Student people like me usually hangs around there after school. It's a good place to hang around

In the center of the town there is a shopping street. It is always crowded there , but I Love it.

My name is Hitomi and I live in this small town. A normal little town

Well guys, it was fun hanging around, but i have to get home. See you tomorrow

I actually come from another galaxy. My star is outside of the Milky Way. I lived all my life wondered if there were a stars similar to our's and I found it Earth. Do you have natural-organisms that are similar to our's? I was scared when I first came here and saw you guys. Your bodysize differ our's. You earthlings look just like us just smaller...
