A Room
Without
Shiori

Thank you for reading "A Room Without Shiori".
How will the readers see Shiori?
Is she a small animal type like a rabbit,
or maybe a devilish nymph seducing adults?
I'll leave it to their imaginations."
That's what I thought about while drawing Touko and Shiori.
Honestly, it'd be great if there was more realistic erotic yuri!
That's my opinion.
