Besides, from
the perspective
of sperm it's an
entrance, you
can't argue
with that!

If it's
a place
I can put
something in,
then entrance
is fine!

Uuuh...
well-

But isn't it
more like an
exit when you
think about it?

Hang on-
you call it an
'entrance'...

THIS IS A LITTLE EXPERIMENT TO SEE WHAT HAPPENS WHEN I PUT THE TUBE IN ALL THE WAY.

AREN'T YOU DOING THE ENEM-.. AAAH!

OH, YOU THOUGHT THIS WAS JUST TO GET YOU CLEAN?

UFUFU... I'M JUST ABOUT TO PASS YOUR COLON NOW-

MMH... IT'S... BIGGER THAN LAST TIME...

SEE... IT'S ALREADY ALL THE WAY UP HERE... HMN, THIS MIGHT BE A LITTLE...

IT'S CONNECTED DIRECTLY TO THE SHOWER, YOU SEE.

SO THE WATER PRESSURE IS MUCH HIGHER THAN USUAL!

u.. UUUHH...!

IT'S THE FIRST TIME YOU'VE HAD IT IN SO DEEP HMM?

POWERFUL, ISN'T IT? CAN YOU FEEL IT HERE MAKI, JUST BELOW YOUR RIBS?

Aah ah! GUGU ah!

UPUPO,
it's really
starting to
swell up nicely.
But we're not
done yet!

Hey, hey, can
you feel how
far inside the
hose is?

Although, it's not an easy place to reach....

Yeah!

If we just keep Pilling you up as we go along I'm sure we'll get there~

Yeah

Shall we see if we can get right to the end of your large intestine, hm?

If you touch it then you can feel it inside right? Pouring water right into your colon.

That's pretty much a Pull 40cm inside you now!

Wonderful!

...yanno,
when you
see it in
the video...

It doesn't
look like my
tummy's
shaking half
as much as it
felt like.

True, but you
were all Pull up
with water last
night, so it's
hard to tell...

Normally, even from
the outside you can
tell what's reaching
where, right?

Not-
at-
all~!

Mmn
Don't you
think we
overdid it
a bit last
night?

Bear with
it, it's still
flowing into
you!

Maybe
we should
test that
theory of
mine?

Oook,
the tip's
already up
to here!

It's a special lesson just for you, Maki-chan.

Things like this just aren't possible at the school infirmary.

If you weren't 'hospitalised' at my place there's no way I could let you do this.

Take a seat? You can do whatever you like with me.

Eheh... It's actually a little embarrassing to spread my legs again.

This way, you can find out for yourself what's going on inside.

UPuFu~
go ahead
and put a
finger in.

Can
I touch
your pee
hole?

Just let me
use some
lotion first.

I've
never
done it
before...

you have any
hair growing
down here?
Even though
you're an
adult.

I had laser
hair-removal,
but it was
pretty
painful!

Since they're your little Fingers Maki, you can put a couple in no problem.

Ha-...

Yeah... Some pee might come out though...

Uuh... It's kinda dark and hard to see, but...

...How is it?

Can you see inside?

is the inside of my bladder.

Eheh... what your fingertip is touching there,

Ehehe... you know...

So yesterday... What was in here came squirting into my bladder, right?

...a special kind of sex only we can have!

This is like..

That's right!

I mean, wasn't that totally a confession of love just then?

Was not!

Damn, if only I'd set the camera up!

...ERM?

So thank you.
♡

The only person I can do this with is you, Maki-chan.

Well... ahem... in any case, being your 'patient' in this sort of way..

W-... well...

I guess your asshole, too?

Hey hey, don't go all bashful on me?

In this perverse situation

Is it really okay to stop at my peehole? Don't you want to see my stomach move?

I'll tell you what to do, so go ahead and put your arm in all the way!

I never saw it this close up before...

oneechan's... bottom, her poop hole. ♡

Mnn...

It's actually kinda cute...

UPuPu... your ass and urethra are just the same too you know, Maki!

It's so hot.. and soft... and it's squeezing my hand...
It's like having my hand inside some warm jelly...

Down there

Well then, There's just one other special place left to explore, hmm?

HMMMn... ah yeah, that's my large intestine. It's the same for everyone.

After here it goes all wriggly...

You do take science, right?

Sex education is like preparatory learning about your own self.

Fufu.... it's important to be knowledgeable.

Uu... uh, yeah...
I pretty much already knew everything though.

You had sex education lessons at school this year, right?

It's the entrance to the place where babies are made.

H-.here? Um... your uterus, I think.

So... what's that you're touching right now?

It's the entrance to.. ?

Besides, from the perspective of sperm it's an entrance, you can't argue with that!

If it's a place I can put something in, then entrance is fine!

It's not a place you can just open straight up and put things in.

Sorry, I just wasn't ready for that!

Huh... It's not soft at all!

Huh...

So unfair! With me and the others you always just stick things in whenever!

Time to change places!

Huh?

Haha, sorry about that... this time I'll make sure to slowly stretch your uterus open nice and wide!

Isn't this pose different from yours?

UMM... Sensei...

Anyway, let's start with yesterday's big success.

ta-da!

Well, nobody wants to be watching me at the film showing!

And no fair! How come you're recording now?!

Oh, is that so?

Actually, I think everyone kinda would!

my pee hole...

it really kinda

Thank you very much for buying this wacky book

To the newcomers and to my regular readers both,
hello, my name is Ogu.

After somehow dragging on for half a year, I've finally got this out.

In previous works in the series, little by little, questions have been asked of Sensei of why she loves (most especially) urethral play, why she only ever wears glasses during sex, and so on. In the upcoming volume covering Sensei's past, all will become clear.

In honesty, I haven't thought about it much myself yet either.

The only thing planned so far is that the young Sensei is an elegant,
rich girl.

I was really going with the flow when I drew it, so just who is that at
the end?

To all the good children of Japan: Don't try to copy the things in this
book or anything! You'll die!

(The characters in this book are receiving specialised guidance from an
expert in the field)
