IT WAS
WHEN THEY
WERE
RETURNING
FROM
ACQUIRING
FOOD

Ah,

THEY CAME
ACROSS A
NORMAL-SIZED
HUMAN

I've
finally
found
some

THEY COME TO
EXTERMINATE
THE SHRINK
DISEASE
SUFFERERS
WHO ESCAPE
FROM THE
INSTITUTION

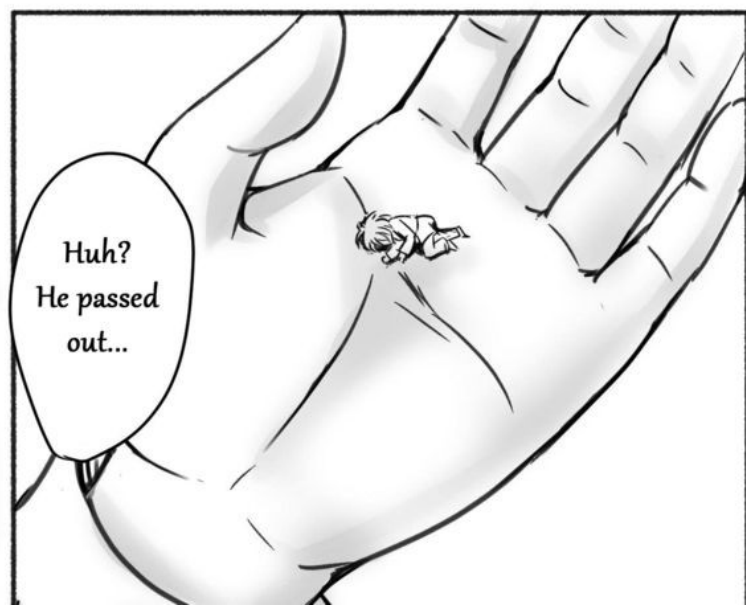

Hey you,
hold it!

Split up!!

Oh, over there!!

There should have been one more...

Hmmm...

There's
more
swarming
than I
thought

I'm
moving
this,
okay?

Uwah...!!

They went
out of their
way to trap
themselves...

Hm,
there's a
fence up to
keep bugs
out

Hey!
Listen
to
me!!

HEEY!

Nn?

Can't you overlook us?

We live without bothering anyone

And Takumi wouldn't come back because of this place, too

What?
No

Go ahead and tell onesan

Hmmm?
What is it?

You can take him, we don't care

Takumi?

Damn, this girl...

Please...

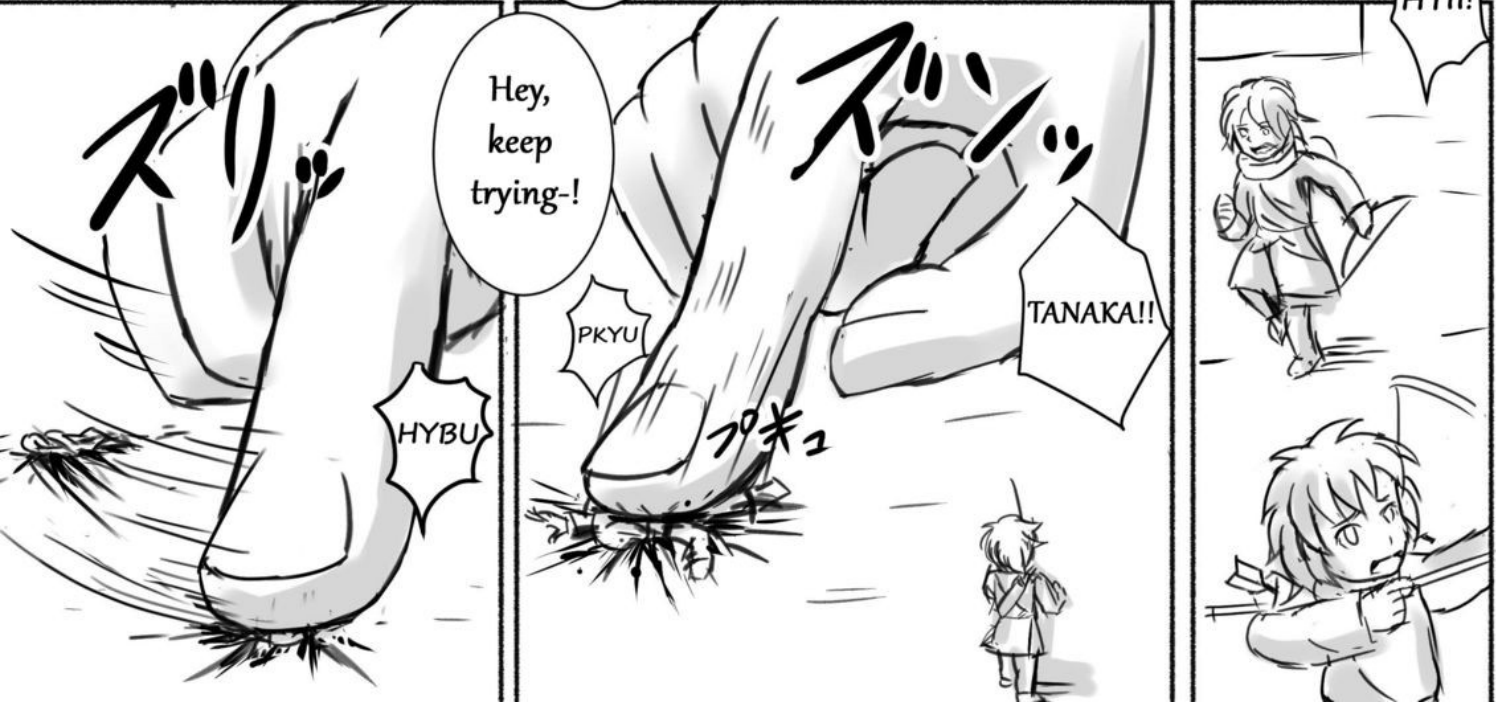

That's no place for a human!!

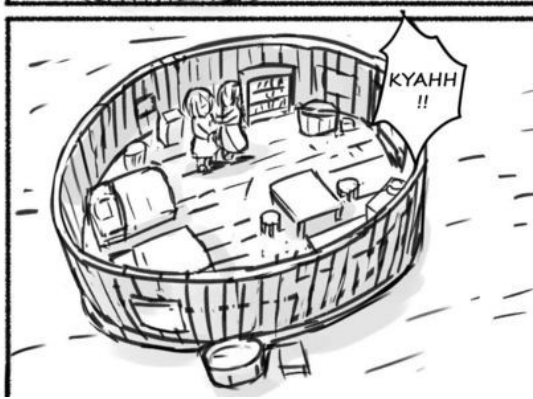

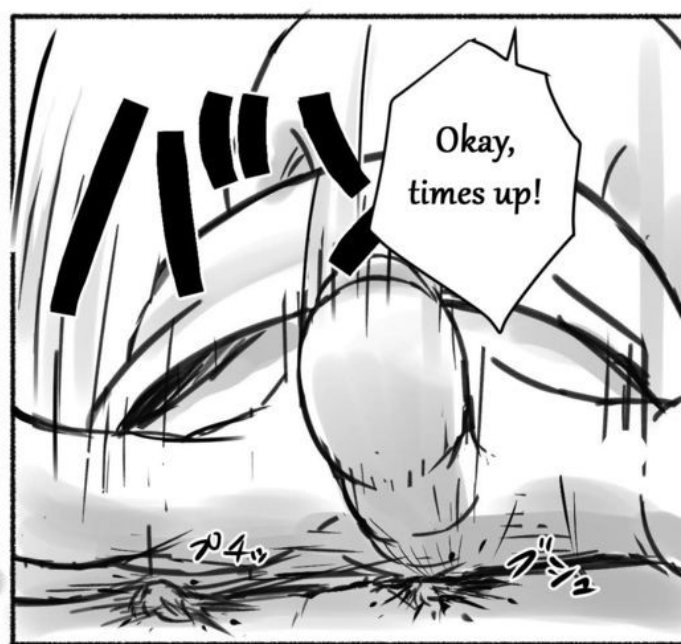

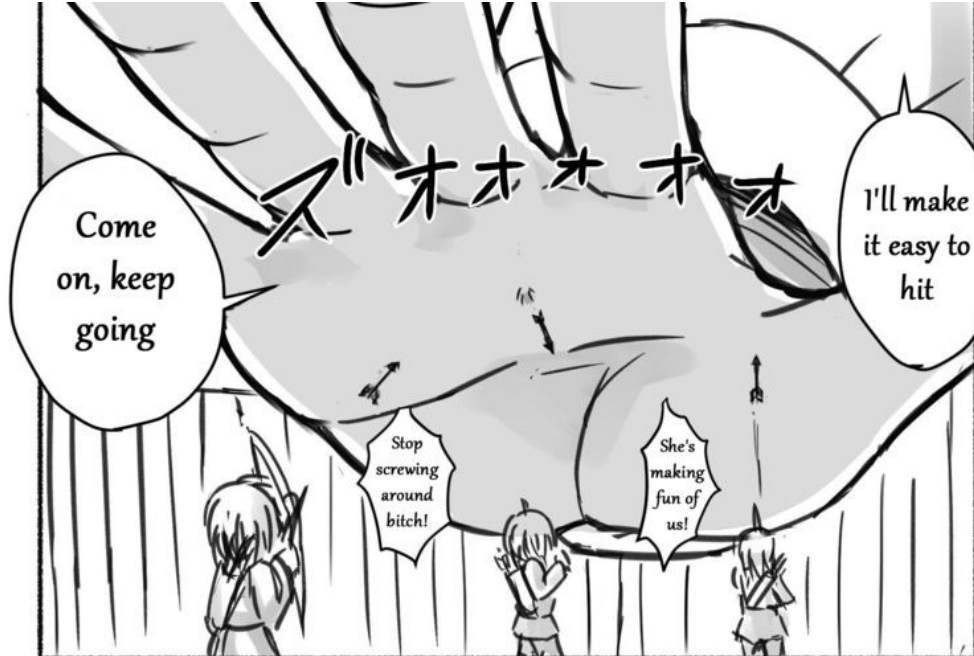

Do you know what they do to us at the institution!?

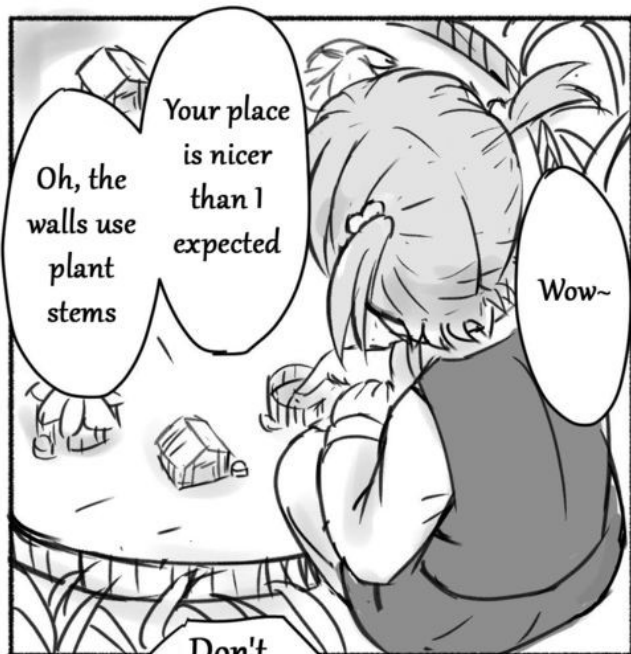

You can't complain about anything I do to you

And you know that tinies who escape from the shelter institution lose their rights, right?...

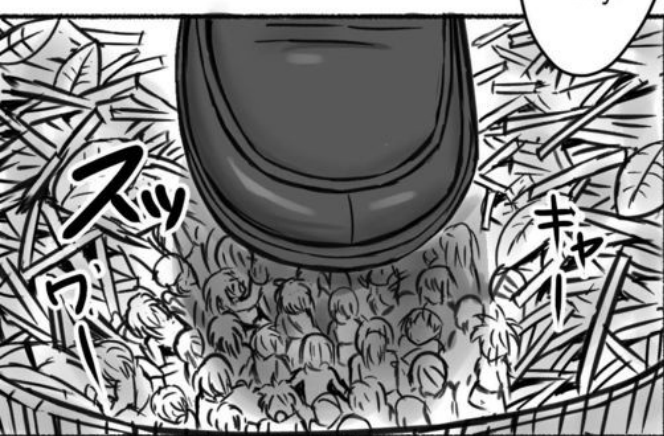

Let me hear
some nice
cries before
I finish,
okay?

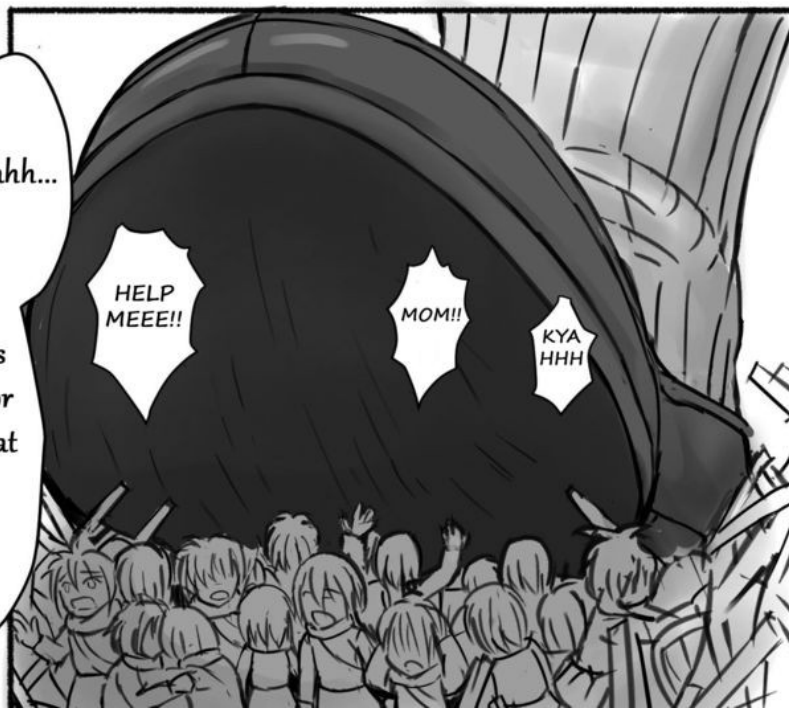

The
village is
down to
just this

Ahaha,
this must be
everyone

I'll never
get tired
of this

Everyone's
begging for
their lives at
my feet...

HELP
MEEEE!!

MOM!!

KYA
HHH

PLEASE
STOP!

MURDER
ER!
