I get really excited when I think about all the people watching me do it...

Oh, I can't take anymore! I'm cumming...!

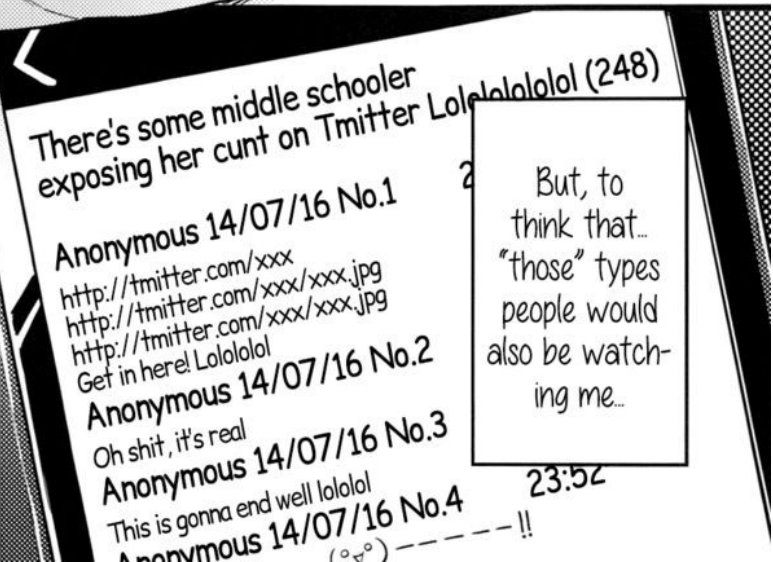

There are so many people looking at such an embarrassing part of me...! ♡

It's a fantastic way to relieve the stress caused by the chaotic lifestyle of a middle schooler.

At this point, I still hadn't the tiniest clue...

Sorry, but there's something I want to talk to you about. Do you mind?

I couldn't get it out of my mind when we were having club activities.

I doubt there are many of them.

The girl in the pic has the exact same moles as you, though.

Please... don't tell anyone...

I-I beg of you...

Guess I'll take these and stick them secretly on the school notice board, then. ♡

Oh well. If this isn't you, then that's fine.
