It seems
he's awake.

Good
morning!

Everyone
is ready!

He he,
He's
surprised

Good-
ness

My breasts
are already
giving him
an erection.

Lost in this
village, it
seems his
fate was
pre-
determined

His member is still twitching

He he

Looks like we can start milking it again.

So dizzy after just a little bit of paizuri?

You'll have to overcome an entire evening of paizuri.

Per-vert
You per-vert

Awe-some

Now that he's this big, he'll probably die this time.

Ooo

Is this already too much for you?

Your penis is so taut.

Don't fret.

Now...

Sooner or later, we've got to begin.

My tittyfucking will squeeze you to the last drop.

Well, well,
well.

If it isn't
paizuri...

Don't
worry

He's in for
quite a
day...

You came
just from me
enveloping
your penis
with my
breasts?

Regardless,
you will
continue to
cum until
you die.

ぬふん♡

SQUISH!

SPLAT!

SPLASH!

Uguu...

In the beginning, right there...

Huh?

That's not all of it?

Now use your favorite pair of breasts.

Well what'dya know.

As I suspected,
you like direct
insertion.

...
Like a
toy...

That
was
fast...
You're
cumming
already
...

Premature
release
from our
pervert...

Do you
want to
jizz?

How
do you
like it?

Do you
think I
have
the best
breasts?

Cum
between my
tits? You
wanna?

You
came so
much...

Spill into my
cleavage...

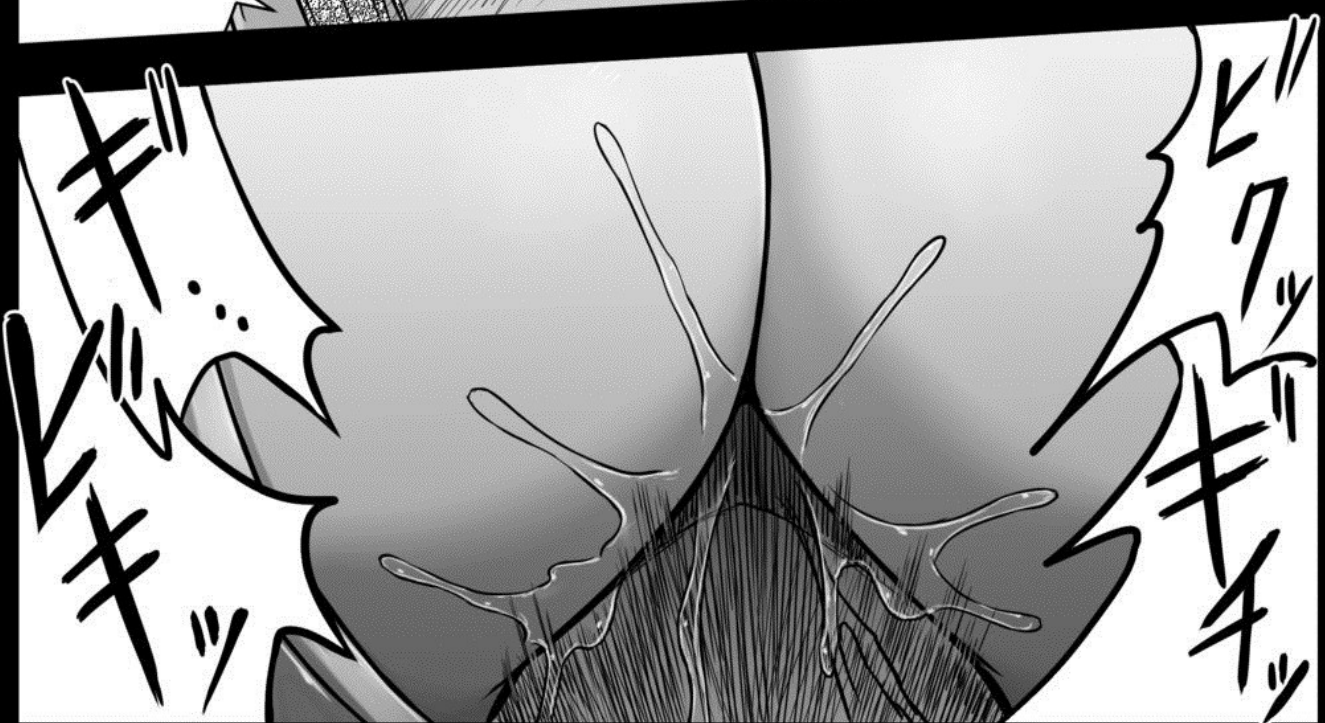

Until the
very last
drop...

There's so
much cum
in my
cleavage.

My breasts
coaxed the
most out of
him.

Just like
I thought
...

Huh, it's so
easy to tell
what he
enjoys
most...

I see...

Then I
should
move
them like
this...

7"
7"
7"

There
it is!

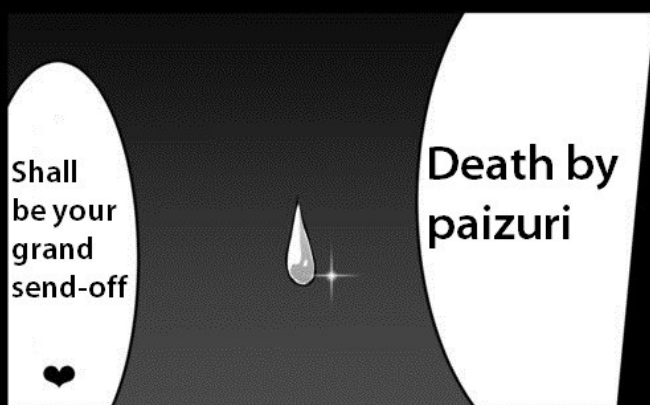

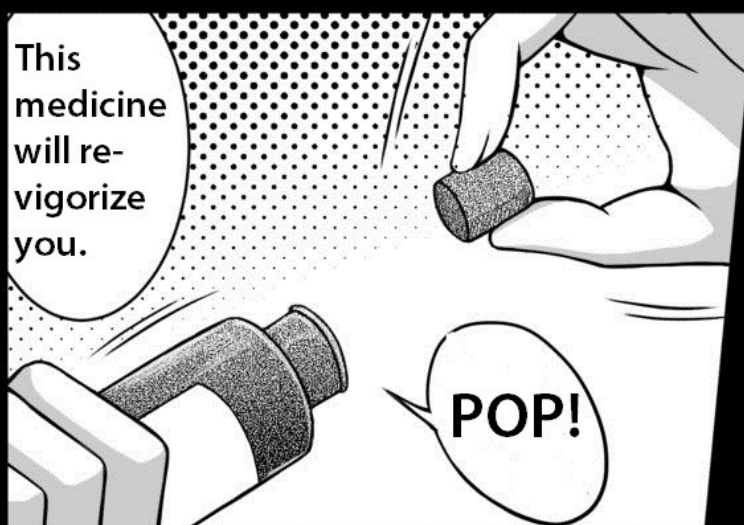

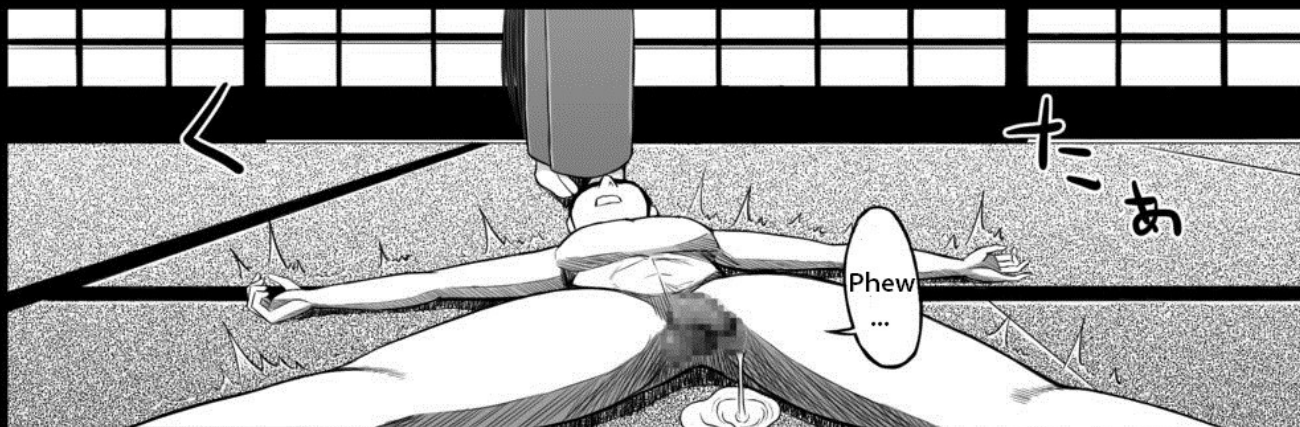

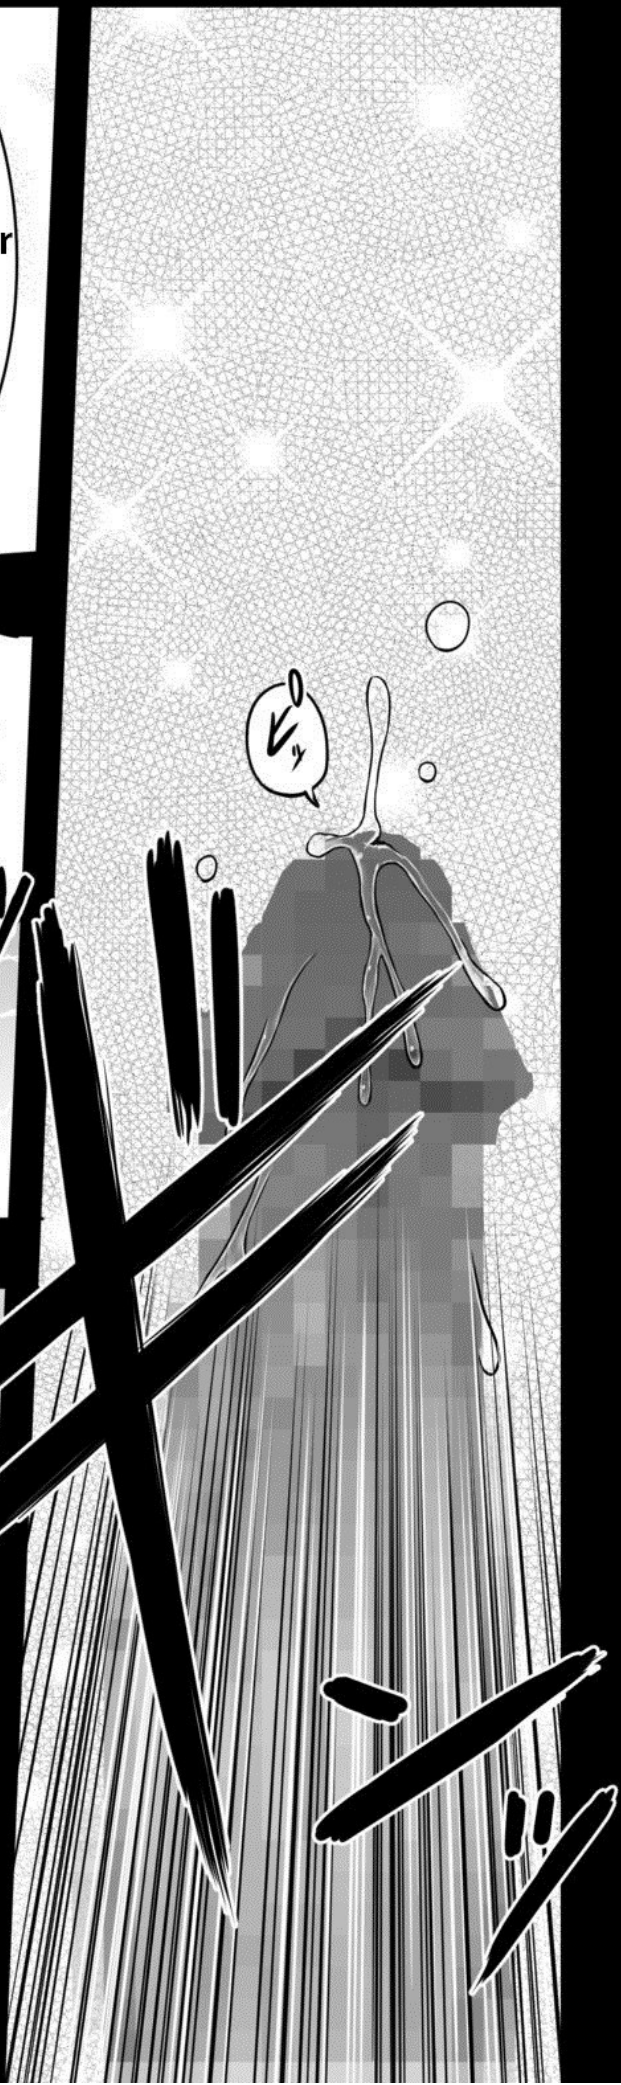

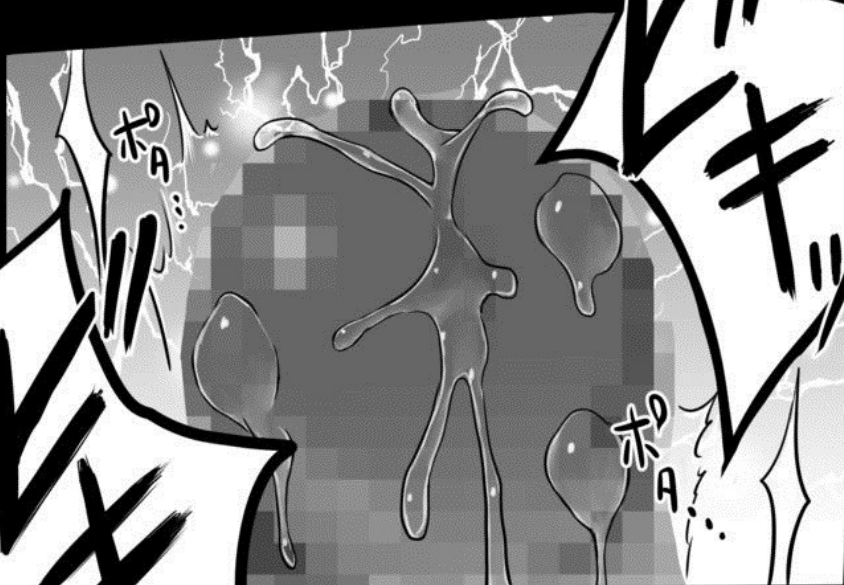

Just as I
thought,
I've got a
pair
of grade-A
tits.

Looks like the
medicine
worked like a
charm!

His penis
has been
revitalized!

We've made
a titty
sandwich!

Uh-oh!

There's no
escape now.

He's not
against it
even if he
doesn't die
between
mine?

Uguu

He came!

Awesome!

So much so quickly!

...
**WE
WILL
FINISH
HIM!**

And now...

Last but not
least...

With our
amazing
breasts...

Finally,
the time
is here!

I will let
you die by
my amazing
breasts.

I want to
join in
too!

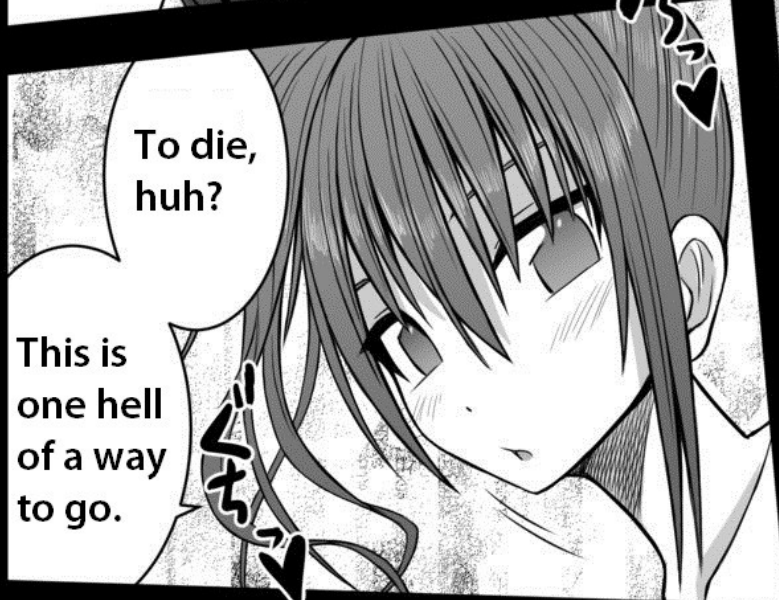

**Paizuri
time!**

Almost
time to
die?

Hey
hey ♡

To die,
huh?

This is
one hell
of a way
to go.

Die
happy
♡

Die from
my breasts,
die between
my cleavage

What
a pervert
♡

Enjoyable?

How
is it?

Isn't this
paradise?

I'll make this
even more
pleasurable!

Are you
enjoying
this
treatment
from my
first-class
breasts?

Release
that
no-good
semen

Ooh,
Right
there ♡

And so
you die...

Definitely
in a good
way

Ready to
die?

.....

I-It's over
already?

I wanted
to have
more fun

Even while
dead, he's
jizzing
between
our breasts.

Whoa

I've
changed
my mind

Cumming,
even in
death?

He's still
cumming

A-ah

He really
died from
paizuri

Uh-huh

It was a bit
too much
pleasure

We broke
him.

The
poor guy.

Not
enough

It looks like
we give him
too much
medicine.

He's stopped
moving?
