She's shy and suffers from stage fright

Hyuuga Rinka the national idol is not actually suited to being an idol.

and because of that, she gets so nervous in front of cameras, she can't do her job properly.

But one day

Because you came inside,

I had to try so hard to keep it from coming out!

Throughout
all that,
we got
closer to
each other...

And so I
tried many
things
to
help her
improve

She came
to me
for advice

"I want to
change
myself-"

S-so,

I think that
if I undergo a
very
embarrassing
experience right
before I perform,
I will be able to
ignore
everything else...

she
suddenly
said
that

Daisuke-
san

Just as
I was
running
out of
ideas,

Will you...

embrace...
me?

I know
I shouldn't...
but I

I was
surprised
by this
suddenness

And after
sex she was
in prime
condition,

came to
like her-

and could
perform
normally
in front
of the
cameras.

However-

Furthermore,
her girlishness
was brought out
and she
very quickly
became a
national idol.

Even now,
her
stage fright
remains
uncured...

And as backlash
from after
the performance,
she gets
horny again

Mnnn

Mmph!

Ugh!

Let's stop...
doing
this kind
of thing.

Sigh~

(TL: Muffled for obvious reasons)

I was
wondering
what you
wanted to say.

Rinka-chan,
stop for
a bit.

What,
geez~

my breasts
feel good.

Make

-Let's stop
already,
Rinka-chan.

Daisuke...

ほっ いーん

this isn't good
after all -
if you need sex
that badly,

I'm just
your manager.
Even though
we ended up
like this,
but

-I
don't
want
to.

go find
a real lover
or
something.

I...

I couldn't
say it
until now.

Eh?!

Don't want it
if it
isn't you,
Daisuke!

I
want
you!

That's...

I like you,
Daisuke!
But...

Me
too...

Dai...
suke?

Rinka!

Kyhhh!

Idols
can't have
boyfriends.

That's why
I was so
irritated
with this
half-assed
relationship.

I always...
always
liked you,
Rinka-chan.

Mngh

and
pussy,
all of
you...

Ah

Rinka's
breasts

Arghh

I wanted
to
make
mine!!

for a long
time now,
Daisuke.
♥

I have
been
yours
alone

Idiot...

Your pussy
is wetter
than usual,
Rinka.
