Saint Foire Festival

The festival to celebrate Saint Foire's anniversary. It's said that if two lovers share a kiss on the saint's day they'll be sure to reach happiness and be tied together for all eternity.

~Cecil Rogavalf~

The son and heir of a welsh feudal lord.
In order to stop the boundary quarrels with their english neighbours he took a girl of their family as his bride. Unfortunately more and more accidents happened, and a year later they're still waiting to be married.
Despite his disappointment for Olwen's looks and english origins he didn't feel sad for himself, considering their relationship to be merely diplomatical.

Though he regretted violating Olwen over a misunderstanding, he found himself unable to resist her provocations, and much to his despair, the two developed a close intimate relationship.
His favourite type are blondes.

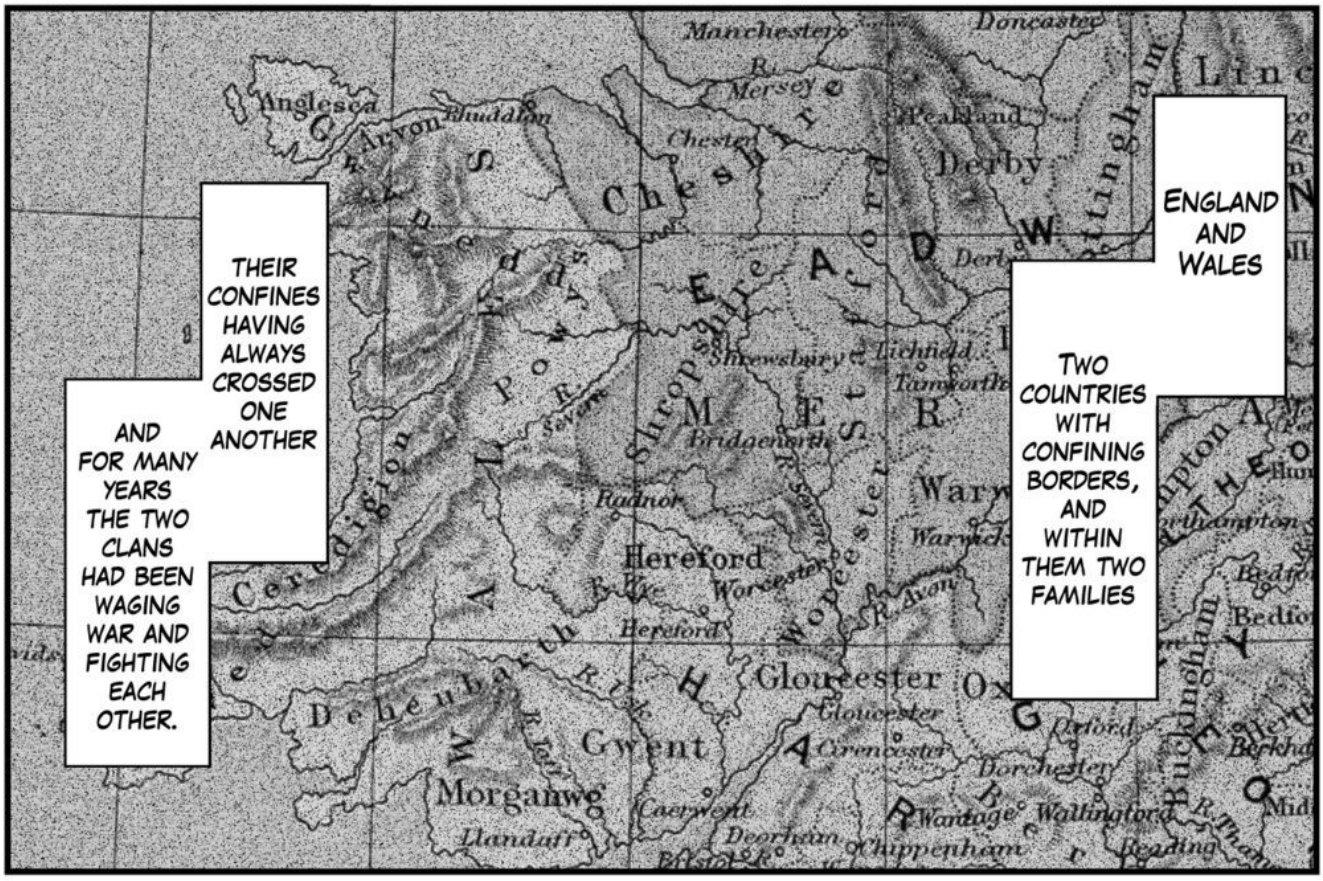
~Olwen Aquinas~

The daughter of an english landowner whose confines border with Wales.
She inherited her darkened skin and hair from her syrian grandmother.
Initially engaged to Cecil as a pawn of the truce, she immediately took a liking to him and now eagerly looks forward to their wedding.
While proposing to share a Foire's kiss with him Cecil mistook the saint for a previous lover, and violated her in a fit of rage.

Aside of the execution Olwen feels happy that they got to share a kiss on the Saint's day, but Cecil's careless attitude towards their late marriage is making her restless and unsatisfied.

Bertram (Eve/ Evelyn) and Gowen (S.F.F/ Richildis) are both her brothers.

"Saint Foire's Festival/Eve - Nest" is the next episode after "Saint Foire's Festival/Eve - Olwen 1, 2. 3". The story is pretty clear as it is, but for a better understanding of the events it's advisable to read the Olwen chapters first.



ENGLAND AND WALES
TWO COUNTRIES WITH CONFINING BORDERS, AND WITHIN THEM TWO FAMILIES
THEIR CONFINES HAVING ALWAYS CROSSED ONE ANOTHER
AND FOR MANY YEARS THE TWO CLANS HAD BEEN WAGING WAR AND FIGHTING EACH OTHER.

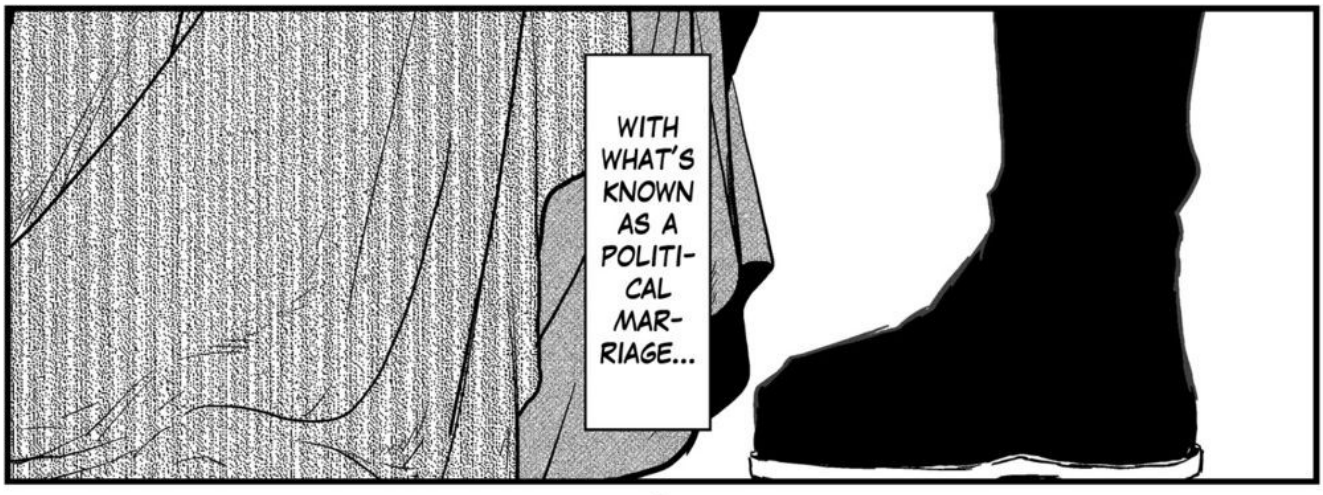
BUT THIS IS ALREADY AN OLD STORY
WITH TIMES CHANGING, THE TWO FAMILIES HAD TO EXTEND A HAND TO THE OTHER
TO ENSURE THEIR CLAN'S SURVIVAL...



WITH WHAT'S KNOWN AS A POLITICAL MARRIAGE...

AND SO THE GROOM DIDN'T SHOW MUCH CARE FOR THE BRIDE HE'D TAKEN AS A HOSTAGE OF THIS TRUCE...

AND IF YOU ADD TO IT THE NUMBER OF MISFORTUNES THAT DELAYED THEIR WEDDING A WHOLE YEAR...

OLWEN AQUINAS

BUT, THIS IS STILL AN UNION BETWEEN SWORN ENEMIES

DEPENDING OF WHAT HAPPENS, WHO KNOWS WHEN YOUR PARTNER MIGHT TURN BACK ON YOU.

CECIL ROGAVALF
(WELSH)

WITH THOSE WORDS NEVER LEAVING THE BACK OF HIS HEAD,

BEFORE HE KNEW IT....

HE CLEARLY REMEMBERED THE PROMISE HE'D MADE TO HIS FATHER, THE FEUDAL LORD:

"DON'T PUT YOUR HANDS ON THAT WOMAN."

"YOU MEAN THAT THING WHICH CHRISTIANS CAN'T DIVORCE FROM A MAN AFTER SPENDING THEIR FIRST NIGHT TOGETHER?"

....WELP.

THIS CHAPTER HAD A FEW SIDENOTES HERE AND THERE,
I COULDN'T FIT THE TEXT IN THE PAGES SO I'M DOING THEM HERE:

- PAGE43: "CAMRY"... THIS IS HOW THE PEOPLE OF WALES REFER TO THEMSELVES IN THEIR DIALECT. "WELSH" WAS THE TERM USED BY FOREIGNERS AND SETTLERS.

- PAGE73: "SARACEN".... MUSLIMS.

IN THIS CHAPTER THE WHOLE "HOSTAGE OF THE TRUCE" AND POLITICAL SUBSETTING GETS DEFINITELY TOUCHED ON, TOGETHER WITH A NUMBER OF SMALL THINGS (OLWEN'S TANNED SKIN, CECIL'S STORY OF LOSING IT WHEN HE'S ANGRY).

ABOUT CECIL'S SURNAME, HOPE I GOT IT RIGHT.
MY LIST OF ANCIENT NAMES (YES, WORKING ON THIS SERIES BASICALLY FORCED ME TO GET ONE) DIDN'T HELP MUCH, SO I CAN'T REALLY PROMISE THAT IT WON'T BE SUBJECT TO CHANGE IN THE FUTURE. SHOULD BE FINE.

SEE YA NEXT TIME,

HOPE YOU ENJOYED
THE READING.
