

Everyone who forgot theirs must bring it in by the 24th.

Alright, hand in your samples to Maezono-san by seat order.

It's rare of you to forget something, Aikawa-san.

It was simply negligence.

Aha! Is that so?

Well, you better not forget next time, or you'll be in a heap of trouble!

Hey...! Guys, give it back!!

Why?

No one told me about this!

カサ...

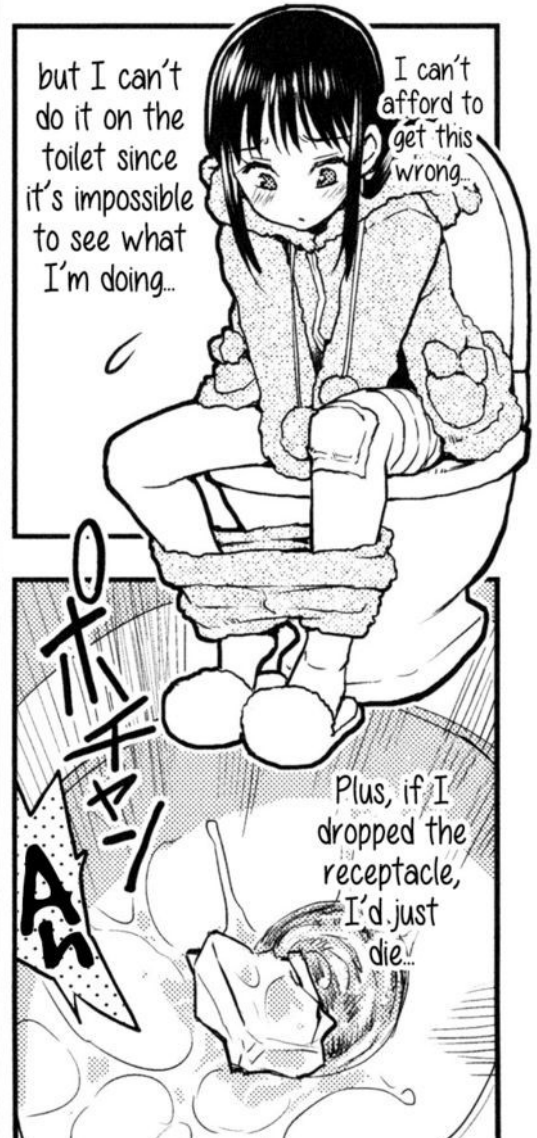

This has got to be a joke!

Anyway, I have to bring it in today.

しっせきぐ
URINE SNAFU

have to take their urinalysis sample in front of a doctor or teacher as punishment!

Girls who forget twice...

When I was little, I used to go in the bath all the time, though...

Haha!

Alright, but don't tell your mother.

Dad, can I take a pee?

It's not coming out...

I guess I just can't go in here...

What?!

I wanna see where you pee from too!

Hey, dad!

I wonder what he's doing right now...

Dad, huh...

A h a h a

Boy, did she give it to us!

mom got real mad at both of us afterwards!

He did end up showing it to me, but...

I...
have
a new
family
now...

Since I got
both a new
father and a
new brother
in one go...

I'm not
lonely at
all.

I probably
shouldn't be
thinking
about sad
things...

while
looking
like this...

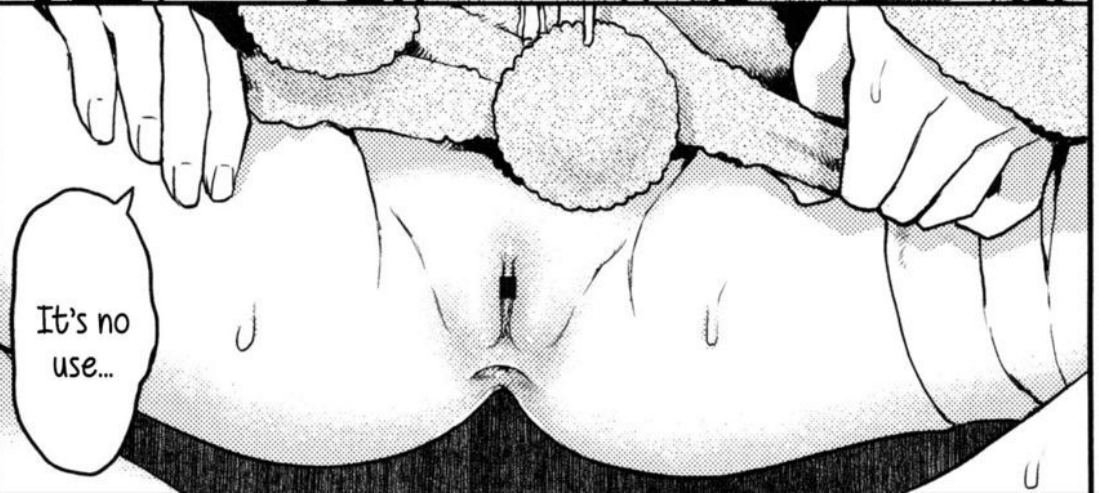

Now that
I think about
it, after we
had our bodies
measured...

わい

It's no
use...

I've touched it before, of course, but...

Oh, totally, totally! It's awful, isn't it?

Don't you get the urge to pee when you touch yourself downstairs?

Huh? What are you talking about?!

Gross!

ん...

I'm kind of afraid to now!

What is this...

Uh...

want to pee...

T-There's no way doing this would make me...

Oh gosh! Oh gosh...

Uhaa...

Hah Ha

Weird... Weird... This is a super weird feeling...

No way...!

Ah...! No!

wet...

It's getting...

Ah...

Uh...

Oh gosh...
I'm making
such a weird
voice...

Khng...!

It's
echoing...

Hah...
That was
a trip...

Ah...

Ha

Ha

Ha

What a mess... Ah! What am I going to do? What am I going to do?!

M-Maybe I can salvage some of it...!

和

Man!

Is it chilly this morning!

This is the worst...

Nope...

Oh, god!
You reek of
booze!

No!
It's
not!

Hey...!
Onii-
chan!!

Why
did you
come in
here?!?!

Huh?

Isn't
this where
the toilet
is?

I-it's not!
Now make like a
tree and leave!!

Booze?
All I can
smell is
piss.

You sure
the toilet
isn't in
here?

Huh?

I'll listen
to whatever
you have to say,
my cute little
sis.

Alright!
Alright!

You
mean
it?

.....

whenever
you're in a
bind, I'll do
anything I
can to help
you out!

I'm
your older
brother by
a year, so...

You want me to take your urinalysis test for you?

Mmh?

Wah!

That's an easy request.

Onii-chan

So while you're at it, fill this up with some of your pee...

Y-You were going to the toilet anyway, weren't you?

Still...

Onii-chan becomes a mess whenever he's drunk...

C'mon, gimme that thing.

His thingy is completely different from my dad's...

Onii-chan

Onii-chan

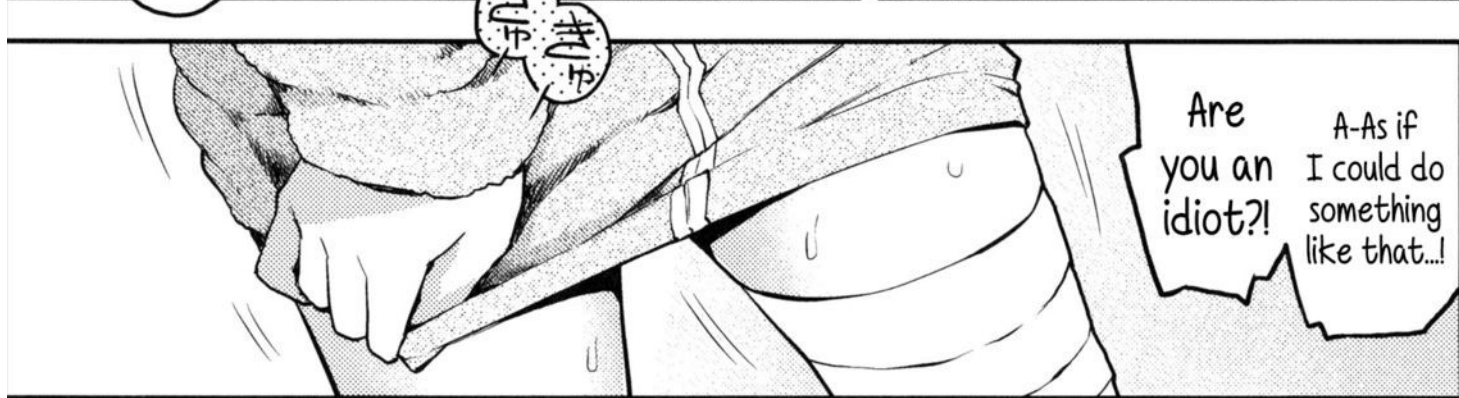

Onii-chan

Onii-chan

W-!

Why are you taking that thing out here?!

B-Boys
are so...

weird...

Is it really
going to get
smaller if
I do this...?

It's hot...
and warm...
Actually, it's
just weird!

Hey

Is this
thing still
a boner?

I couldn't
think of a
better way.

Hiya... Hiya... Hiya...

Hiya...

Ha Ha Mh... Ha

Ha Ha

Hiya...

Ha Ha

It's so
jarring, seeing
as how you're
always so
reserved and kind...

I thought
you were a
more serious
person than
this...

That's
my name,
don't
wear it
out...

Yuki...

W-Why are
you panting
and making
such weird
sounds...

Ooh... Yuki...
Yukii...
Yukii...!

Yukii...

He looks so serious all of a sudden...

W-What?

Ha

Ha

Say, Yuki...

もじ...

I'm disappointed, or rather...

I'm surprised, or rather.....

I have this weird feeling in my stomach, or rather...

もじ...

もじ...

Huh...?

What do you mean, "already" ...?

まじ...

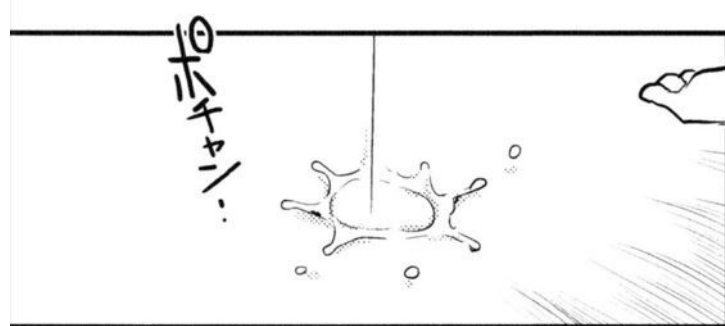

You know...

Is this...

Could you... put it in your mouth...

and suck on it already...?

おひゃん!

I have to keep a secret no matter what...?

Something...

What?

We broke up.
.....

It all ended yesterday with one email.

and your really pretty girlfriend found out about this...

Ooh

Ha h

If I told anyone...

Y-You'd be in a lot of trouble, wouldn't you, Onii-chan?

Ha h

It seems Onii-chan's been through a lot too.

I... see.

Ha!
Ha!

We really shouldn't, but...

And that's why, we shouldn't be doing this...

Fl

Uuh!

What a perverted, helpless man...

But he's my one and only Onii-chan...

Huh?

Even though I just peed..!

You pervert...!

D-Don't lick me there...!

Ah! Aah!

Just wait...!!

H-Hold on!

No! No...!

Wha...

What wil you do if it goes in...?!

Not your boner...

No more!

Yuki...
When it's over...

It's so
hot...

I'll pee
for you,
so...

Ahn!

Ah... It's...
c-coming out...
again...

I'm...
peeing...

useless
like this...

Even
though I'm
peeing so
much...

and managed to dodge that incomprehensible punishment.

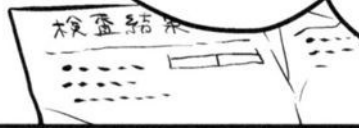

In the end, I brought Onii-chan's pee...

A few days later...

Ah... T-That's because...

why such a large amount of alcohol proteins were detected in yours?

We just received the urinalysis results, and do you mind explaining...

Aikawa-san, could I have a minute?

For your own good, I think you should take another test...

I must wrong about this, but... I can't help but worry...

Eh!

P-Please come with me to the infirmary at once.
