

THE CHARACTERS

Misogi, The Trainer.

A man who specializes in training people. He's a gentle and level-headed individual who preys on the minds and bodies of his subjects. He treats them like animals to provoke sex slave behaviour through intense training.

In this case, he's been requested by the Hitchi Financial Institute to collect a debt from a single mother and her child.

THE MOTHER AND SON WHO ARE FORCED TO HAVE SEX IN THIS STORY

Kiyomi Nakamura, The Mother

She's 42 years old, a calm and kind yet strong mother who works day and night for her son's sake. Perhaps due to her innate personality or because she's barely making a living, she appears to be an ordinary woman. However she's premenopausal and sticks out thanks to her big breasts.

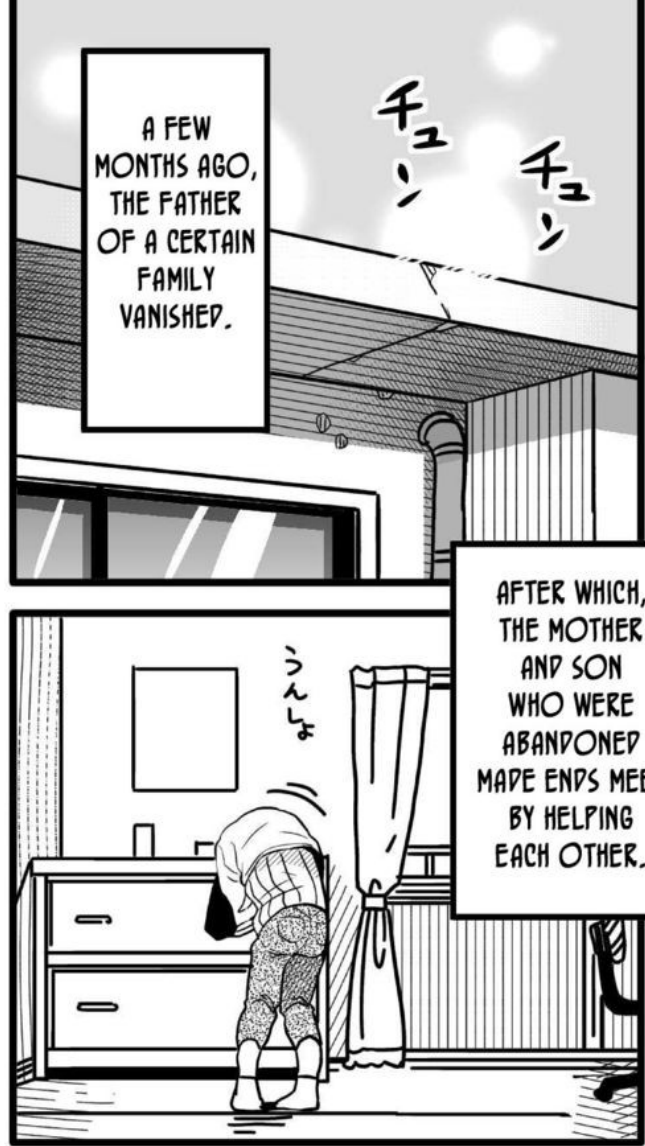

Makoto Nakamura, The Son

He takes after his mother with his kind and diligent personality. Through the love of his mother, Kiyomi, he's been raised as an honest and healthy boy. Because of his slender body and cute face, he's occasionally mistaken for a girl. His body is pure with lovely nipples and he has a big penis.

THE FATHERLESS SON DID HIS PART BY DELIVERING NEWS-PAPERS.

Alright, I can do it!

A FEW MONTHS AGO, THE FATHER OF A CERTAIN FAMILY VANISHED.

AFTER WHICH, THE MOTHER AND SON WHO WERE ABANDONED MADE ENDS MEET BY HELPING EACH OTHER.

BECAUSE HE HAS..

Alright, be careful.

Okay then, I'm heading out, MOM!

Reality Check Thing

Seriously guys, which of these two dom types are more likely to succeed at sexual coercion and subjugating a grown woman?

I'm just saying, this story made a lot more sense than the others. Cheeky shotas (like Kenta) really make me rage, but Makoto was perfect. So it was great to finally see Hana Hook's **amazing** art used with a **good story** for once. All the fap with none of the facepalm. Not to sound entitled but it's exactly what I've always wanted from this artist.

⟨PERFECT SHOTADOM FORMULA⟩
(Man + Boy [proxy]) ÷ Woman = Winning

IF YOU ENJOYED THIS, PLEASE ENCOURAGE HANA HOOK TO MAKE MORE LIKE IT BY PURCHASING THE ORIGINAL.
