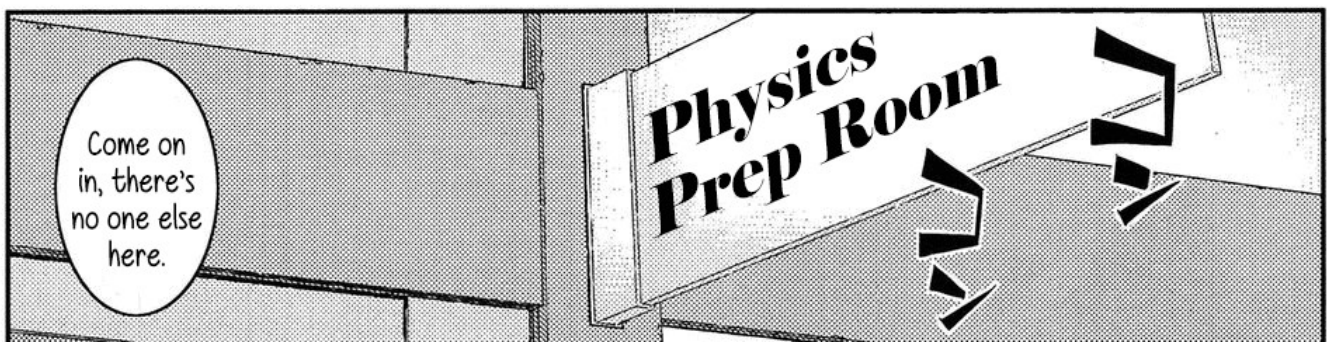

I'm so sorry, Yashio...

It couldn't be...

Kanata...

Come on in, there's no one else here.

**Physics

What do you need? There's still time until school is over.

FuFuFu. It seems when you're in front of the boy you like...

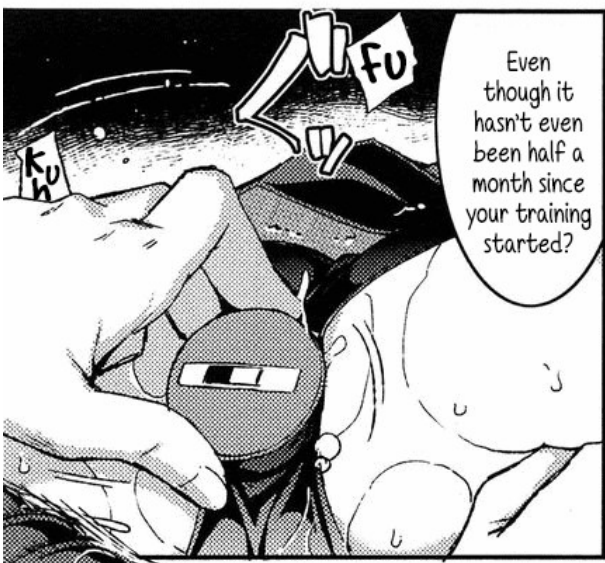

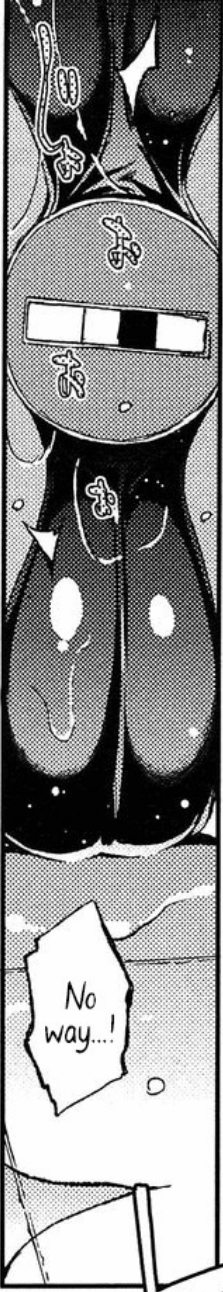

I can't believe I...

Well, well, well. Did it feel so good you lost control of your bladder?

Hn!?

Even though it hasn't even been half a month since your training started?

No way...!

Just how lewd is your body?!

Well, you see...

"you could?"  
Is that what you think?

No...!  
there's no way...!

I might be able to shove my whole fist inside soon.

Your asshole's become so loose.

Fufufu

Wha?!

aaat!!

Of course, if I go that far, your ass might become unable to close properly.

Being that my thing can slip inside your ass so easily now...

at this rate, very soon, being able to fit my fist inside you won't be out of the question.

No!!

Ah

Ah

If you do that, I'll...!

No!! Please... don't...!

ever-shitting crater might have its own merits.

Although, turning your asshole into a gaping...

Wha? Ah!

Oh well. At least thanks to that, I can shove my cock in as deep as it'll go.

You know, your womb has become considerably slack.

Then start working your ass off and squeeze harder!

No, don't!

Pleash don...!

Aaah

Aah?!

Nyoo!

Shto!

Ah

Ah

Still, if I can get a reaction like this through your intestine...

Fufufu You suddenly started tightening up like a clamp!

Seems like you've taken a liking to uterus massages.

Who on earth take a liking to that?!

then if I crushed your uterus directly from inside your virgin pussy...

I wonder what would happen to you.

Shut up! Shut the hell up!

You... can't!

My first time is...

Fu da ah

Of course not!!

But of course. I haven't forgotten.

Be honest, though, don't you want to see what it's like to have your womb teased directly?

Every-thing you do to me feels disgusting!

Da da da not true!

Wha!?!?

Ah!?!?

It's almost the same as touching your womb directly.

If I push it deeper!

Your hips are squirming and your uterus is pressing down on me.

I don't care how many times you've made me cum, I don't need your rotten dick!

And my hips aren't moving at all!

Nho...!

Wouldn't it be better if you were just honest about the pleasure you feel?

Regardless of your unreasonable will to stay chaste... your body still aches for it.

That's all in your head, you freak!

need to!

I don't...!

Aaah!!

No...!

Yashio's is the only one I want...!  
Yashio's...

it would be a waste to not enjoy it to its fullest.

Since you have such an outstanding talent...

Whatever. The fun can come later.

You're still acting like you're in agony? God, you're persistent.

If this were Yashio's penis, It would definitely...

feel a lot better!!  
No...! I can't think like that!

That's not why I fell in love with Yashio...!

He's making me cum!

Oh? You're cumming again, aren't you?

I've let you have your way so far, but next we're going back to the usual.

Aah, fuck. I'm cumming...

It felt stronger than usual...

What... the?

there's still a ways to go!

Your body is also starting to get used to this.

However...

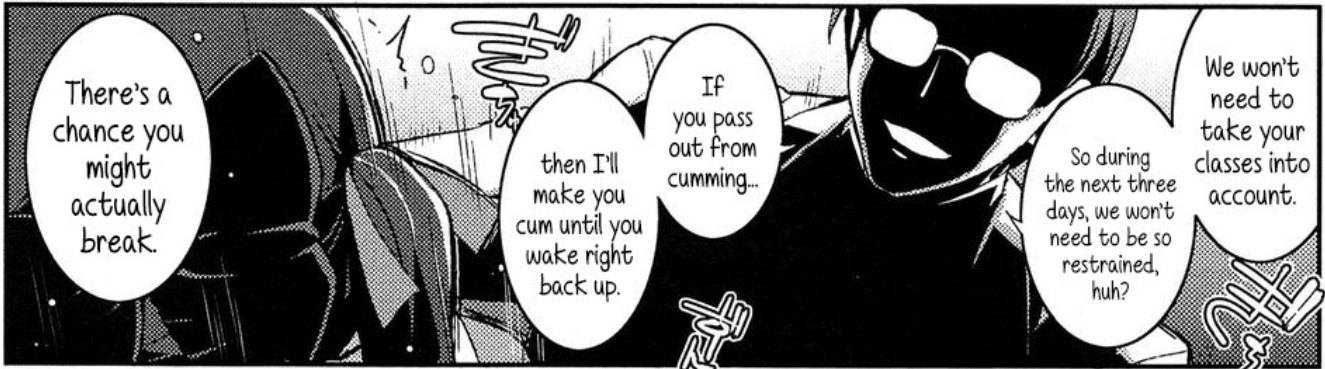

I just remembered. We have a three day weekend coming up tomorrow.

Aaah!!

W-Wait! I just came!

I just came!!

There's a chance you might actually break.

then I'll make you cum until you wake right back up.

If you pass out from cumming...

So during the next three days, we won't need to be so restrained, huh?

We won't need to take your classes into account.

The inside just trembles and trembles! I can't get enough!

Her throat isn't half bad either.

Dear me, Kana-chan, your ass-pussy is in very good shape.  
It swallows me down to the base so easily, and yet it keeps squeezing so hard!

Oh, I'm so jealous. This handjob is a god damned disgrace.

Oh, well. Her tiny, clumsy hands have some charm to them, I guess.

The way she uses her tongue leaves a lot to be desired, but...

when I shove my cock inside, her panting makes it vibrate.

Ha! Ha! Ha! Be patient. I'm nearing my limit.

**無垢** Her innocent body has become **汚れる** tainted by lust

How many times does that make today?

Oh? Kanata-chan, did you cum again?

Cumming's really turning into a habit for you, huh?

That's right, I have no idea.

How could I?

Ah ha  
N ha

My body has done nothing but cum...

since this morning!

Oo Oo Oh  
!!

On the first day of the three day weekend.

Sakuma took me to a hotel room.

and Sakuma, who probably uses it all the time have some twisted design sense.

The people who sat down and thought it was a good idea to make this place...

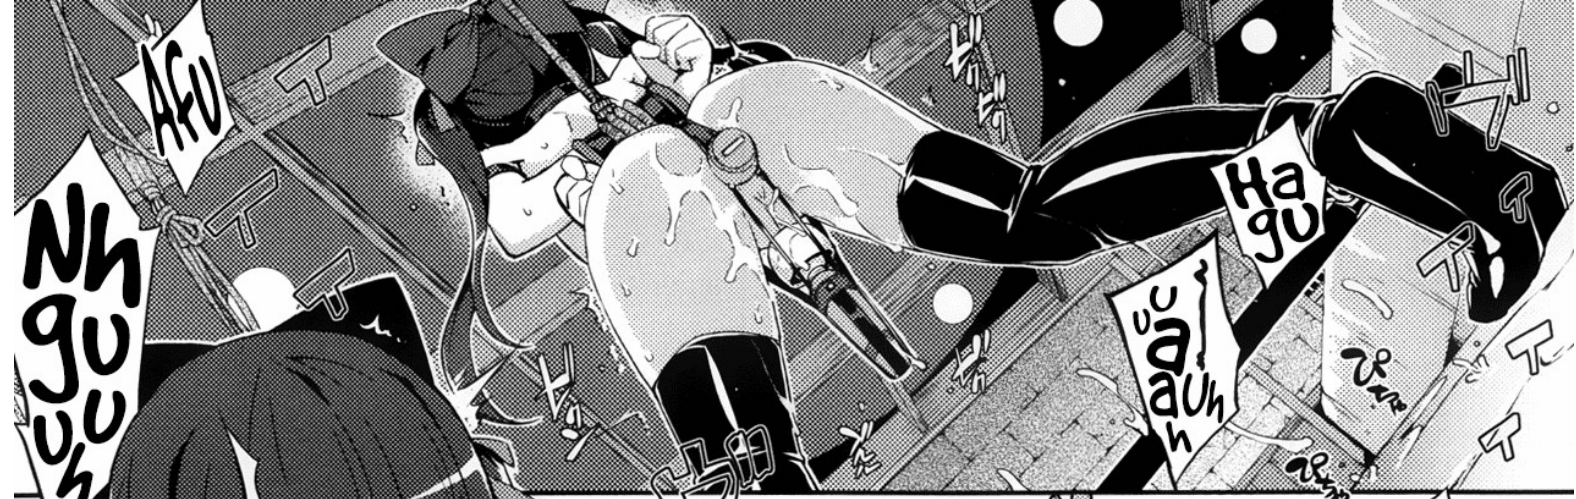

This room looks like a dungeon.

But to hide my fear and anxiety...

I cracked a little smile, as I thought about that.

I went right back to pretending to be indifferent.

I'm cummin'!

I'm.. Cuhm-minn...!

from my ass-pussy and...

erect clito-rish...!

I've, reached climaaax for the eighteenth time...!

Ah! Aah! C-Cumming! Cumming! Cummiing!!

Cuu!

Cuhm-ming

Aaah

And he took no time making me realize that he was not exaggerating.

Kikuma had told me he had been holding back in his own way until now.

My whole body is bound tight, and my privates have no time to rest.

I cum until I pass out, and then cum until I wake back up, over and over again...

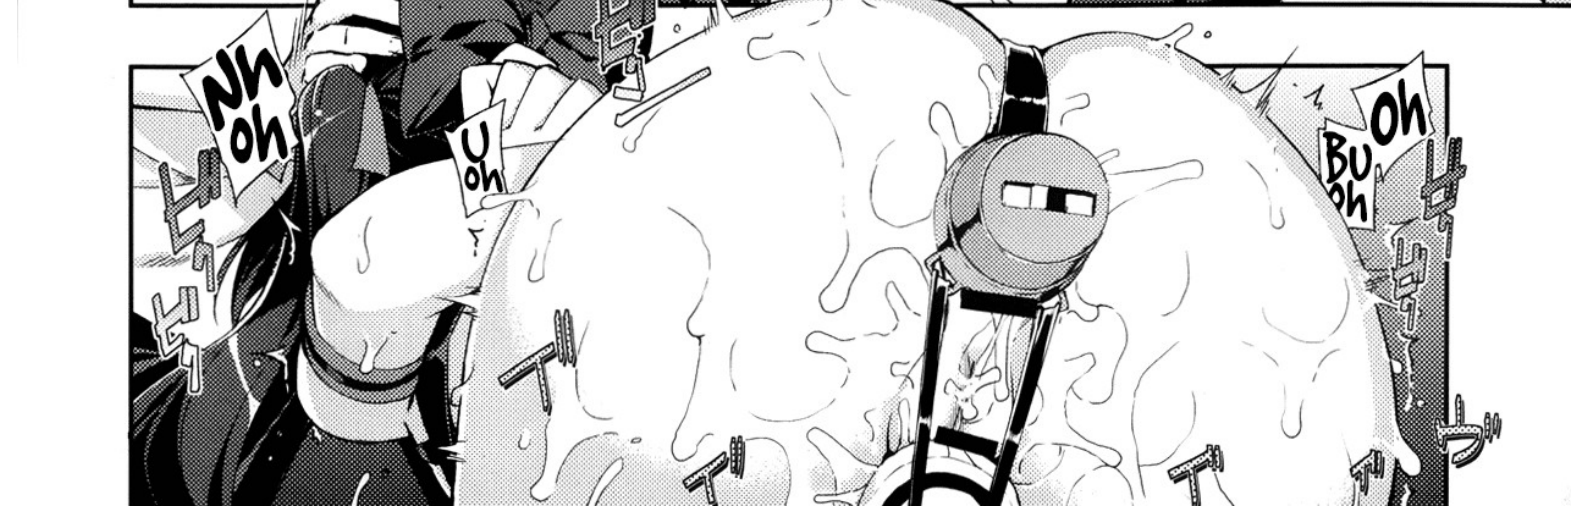

I've completely lost my ability to think.

My mind has gone blank.

Not even my reluctance to do something like this...

nor my hatred for Kikuma come to mind.

I lost my sense of time a long while ago.

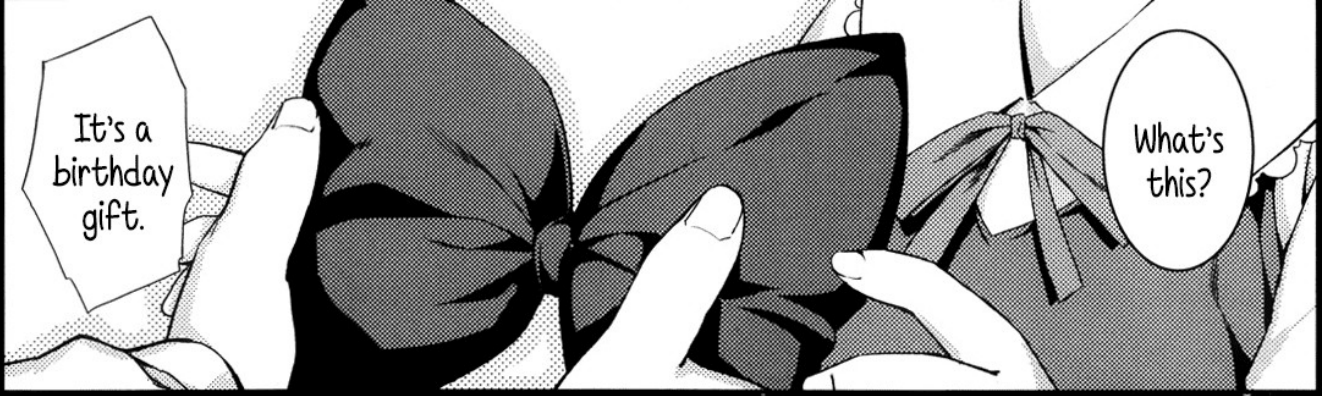

O oh

Will I break soon?

Even the fear of that happening is starting to slip from my mind.

Still, as long as the part of me that wants to cling to Yashio remains, my mind is at ease.

It's a birthday gift.

What's this?

It's a little big for me, though.

Wow! Thanks Yashio!

What a nostalgic dream.

cuz...

I got a big one...

Aaah!

Ah!  
Aah!

What was it Yashio said again?

Those memories seem so far away now.

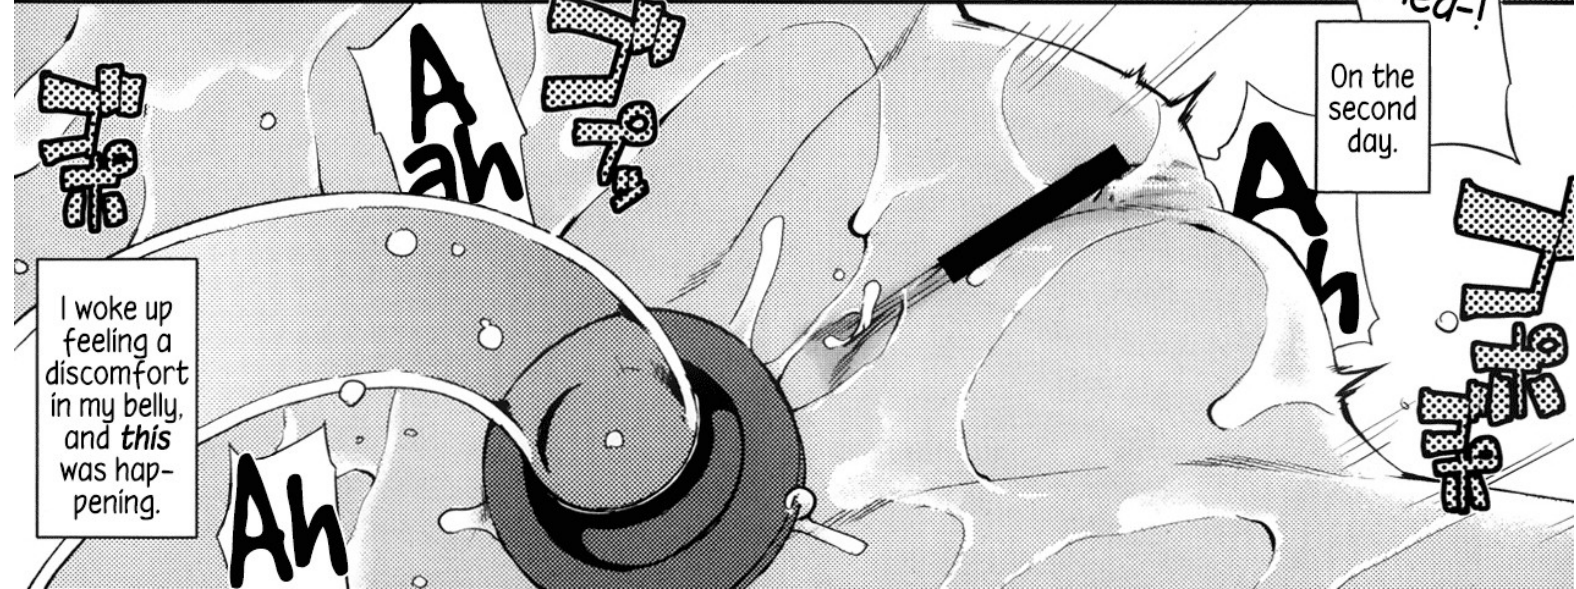

My stomach's... gonna burst!

S-Stop it already!!

It's gonna burst!!

Plea-!

On the second day.

I woke up feeling a discomfort in my belly, and *this* was happening.

Ah

Ah

Can't take any more!

Cu... Ah

No

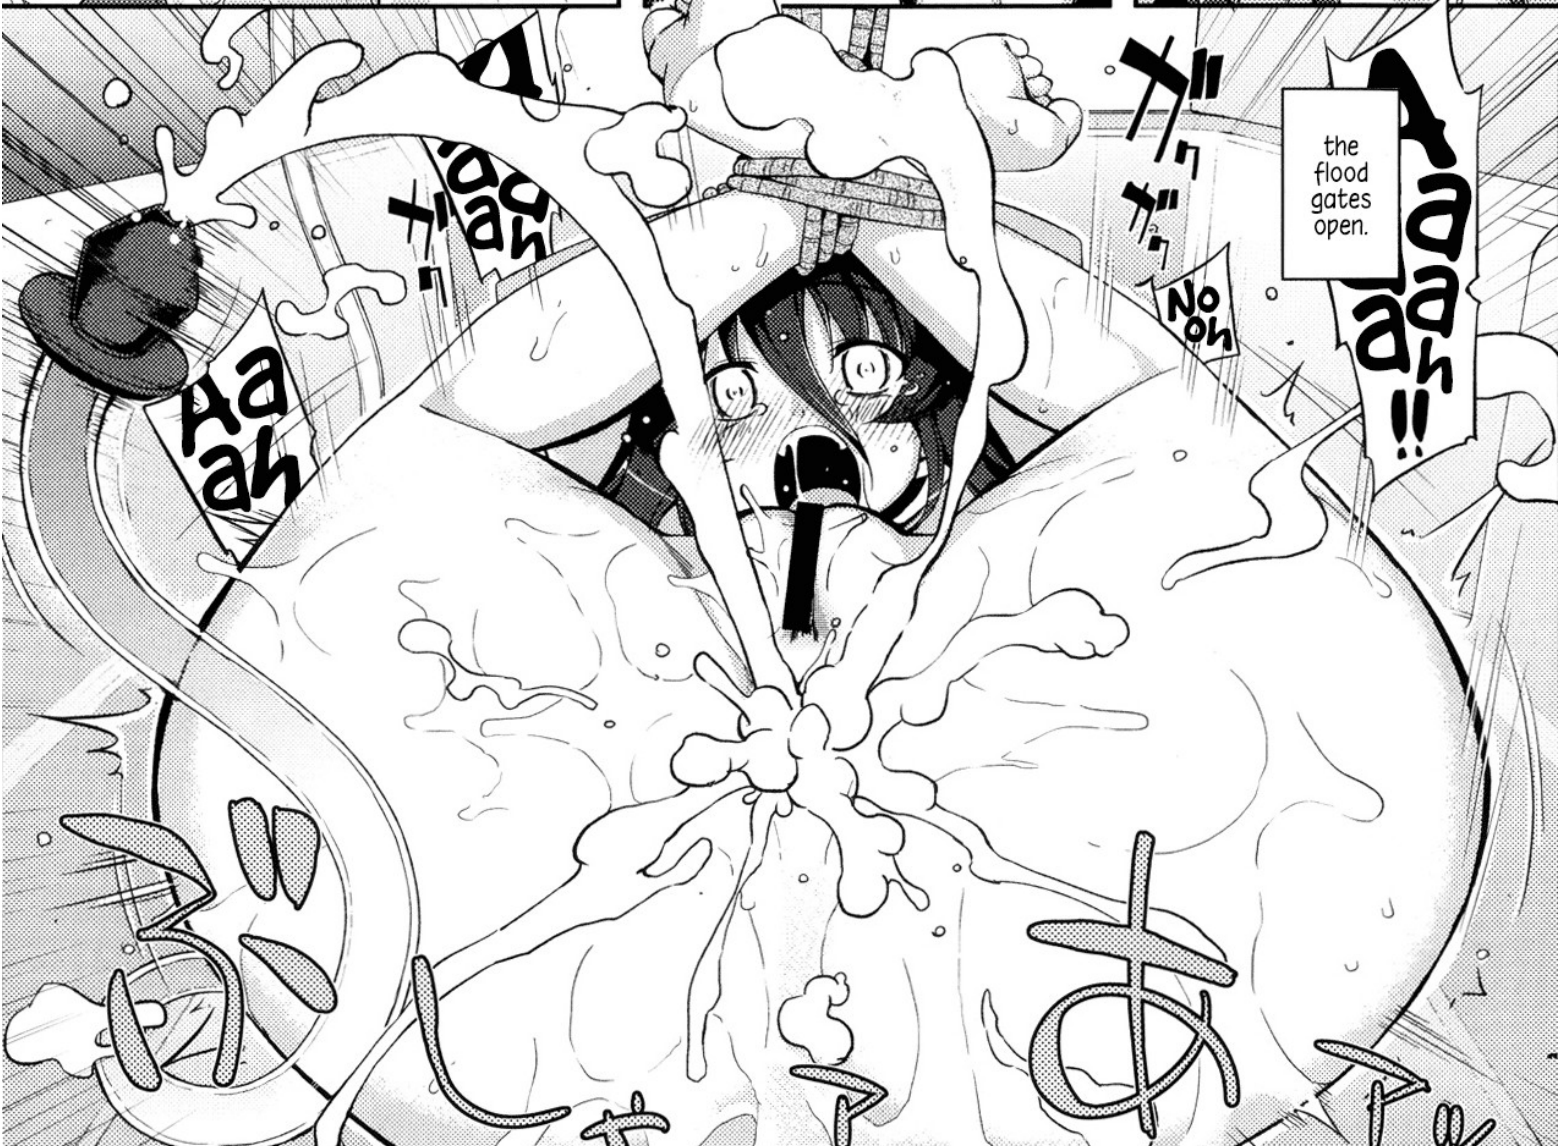

When it finally can't fill up any more...

Aaah  
Fu

My body is so sensitive now that it just lumps every intense feeling together with pleasure.

These unfamiliar feelings of pressure and dull pain feel more like fresh stimuli instead.

Ha go

I couldn't stop myself from wailing.

Because of this new stimulus that feels totally different from being pierced by Sakuma...

With the force of a fountain, my womb gets jolted from beyond my intestinal wall.

the flood gates open.

Oh

At first he only used about a soda can worth of enema fluid, but...

He kept filling my stomach up and then emptying it over and over all day.

And by the time night rolled around, he was pouring over two litres inside me.

Then, on the dawn of the third day...

by evening time he had moved on to using a whole litre.

My stomachs

M-My stomach

Ooo

I was surrounded by men I had never seen before...

looking like I was pregnant with my expanded stomach.

You've created yet another splendid inflated belly, Kikuma.

The contrast between her belly and her ~~schooler like~~ schooler like body is sublime!

Ha h

Her face already looks like it's melting.

Is that girl seriously still a virgin?

Ah

I did as I was told.

Uh

without even thinking...

Go on Sugiura, introduce yourself.

Did seeing me in this sorry state make these men horny?

Without a moment's rest, I was enveloped by them.

C'mon! Take it all the way to the base!

They didn't care that I had just spent an eternity cumming.

My now over-sensitive body is writhing in agony at even the tiniest touch.

Just having my hair and skin stroked is enough to make me raise my voice.
