It's summer break, and my sister, Sumire, and I have come to play by the river.

It's a crab! There's a crab here!

Onii-chan! Look here! Look!

I'm quite proud of her.

There! Under that huge tree!

Waaah! This isn't protecting us from the rain at all!

It's "guer-rilla"!

It's a gorilla rain-storm!

Waaah!!

Anyway, let's try to find some shelter in the woods!

?!  
Her-!! Her shirt's become see-through!!

Wow... I am drenched...

Well, we're still getting wet here, but it's better than nothing.

Hah Hah Hah

W-Well... This type of downpour usually means it's just a shower, so I can't imagine it'll take too long.

Sigh... When's this rain gonna let up...

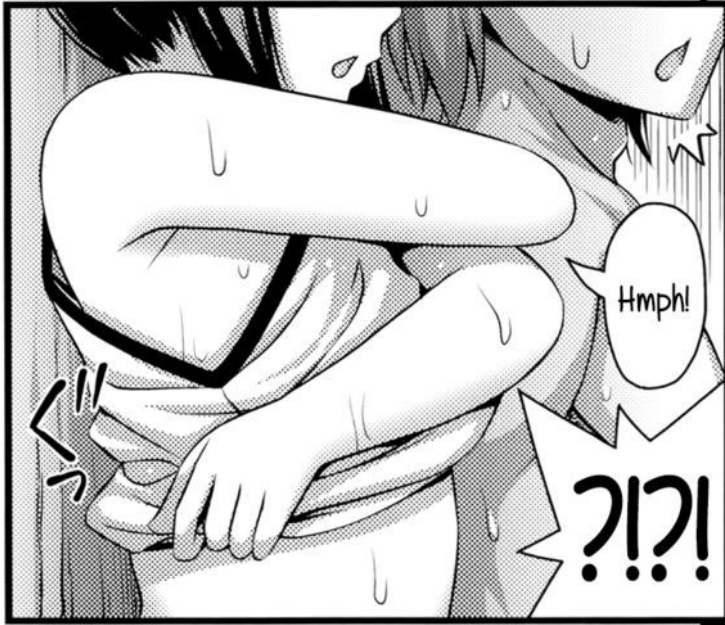

I'm freezing my ass off because of these soaked clothes...

Aa-ah! I hope it stops soon.

Damn it... Here I am, right next to my cute little sister with her tits just ripe for the viewing.

and the guilt is preventing me from even looking at them!!

Hmph!

?!?!

Huh? Uh... Nothing.

Why? What's wrong?

Huh? If I keep wearing these wet clothes, I'll catch a cold...

W-What the heck are you doing, Sumire?!

Wait... Huh?  
I'm the weird

C'mere for a sec.

I was already wet, so it doesn't matter.

But are you okay, Onii-chan?

My butt's making you all wet.

This is awesome...! It's like a dream come true!

Yeah! Really warm!

Well? Warm, isn't it?

Plus, this is warming me up as well.

So you want to warm up too, Onii-chan?

Yup.

In that case, we should stick closer to each other!

What do you mean?

What is?

You're my sister and yet, I only now just realized it.

It's weird, huh?

Haha... I'm such an idiot.

After having your hands all over me, you're not the only one getting excited.

...That kind of love...?

I know. You mean that kind of love, right?

...No, I don't mean that kind of love.

Sumire...

Do you want me to stop...?

Nah. I love you after all...

You know, if I put it in, we might be able to get even warmer.

Yeah...

...It's okay.

...Maybe you're right. ♡

Is that a yes...?

I really will do it...

Haha! You're such a perv, Onii-chan!

Of course it's gonna feel good if you do that!

Hey, Sumire, are you sure you're okay? You don't have to push yourself if it hurts.

Huh... She's moving surprisingly vigorously...

I-I see... That's fine, then.

Nah, I'm fine! Whenever I move, my insides get scraped and it feels really good!

She has such a tight pussy, though. What a mystery.

Uuh!! She's clamping down on me so tightly!!
