コミック Goope vol.3 掲載。

A few days ago, a girl went missing in the "Forest of the Lost". We would like for you to look for her.

Dear Fencer Anna-sama, Thank you for accepting our request.

On account of powerful monsters or being subjected to the doings of witches, by all means, please be careful...

Regarding the "Forest of the Lost", we frequently hear of missing person reports regarding women in particular.

LET'S QUICKLY FINISH THIS AND HEAD HOME!

MONSTER'S, HUH... IF I CAN EASILY TAKE ON ENEMIES AT THE LEVEL OF DRAGONS OR SUCH, THIS QUEST SHOULDN'T BE A PROBLEM, I THINK.
