

and there I saw something I'd never even imagined before. My little brother, Ayumu, looked like he was in intense agony on top of his bed.

After I finished going to the bathroom, I heard some weird noises from my little brother's room. I stopped to take a peak...

ONII-CHAN!
I LOVE YOU SO MUCH THAT IT HURTS!

I LOVE YOU!

ONII-CHAN!!

And that masturbation was not the normal kind you would expect of a boy his age, but was much more indecent...

And when I heard him calling my name like that, I felt an almost indescribable sensation of immorality...

My Butt's Gonna make me cummm!!

After seeing this kind of scene, usually exclusive to porn vids and ero-manga,

my dick had
become
captivated
in an instant.

Onii-

little
brother's
anal mast-
urbation!

My little brother's been stuck to his onii-chan like glue for a long time now...

I love you!

Tee hee

He was clearly different from the other boys his own age. He was so cute, you'd almost think he was a beautiful young girl...

Glossy, chestnut colored hair... girlish face... soft, tender skin...

In fact, I'd noticed that I had the same feelings for him...

I never would have guessed that same brother would harbor special feelings for me.

After this, there's no way I'll be able to suppress my feelings for him any longer!!

HA...

It's just the same kinda clingy little brother as usual...

I...IS THAT SO? I HOPE YOU HAVE ANOTHER GOOD DREAM... TONIGHT, TOO...

But that couldn't stop me from hoping I could do the same thing that night...

YEAH!

IT'S A SEC-RET!

Tee hee!

WHAT?!

ABOUT THAT~~

In front of that totally trusting smile, I felt a deep sense of guilt about my actions last night...
