Miscellaneous notes:

Hichijime is a bigtime nerd, so he sometimes speaks in archaic language, and uses medical/childish terminology like "penis", "vagina", and "boobies".

p207 - Jin'ouga: a boss from Monster Hunter.

p209 - Nishieri/Bacardi: Nishieri is an old Japanese radio VA, and "Bacardi" was the name of an old Manzai group she would reference.

p223 - ChinKara: Roughly translated, "Chinkara" means "dry dick".
