The scale's really hard, though...

Yeah.

It's the song our chorus club is singing in fall's chorus competition!

Can you sing it for me?

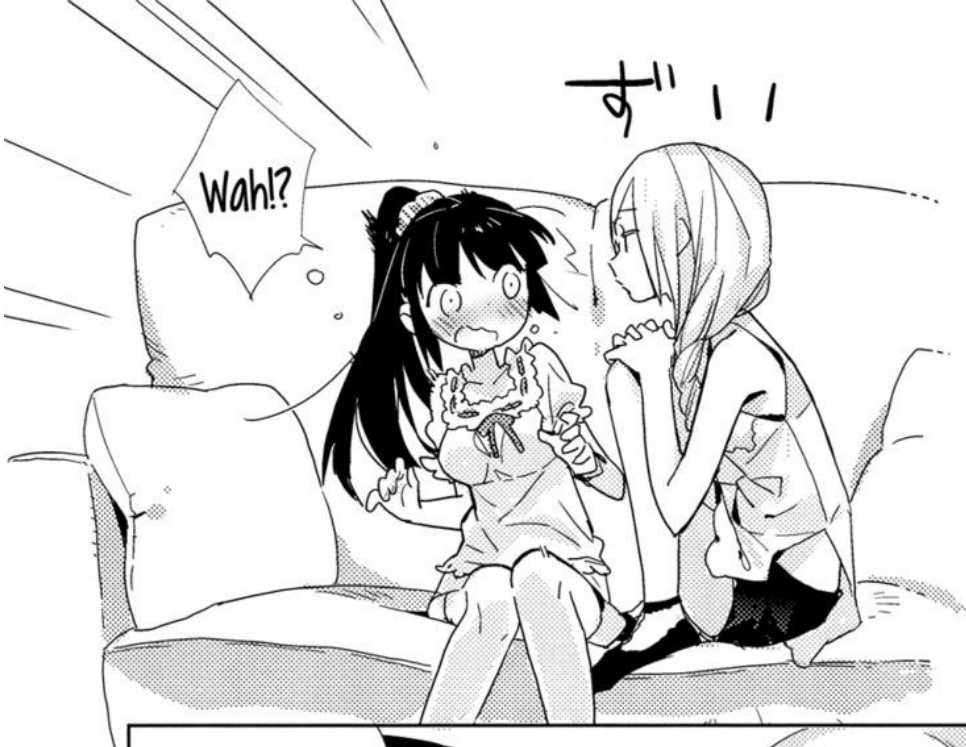

To their meaningless whispers

The sound of snow and rain

I stand there, without a word.

Wah!?

Something like that...

How do you sing like that with this petite body of yours?

Except your chest...

Such a beautiful voice.

What I meant was...

This isn't a bad place either.

Do you regret coming here?

You had a lot of middle school friends from Tokyo, right?

Hm.

Sorry for being nosy-

Akasaka-san?

Did you want to come here,

And I am a little sad about having to leave my friends.

I had planned on going to a high school there.

Then you're-
