園児のための新しい教育

A new education for the sake of the kindergartners

Angel Kindergarten Lap Pillow!!

This new education I've concocted is going to teach me to be more like myself!

the unreliable person that I am...

Confronted by a child's independence...

Re-education!

will, of course, be compelled to grow up...

天使のひざ枕!!

Takayuki-sense!

Good boy! Good boy!

Aah! This is bliss...

!!

!!

Feeling better now?

Ehe he!

The fluffiness of your lap is healing me, Maki-chan!

Wah!

See?!

It'll make me feel even better.

Could you stroke me on my other head too?

I-I should take this opportunity to further educate myself into an adult...

Sense, you have two heads?

Fue?

Sure do!

Right here...

A penis!

Gosh, Sense, you've been acting so spoiled!

Aah~ If only you stroked it gently, Maki-chan~

It's true!

It looks like a turtle's head, doesn't it?

This feels so good!

What is it, Maki-chan?

...

Hm...

You're cute, Sensee...

But your penis is also...

There! There!

You're a good boy, Sensee! Good boy~!

The reason kindergartener's hands are so small is because they're meant to pat dicks!

Kuwu! It's perfect!

kinda cute!

She's innocently rubbing my cock on her cheeks?!

Mh...?

Guess I have no choice.

Sense! You're drooling from your penis!

Hah

The re-education is a success! Maki-chan's motherliness is making me blossom!

Fuoooh!

Hah

Ah!

Ahm

Ahm

Stroke it while keeping it in your mouth...

Kuh!

I-I'm about to...

The tip of her tongue is so thin...
A kindergarten's tongue is rubbing my urethral!

Hyau!

Wah

Wah?

Aaaa

W-When that stuff comes out, it means I've cheered up...

Something white spurted out!

Hum...

Hah! Hah!

Sure!

はい

C'mere, Sense!

Yep. Thanks, Maki-chan.

Yay! Sense's cheerful again!

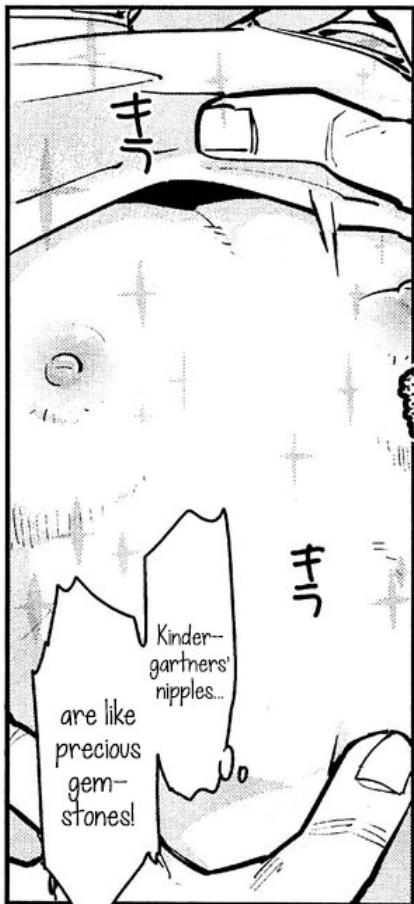

Will you help me again, Maki-chan?

But you know... I want to cheer up even more...

How beautiful...!

Kindergartners' nipples... are like precious gemstones!

There There

Maki-chan!

Okay!

Oh, Sense, you're such a child!

Can I suck on your breasts, Maki-chan?

Ha

Sense? What's going on...?!

Eh? Eh?

Even a kindergarten can take it up the butt...!

Ha

You are an angel...

No! You're the holy mother!

Because Sense's face keeps looking cuter and cuter!

I love it!

You're hiding my penis, Maki-chan...

Do you want to stop? Does it hurt?

No... This is fun!

Thi... sh...

Do it lots more!

My dick is actually getting her off!

Sense...

Good boy... Good... booy...

Yeah! I'll move as much as you want!

M-Maki-chan...!

You shouldn't push yourself.

Sense, you keep panting like you're in pain!

out inside you, Maki-chan!

I'm... gonna let it all...

T-That's because I'm about to cum!

you... want...!!

Sen... se... do what-ever...

XXXXXX

She even started looking after the other children.

Maki-chan's motherly side bloomed in leaps and bounds.

After that, we kept up my re-education for a while.

Taka-yuki-sense!

No, the babying was just part of the education process, so...

There There

But because of that, she couldn't baby me anymore. So I was a little lonely.

Want me to baby you?

Are you feeling down again?

No, I'm...!
