

I started working part-time at this second-hand bookstore mostly because of all the down time I'd have.

秘めた想いの金魚草。届かぬ声を衣擦れに乗せて調へる恋の歌。

別に真面目なお話じゃないです。

She's a regular here. A middle schooler who masturbates to erotic magazines right inside the store.

It's become a bit of a daily ritual to fap to her shlicking.

What's he slithering about for.. !!

Geh... There was another customer..?

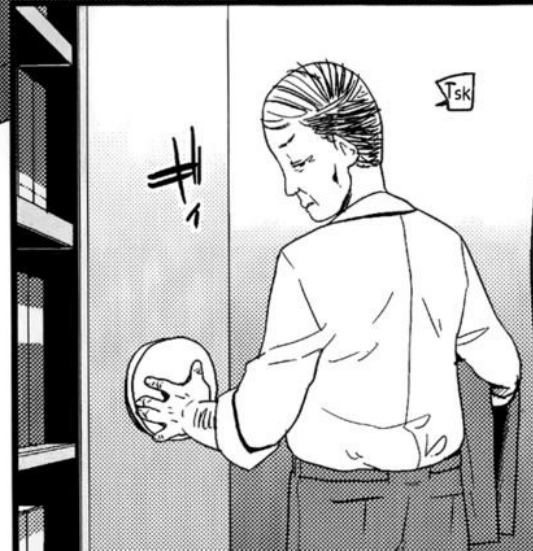

Although, if she she found out I recognized her, she might stop coming here altogether.. I think I'll try talking to her today..

'Cause you're not doing a very good job of it. Are you trying to hide yourself?

!?

M-Miss customer! About the items we purchased from you!

Then why is the store...

...Is he out?

Hey!

Clerk?

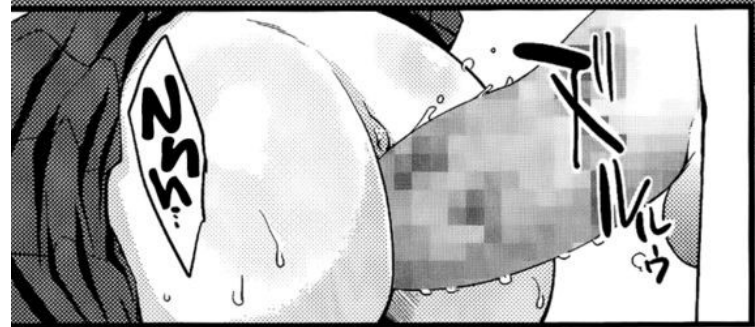

H-How did things turn out like this?

S-She's in a daze, looking at my cock.

Uh...! Cumming...!

I feel like I just tore through something. She's a virgin?!

I-I guess this is her first time...

I-I shoved it all the way in... Can you tell?

Doesn't it hurt? I'm gonna move, you hear?

This cute little girl is throwing away her virginity for me..?

A grade schooler's virgin pussy..!

The insides of your pussy are so wet! They feel great!

Are you getting off on my dick?

That said..

How long is she gonna keep reading that book?

I'm glad I'm not hurting her, but..

Did she masturbate so much she became used to this stuff?

She's squeezing so hard, yet it feels so smooth and soft..!

This way... Hey...

look over here!

I can't see her face like this!

D-Do you really want to read that porn mag that bad?!

This way, it's like all I'm doing is helping her masturbate...

Gimme that!!

So your name is Nayu-chan. This is the first time I've ever looked at your nametag.

You were masturbating inside the store before, weren't you?

I've been secretly peeping on you, actually.

I've been using you as fap material for a long time.

This color means... Eight grade, was it?

Oh, can I call you Nayu-chan?

You guys are color coded by grade, right?

It's nice that you moan so quietly.

Even inside the store, no one would notice you unless they got close.

Lots of cuties attend that school. You included, Nayu-chan.

Akane 2nd middle school? I see that uniform often.

Mu gu...!

FU

Do your friends do stuff like this often too?

Kids these days are so randy.

Nayu-chan, your eight grader pussy is swallowing my cock so voraciously! That's so hot!

Can you feel the tip of my penis kissing your womb?
