What are we going to do now, Onee-chan?

What do you mean?

Of course

Hm?
Oh...

A-About us going out!

I've thought about our future.

What...

A double bed is a must! I've always wanted a canopy. I can't get up in the morning so you'll have to wake me up, but I'll make our breakfast and lunchboxes. Of course we'll kiss when I hand it over, but I want to hold hands while going to school and work too! Oh, and-

She's lost it.

I'm not talking about a far off future like that! Something more realistic!

Okay...

oh!

No, it's not.

Since we're family already, one marriage form's enough, right?

Please come back to Earth.

Then what are you thinking, Fumi?

Whaat

Onee-chan knows.

um...

Eh?

I know that I have no idea what you're talking about.

Even if it's a boy, we'll definitely raise him to be a cute one!

That...

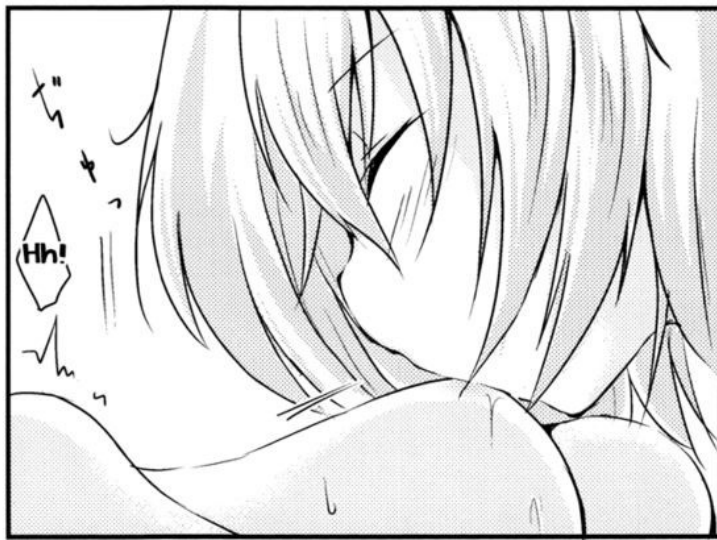

Before we talk about going out or not, I'm worried about her instead...

sigh...

The sight of you being worried is so cute.

Wawa-what are you doing!?

オークス様発行の成人向け百合アンソロジー『桃百合』にて16ページの読み切りを描かせて頂きました。
姉妹百合がテーマだそうですので、ご興味があればぜひよろしくお願ひします。

…とせっかくこの2人をもう一度描いたのもデラシの裏の独り言をいくつか。
・まず「ふみ」「お姉ちゃん」としか呼び名がありませんが、一応最初に
姉「文恵(あやえ)」妹「文枝(ふみえ)」という紛らわしい名前をつけてました。
・タイトルの適当さとセンスのなさに定評がありますが、桃百合に載せて頂く原稿でも
タイトルが最後まで思いつかず、「後1時間で考えて下さい」と言われたので
そのまんまのタイトルになりました(-D)――

色々なんとかしたいです；

Hello, it's Oriko.

I tried drawing an afterstory for "Together with My Big Sister"

from "Momo Yuri". I'm thinking the story's somewhat hard to understand...sorry.

I've only realized recently that I love pairing up
carefree girls with girls who have it together.

I've also realized just now that while their scarves are yellow on the cover, in Momo Yuri they were dark or blackish. uh oh.

About the title, "Shoujo Peony": After I finished drawing the cover,

I thought, "I want to put "Shoujo" in the title!"

Then I needed another word...so I picked the peony which

(sort of) means "sisterly love" in the flower language. Titles are difficult...

By the way, right now Smile Precure's Akane x Nao's pretty hot.

I want to draw them some time!

Events I'm planning on participating in next

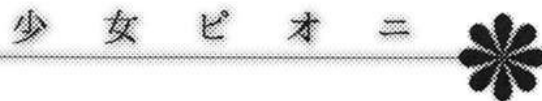

-Sunshine Creation 55 (GO9b)

-COMIC★6 (16a)

-Sunshine Creation 56

-C82 (applied)

Please continue to support me!
