

I would be if I wasn't so hungry...

So, are you happy now?

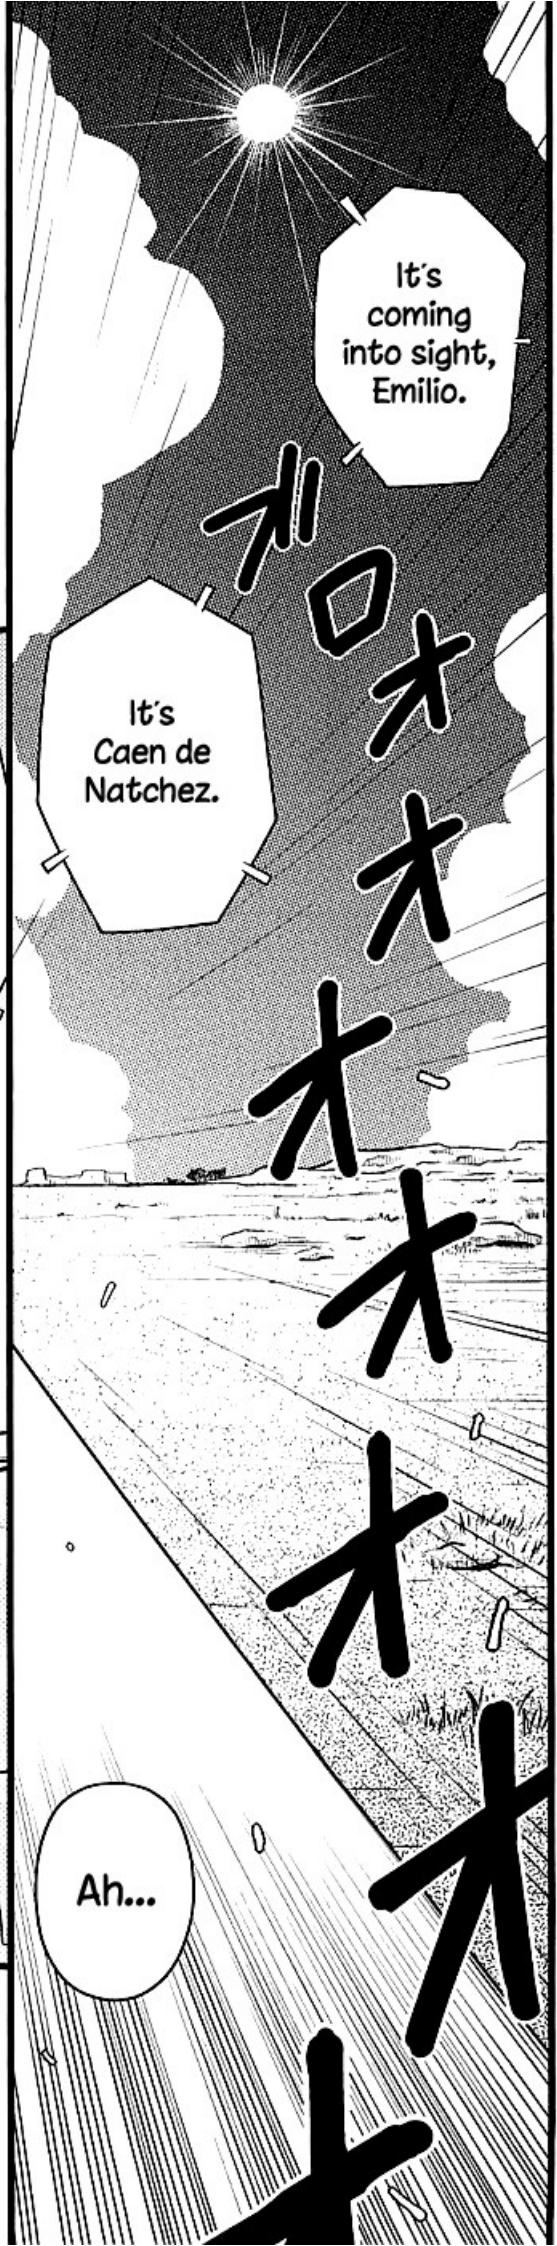

We should reach Mexico city tomorrow, around this time.

By the time we get there, the festival should be in full swing.

So your stomach won't have to hurt for long!

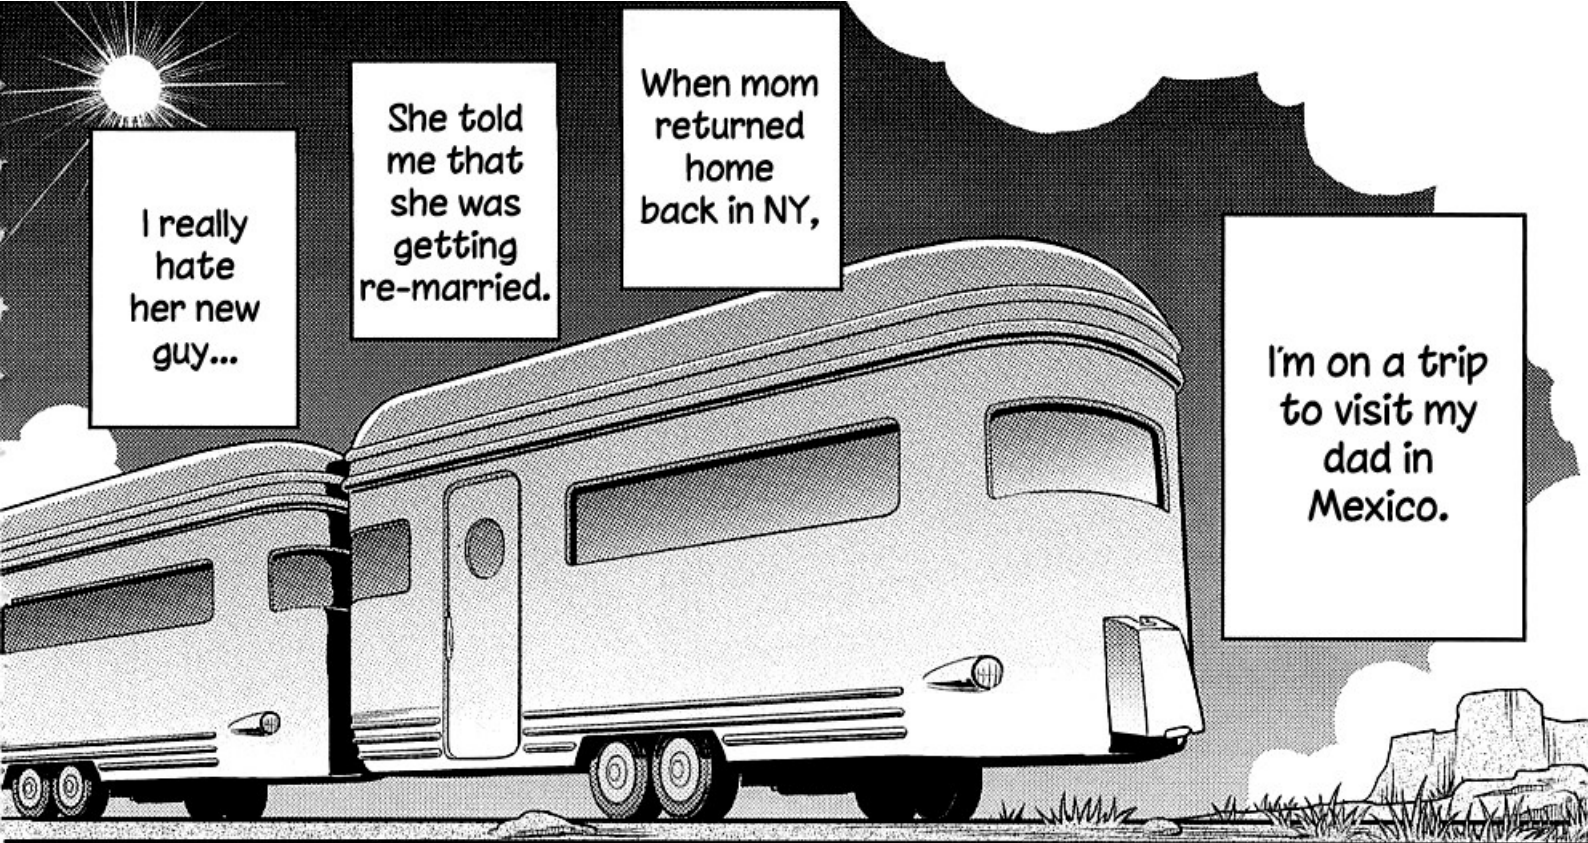

I'm on summer vacation this year...

It's coming into sight, Emilio.

It's Caen de Natchez.

Ah...

I really hate her new guy...

She told me that she was getting re-married.

When mom returned home back in NY,

I'm on a trip to visit my dad in Mexico.

Two rules.  
No whining about the food.

And stay away from the back compartment.

Mexico City is close to where I work.

Wanna ride?

This is Chris and that's her trailer.

No going in there, you say?

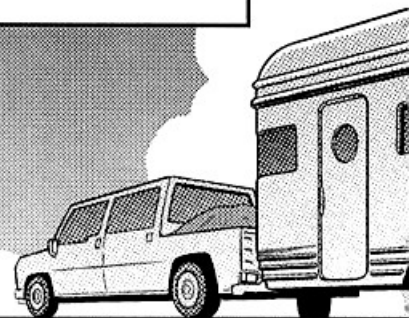

# ENDLESS SUMMER VACATION

田孫天国

Half-way through, south of where I was, a car was stuck in the middle of the road...

So I ended up hitchhiking to the west.

I really don't get why mom is into that guy.

There's gotta be something else to eat here...

Thanks!

No-

Nothing!!

Hm!?  
What did you say!?

Since I was in the wilds under the hot sun, I didn't have much of a choice...

We were starting to think you wouldn't come this year.

Chris, you're slow!!

The smell of food...

As if!

There's booze waiting for you!

Can't wait then!!

I'd never skip out on all that money-  
And all of the fun my partner and I get to have!

Well you didn't last long...

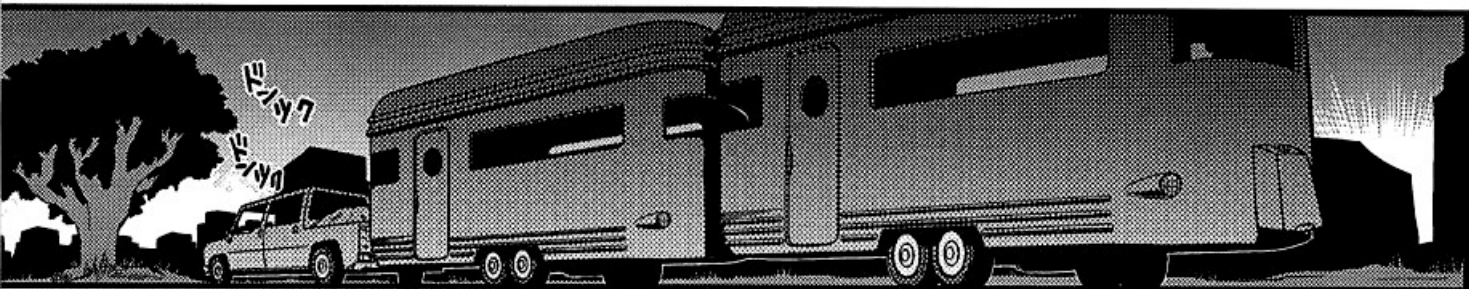

Ah- You can't just drink that on an empty stomach...

No need to rush with the food!!

The festival had just begun-

!?

Is this the back compartment!?

...hm?

Pr... prostitutes!?

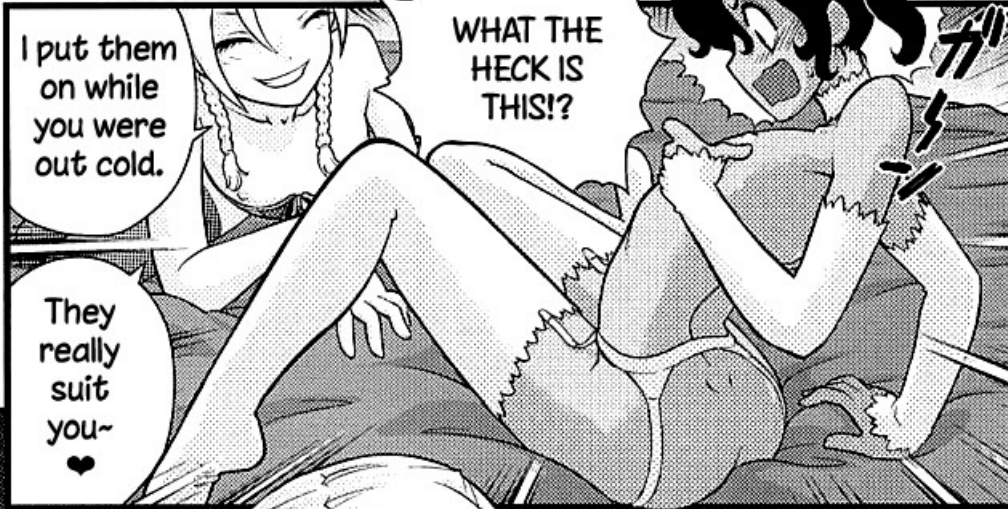

And this trailer...

Why am I wearing these...

Ex-plain!

I put them on while you were out cold.

No way...

My mind simply went blank from all of it.

The truth is that in the end I really did feel...

They had kept on fucking us until it was already daylight outside.

The room had then become filled with the smell of sweat and cum.

I really  
did feel  
happy...

Like this was  
where I  
belonged.

THIS  
WILL  
DO!

GOOD  
BYE!

I can give  
you a lift  
to your  
dad's  
house.

You could  
still be  
tired  
from  
last  
night...

SHUT UP!  
JUST  
LEAVE ME  
ALONE  
ALREADY!!

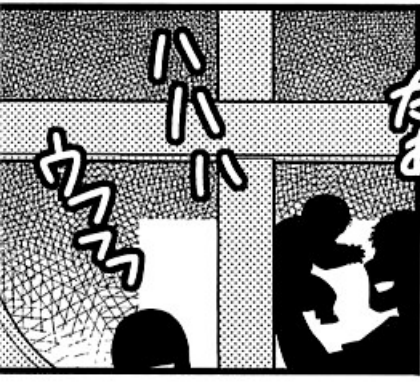

So you're  
really  
fine  
with it  
here?

I have to forget all of it!!

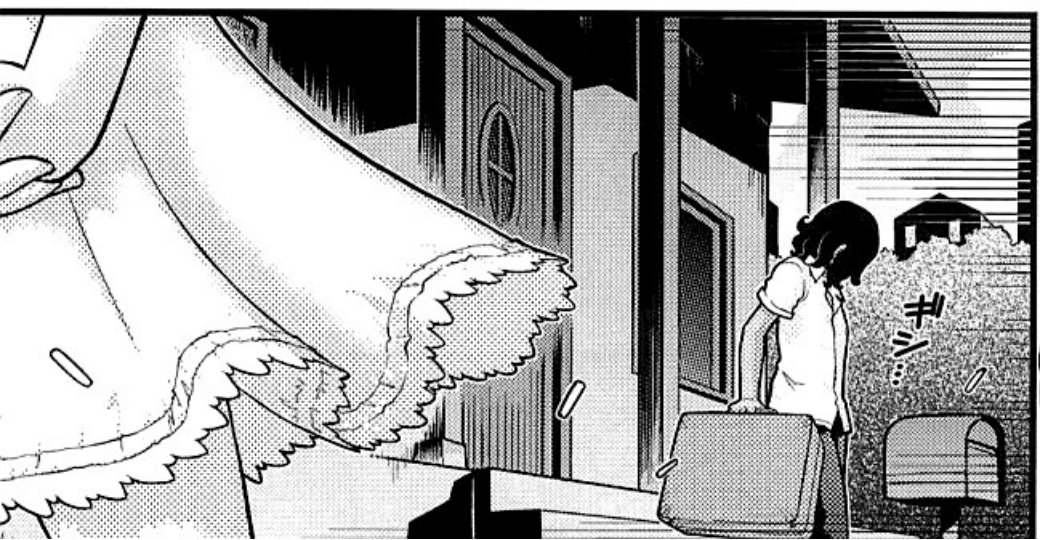

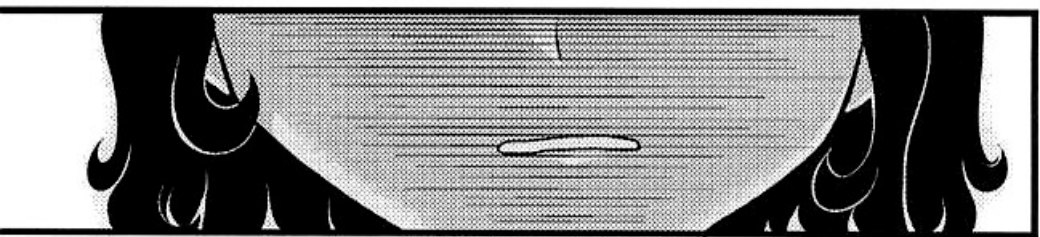

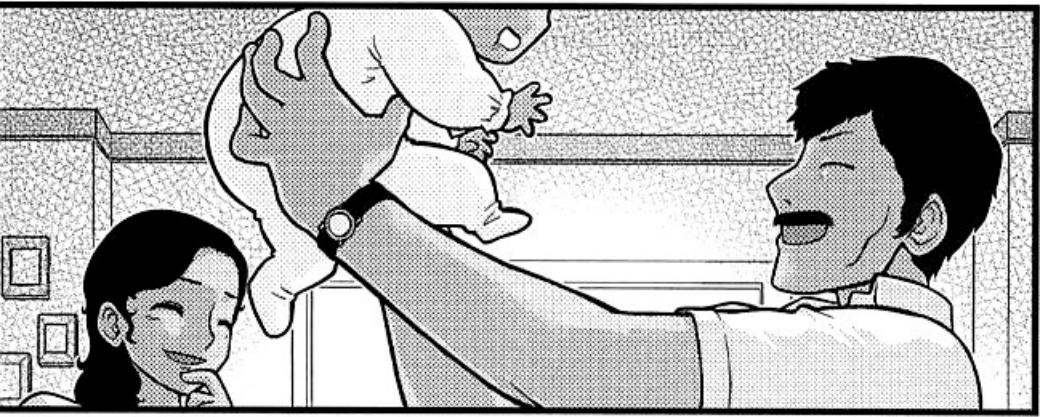

And that situation with my mom.

I have to forget! Everything that happened last night...

This is so nostalgic... After all these years...

I wonder just how much dad is going to be surprised...

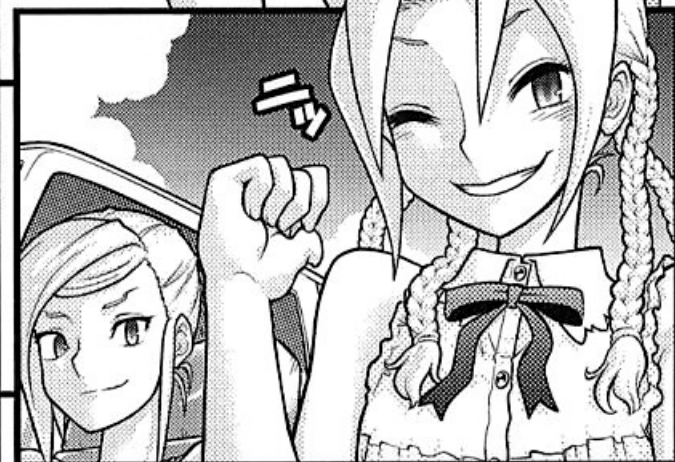

Ha

Hah

Hah...

So, you  
wanna  
ride with  
us?

Wherever  
your heart  
desires!

But,

Where  
to?

Ahha
