Today again...

Ah...

Why do I have to keep running into Yukihiro Souma...?

Really... Just thinking about him annoys me...!

Ah! Enough of this!

~...

This is bad!

Just where is the next class located...?

Damn it! It's all her fault. Running into me like that...

No chance to get the lay of the land...

I don't mind... if you really want to grope my chest...

and having my breasts fondled...

Well...

Between being challenged to a shokugeki in such a disadvantageous situation (not wearing panties)...

Seriously...?!
