HISSIA

This is the landlord, a mild-mannered woman who goes out of her way to help others whenever she can. She believes that women should help men even in bed if need be. She seems masochistic because of this when, in contrast, she has a sadistic side. While she's old-fashioned on one hand, she hides plenty of insightful life skills befitting a wise old lady on the other.

Younger Sister Honoka

17 years old T 157 cm
B 88 cm
W 58 cm
H 84 cm

The younger sister is lively and aggressive. At school she is the tennis club's vice-president and is depended on by her peers, but at home she is a spoiled brat who lives off her elder sister. She is also aggressive when it comes to sex, but she is very sensitive, so she comes fast. Consequently, she always wears herself out before I do and leaves the rest of the work up to me. She helps out her elder sister at times and is pretty good at cooking. She hates homework.
