The race
started

Stop

out!

Kotone!

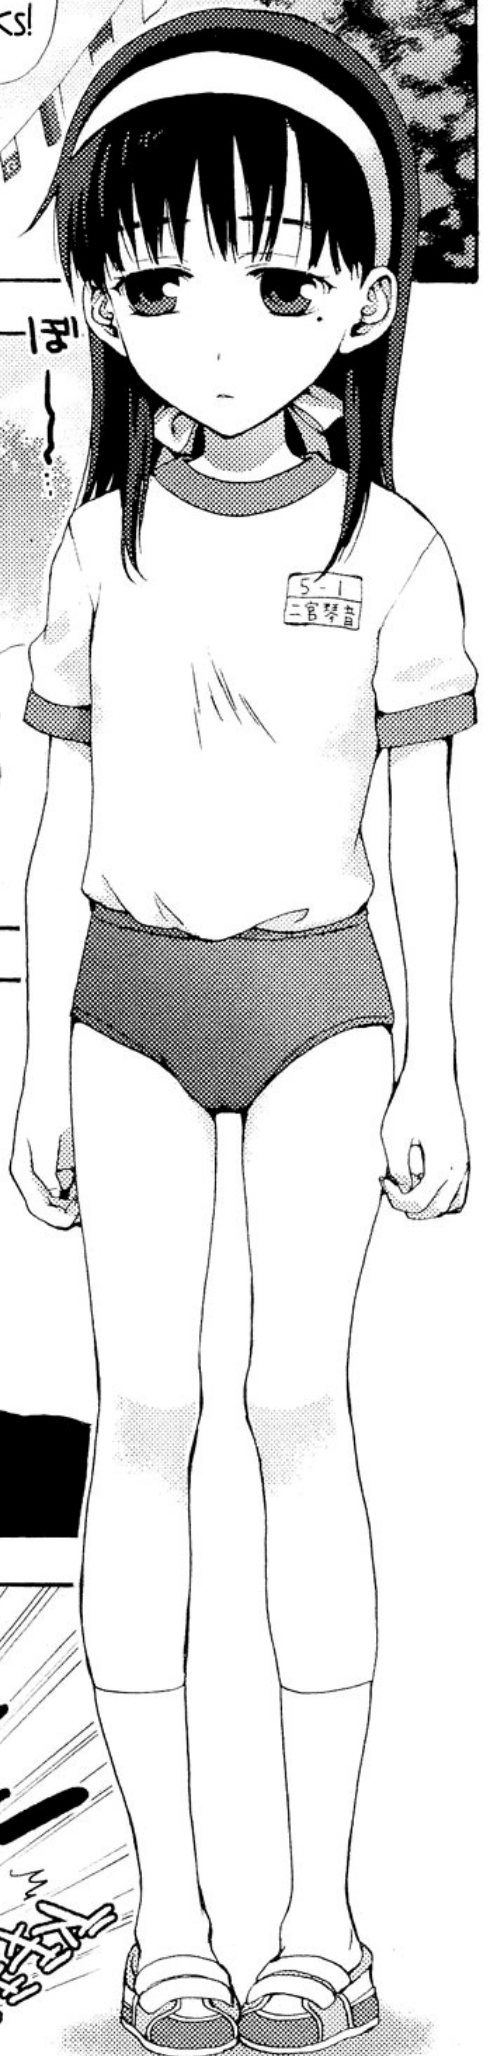

The finish
line is that-
away!

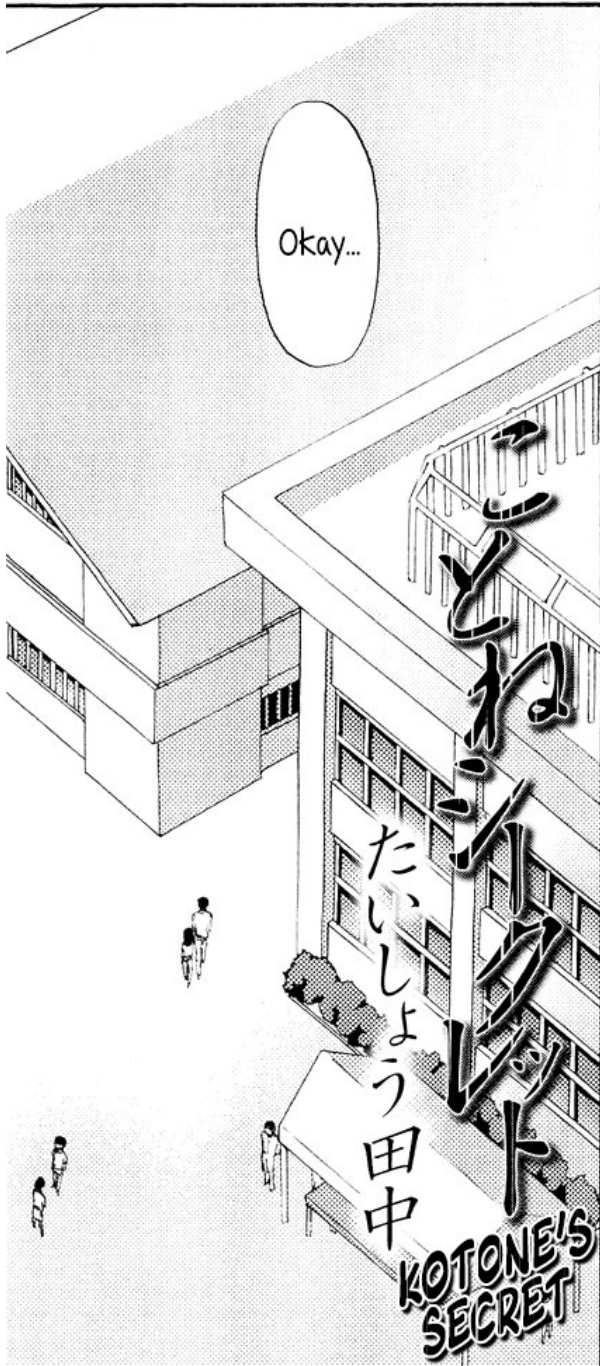

Don't
look
at us!

Ah

In the race earlier...

did you get excited because of all the people looking at you?

Don't tell me...

Did you start late on purpose just for that?

I can see them popping out from under your clothes!

Look at 'em, they're as hard as rocks!

Huh?!

How do you explain these erect nipples, then?!

Don't lie to me!

N... No...!

That's not...!

Hn!

Did that feel good, Kotone?

Well?

Looks like he's gone...

Alright.

heart's
content,

Kotone.

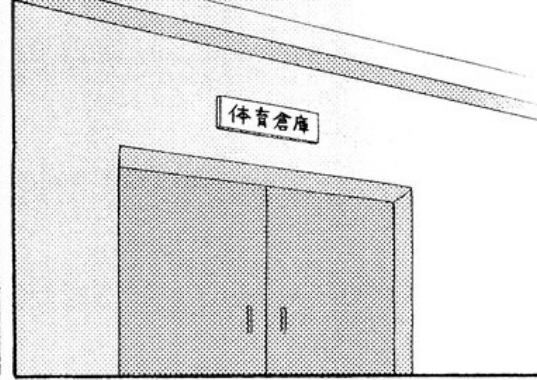

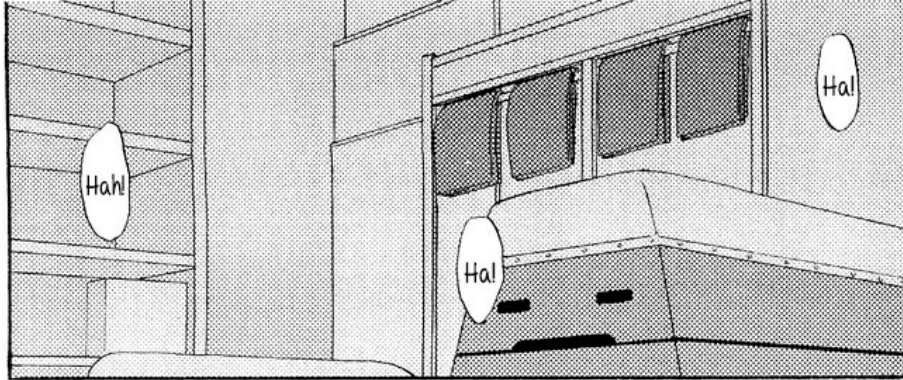

Please

I'm
at my
limit!

Turn...

into a
ravaged
wreck...!

I love it...

This time,
I'm doing
this hole!

Not to worry!

We'll use this to plug it up!

Hyah

My pussy will go numb too!

Your semen! I can't stop it pouring out!

If you're that rough on my butt!

Ah! Shtop!

My butt and pussy are both so full!

Oh gosh!

This feels way too good...!

I know it's not exactly the same as having an entire crowd ogling you, but...

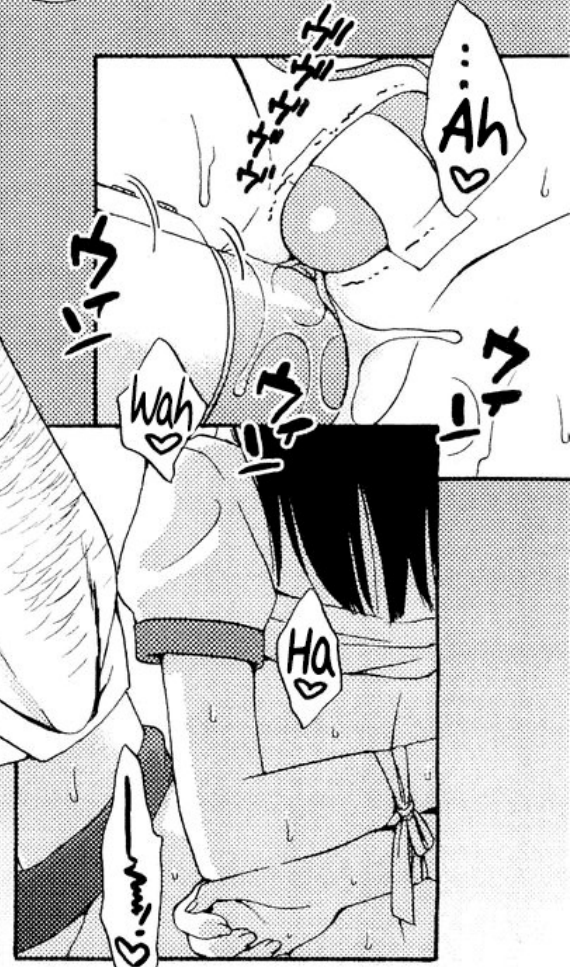

Think you can be satisfied with just this?

Well, Kotone?

What's it like having your body teased from head to toe?

I'm going to cover you in vibrators.

Oh, we're not done yet.

Dish ish amashing...!

Yesh!

I can't stop cumming...!

I'm going mad!

I'm going to give you immense pleasure!

As a reward for being so honest...

See, when your brain is deprived of oxygen...

the pleasure you feel increases many times over.

Does it hurt, Kotone?

Well, try to bear it.

...

A little longer and, be it you or the boys in my class...

I thought I would end up raping everybody in sight.

Back there...
I was honestly pretty close to the edge...

If you hadn't done it with me...

You better save me from myself again next time, you hear!

I have an abnormally strong sexual appetite.

Inherited entirely from you dad!

I was in a blind daze when I raped you! ☆
Ha! Ha! Ha!

I was about to reach my limit too, you know?

That's my line!
