Two today,  
I think.

Hey, mister.  
How many are  
you buying  
for today?

それは、夏がロリコンに見せた夢。  
...きっとね。

Fuuko-  
chan, were  
you waiting  
long?

Well,  
let's get  
started!

Erm...  
I should  
take a  
shower  
first...

Oh, you'll  
take one once  
we're done  
anyway, so  
what does  
it matter?

I made  
some iced  
tea.

Okay.  
Say,  
who's  
this?

My wife...  
Well, ex-wife,  
anyhow.

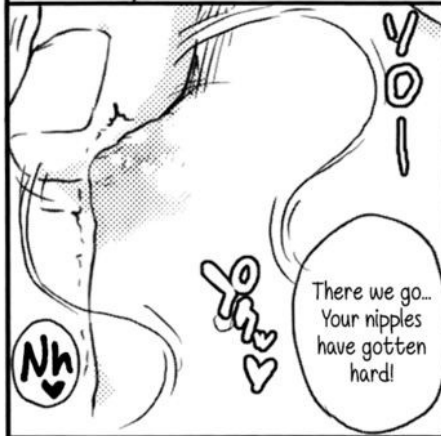

Okay!  
That'll  
be fifty  
thousand!

Let's go  
to my place,  
it's nice and  
cool there.

Make  
yourself  
at home.

We can't...  
really do it  
here, I don't  
think.

overflowing~!

dripping too!
