HALLOWEEN

Welcome to The Slave's Tavern!

Ah~
There's our
favorite guest!

Looks like you're
fully healed up~

Haha, you okay?
You seem a
bit unstable
on your feet...

Miss Doris goes hard
for Her sessions, huh?

Get home safely, okay?

Oh right~
I've been
meaning to ask...
Do you have any plans
for Halloween?

So every Halloween,
we hold a bit
of a party here
at the Slave's Tavern~

And, one of the rules
is that collared slaves
must bring treats for
their Mistresses.

And our top Mistress,
Miss Aria?
She'll get mountains of treats,
and even cakes!

But like... I'm no
Mistress, and I've
not claimed anyone...

So I'm always the only
one empty-handed...
It's a bit of a bummer...

So I was thinking...
If you'd be My slave
for just this Halloween...

And bring Me treats!

... B-but of course
you'll be busy,
right...?

Ah...
Let alone being
my slave...
Sorry... forget
what I said!

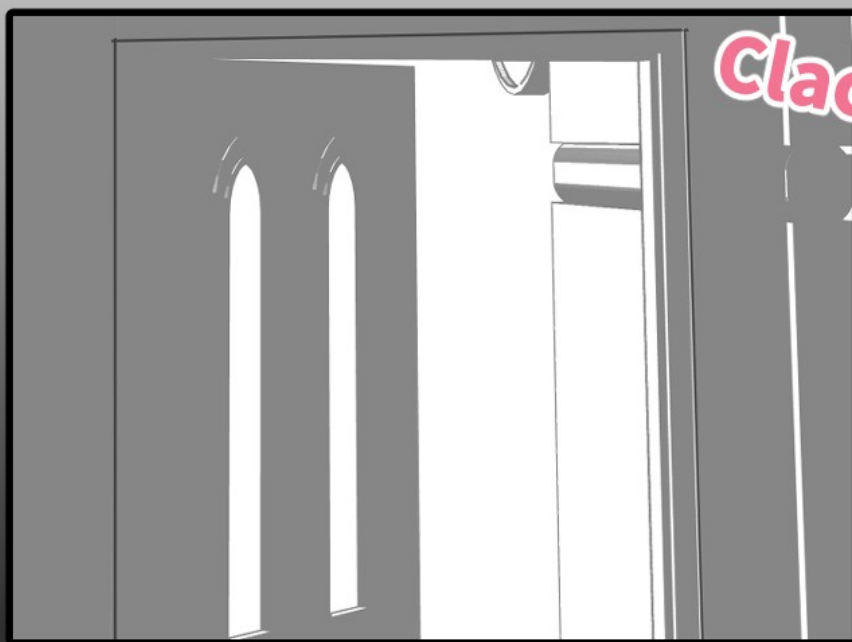

... Wha?
You'll do it?

Yay!!

I'll be waiting for
you at the party then!

Ahh...
I'm so excited...!

... On Halloween...

Clack

W

Ah!
It's you!

**Trick

**Give Me your cum if you
don't want any trouble!**

I've been waiting
for you!

Well then,
come on in~

Huh?
There's cake in
that enormous box?

I'm so happy...
Thank you!!

This is the first Halloween
treat I've ever received...

Hey, hey
over here!

We've got
food and drinks!

Quickly,
quickly♪

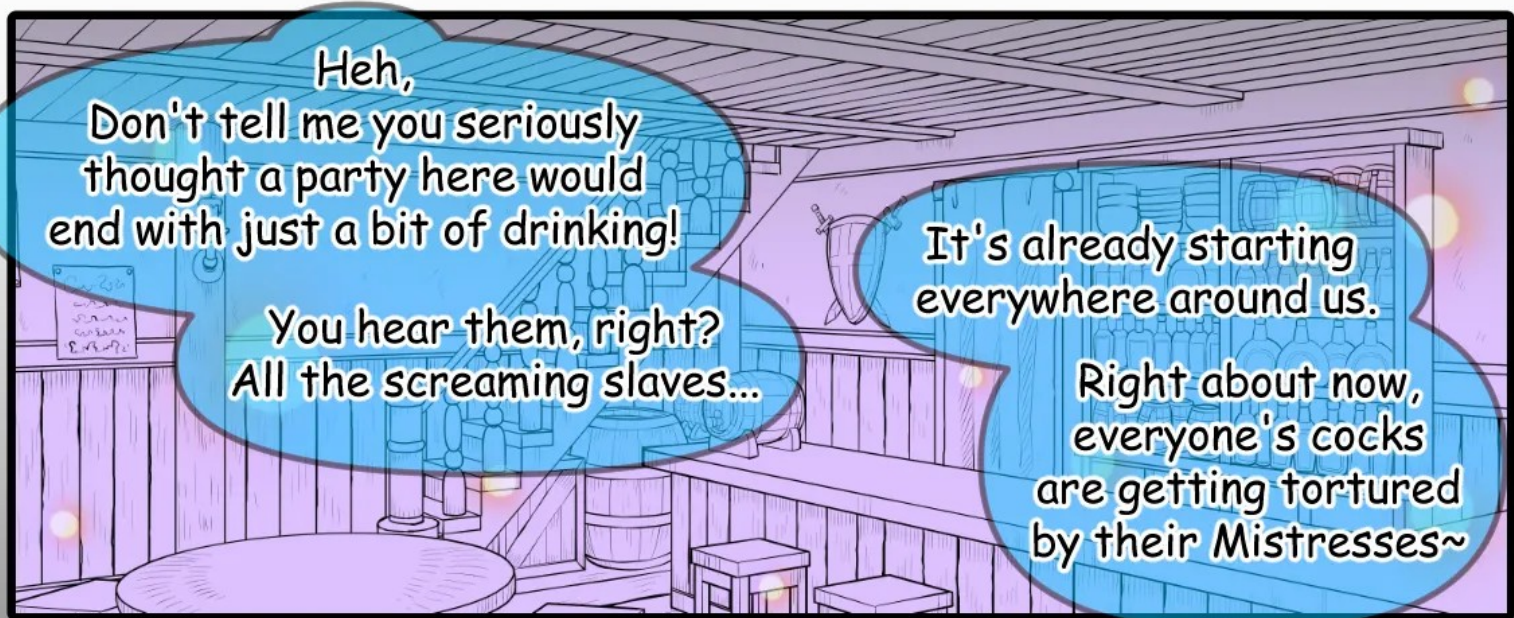

... Some time later

... That cake was delicious~

Phew...
And I'm kind of buzzed...

Mh, well then...
Shall we find a room upstairs?

Heh,
Don't tell me you seriously
thought a party here would
end with just a bit of drinking!

You hear them, right?
All the screaming slaves...

It's already starting
everywhere around us.

Right about now,
everyone's cocks
are getting tortured
by their Mistresses~

And~ Your cock is
Mine to tease and
torment tonight.

Hehe, there.
That's two fingers~

Shloph

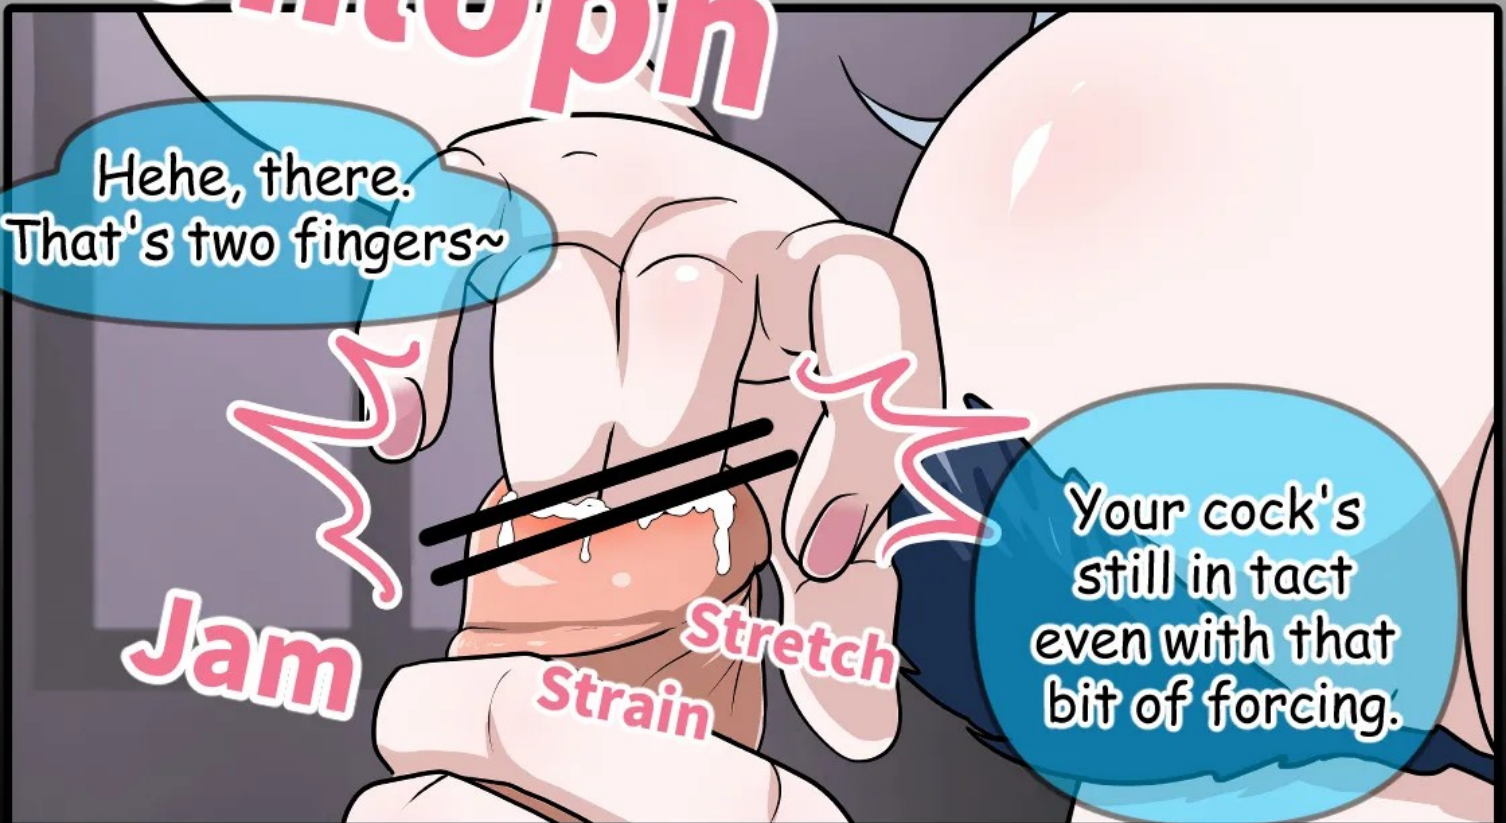

Hehe, there.
That's two fingers~

Jam

Strain

Stretch

Your cock's
still in tact
even with that
bit of forcing.

Ahaha
does that hurt?

With all this lotion,
I can make
a real mess of
your cock~

Shlop

Thrust

Thrust

Like, ravage it
from the inside~

Eugh...
Wait, this isn't just lotion...
You're leaking
loads of precum too...

Shlup

Push

Push

You're getting off in spite
of all this pain...

Filthy pig!

Ack!

Splurt!

Slop

Twist

I do recall
giving you
permission to cum.

Splurt

Jam

Thrust

Shove

As your Mistress
for the night,
I'm going to punish you
for your disobedience.

Hmph!

Your tears won't
do you any good.

It's your fault for
acting on your own...
And I'm going to teach
you through your cock!

Thrust
Shlop
Shlup
Jam

Pathetic...
Getting off
on your punishment...

Maybe I should make
it so that you can't
show your cock to anyone...
With a good disfiguring~

Splurt

Spurt

Twist

Slop

Maybe then you'll become
mine and only mine...
