

You'll soon be in the sixth grade, are you starting to become shy about being seen naked by males?

During today's medical examination...

you kept trying to hide your chest.

Young lady...

I am extremely grateful that you've permitted me to examine your body since you were a child.

I got caught thinking of times past and didn't realize what I was saying.

.....

Oh!

Pardon my rudeness.

Oh, my!

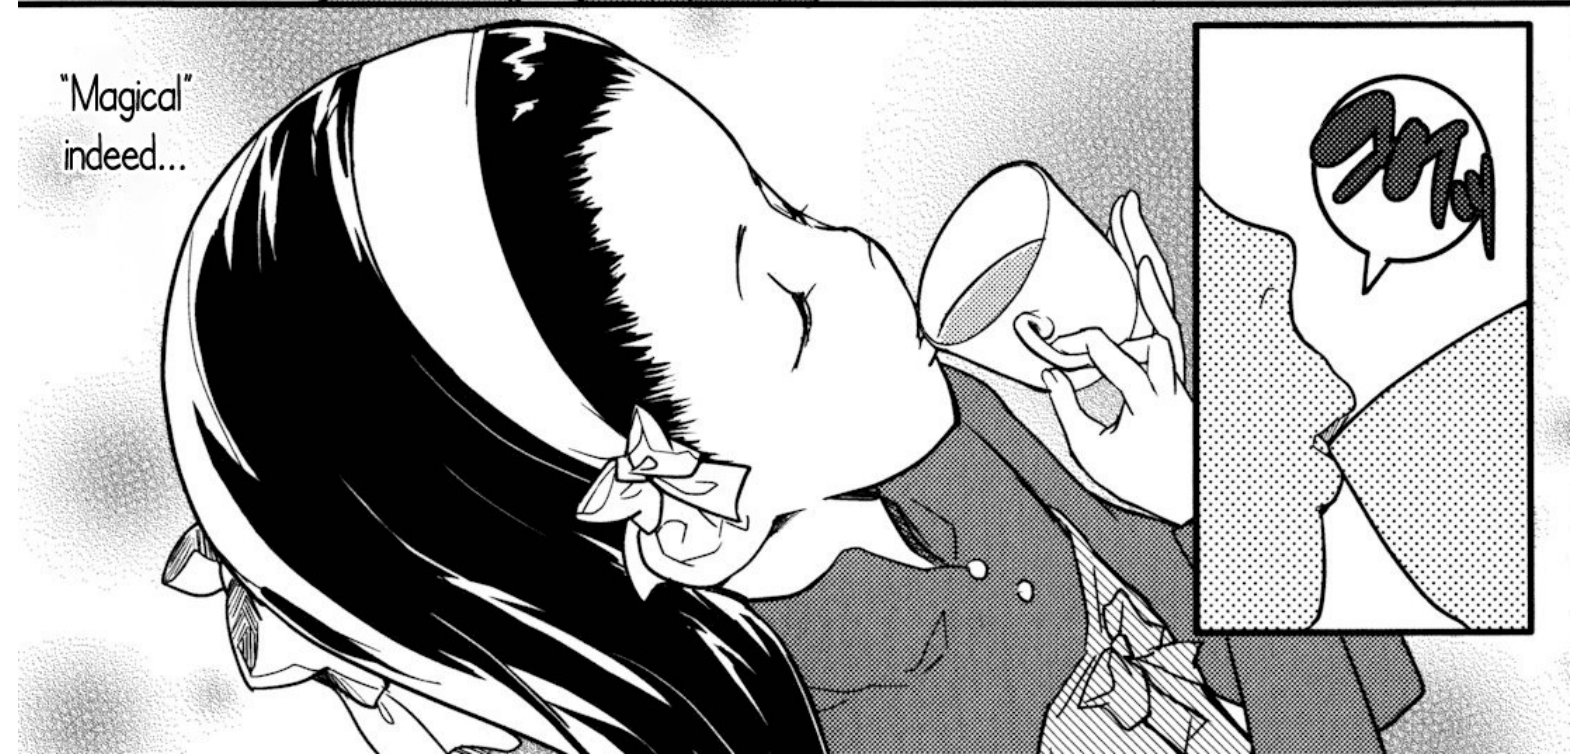

It's an enchanted milk tea with a special syrup mixed in.

Maybe this will brighten your mood.

A nostalgic blend that hasn't changed since you were young.

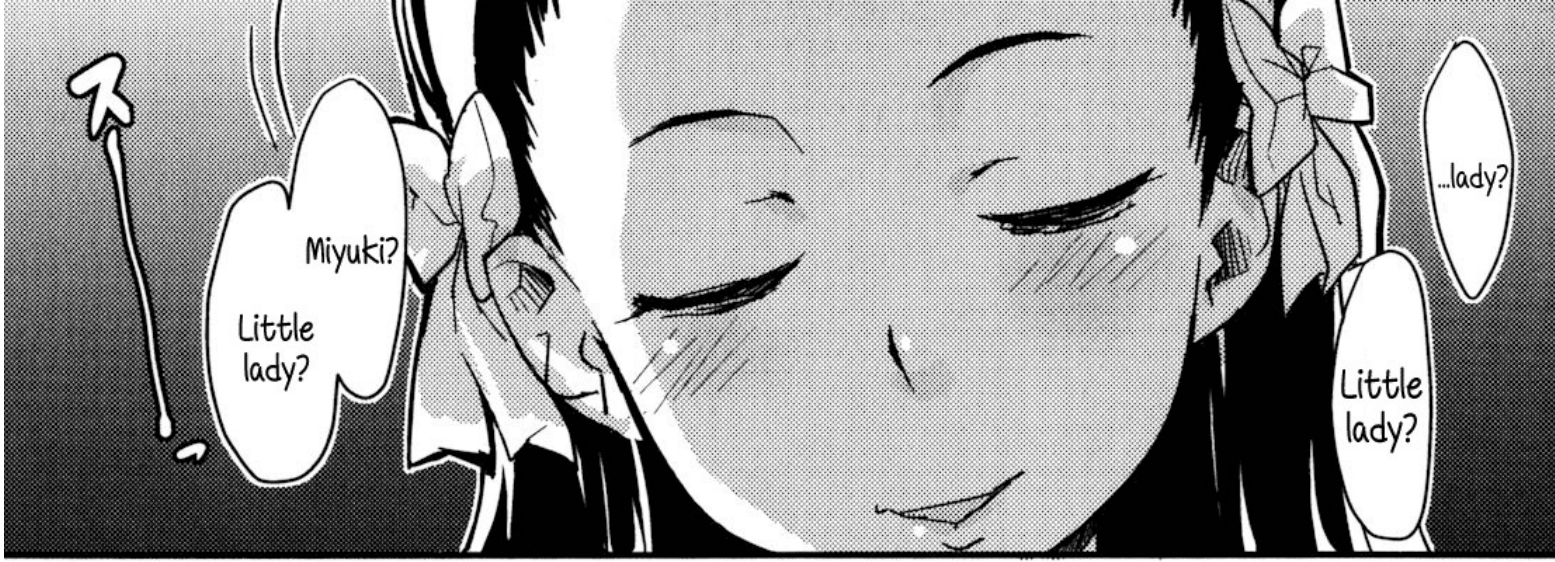

Yes! The sweet taste and scent of this magical tea always put me in a good mood when I drink it.  
♡

"Magical" indeed...

アハハ

A method commonly known as hypnotherapy.

As her family doctor, I decided to try on her a method I had read about many years ago.

As soon as Miyuki entered primary school, her inability to fit in with everyone else left her feeling very depressed.

The effects were largely insignificant.

However, as I continued with the treatment, the original goal of curing her became muddled.

Show me your chest.

Ooh!

Your nipples are already hard!

As I absorbed myself in creating a personality that would obey my every whim in the back of Miyuki's mind.

Did you not want me to see such lascivious breasts, Miyuki?

became training to create that "other Miyuki".

Since then, my bimonthly house calls...

Your secondary sexual characteristics have yet to develop.

Ah!

How's this?

Kyau!

they look quite lewd, don't they?

Ngii!

When I pinch your flat breasts...

Let me help them grow by squeezing them.

Ah! Nha!

you say you don't want men to look at them! You audacious runt!

These dastardly breasts! Even though you're just a child...

Kh...!

Kah...!

I'll suck on them! I'll suck on them until they pop out!

Fuah! Y-Yan!

Large stylized Japanese sound effects.

An!

Ah!

Eek!

Ah!

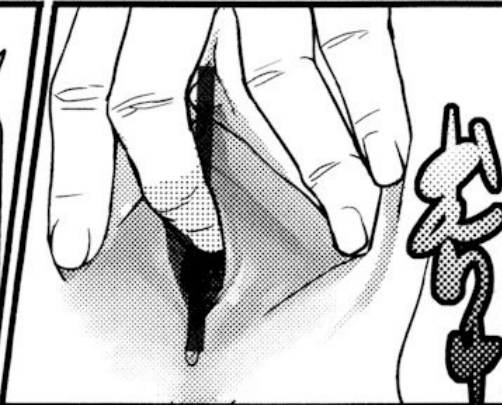

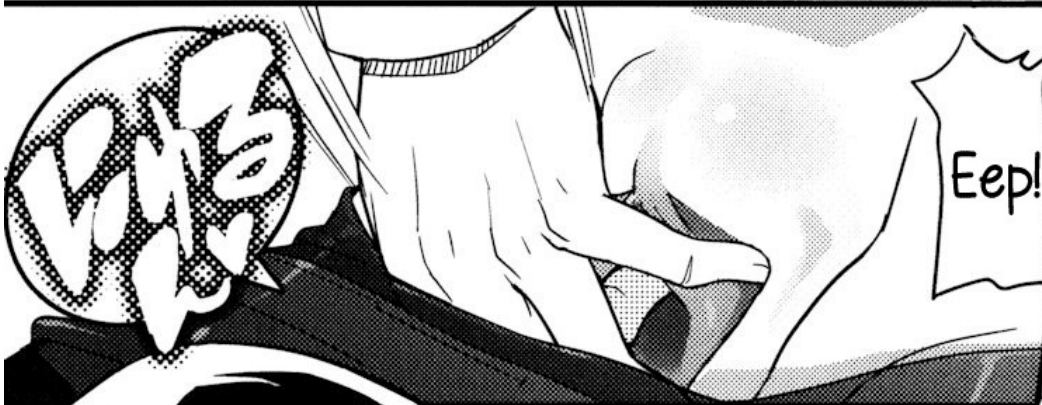

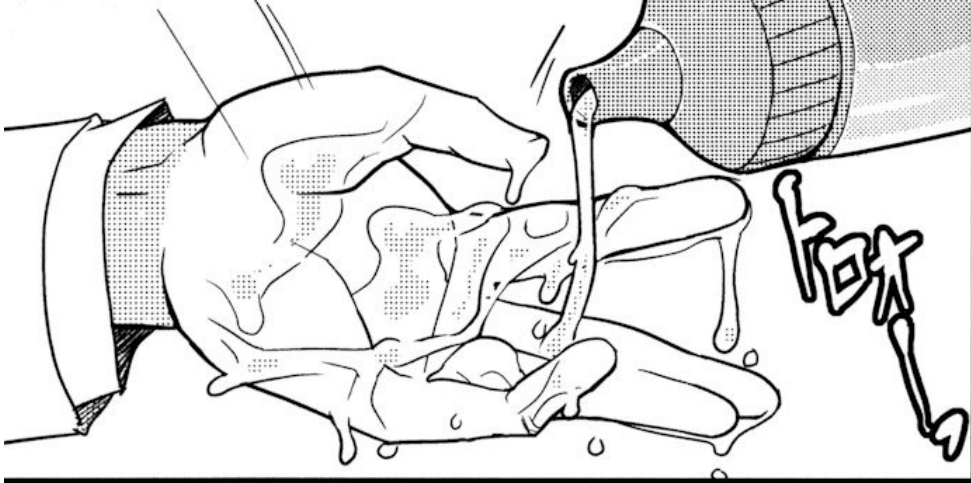

Yan!

Hm?

Seems you've started moaning quite erotically already.

How could that small young lady Miyuki have grown up to be such an obscene girl.

Unbelievable.

It's called masturbation.

Huh?

How does this feel?

I don't know... I...

Has the other Miyuki touched herself in the same way before?

Did it feel good?

ゴクゴク (GokuGoku)

It's impossible to interchange consciousness between you and her.

Hmm, as I thought.

How unfortunate.

I really don't... know!

Are you sure?

How-ever!

Aahn!

Also very convenient!

The eldest daughter of the Hishigawa's...

is addicted to my cock and no one suspects a... thing!

You're mine... You're mine, understand, Miyuki?!

I'm so glad I was born a man...!!

This amazing feeling of sinking my cock into a girl I've known since she was a baby!!

Eek!

Eeep!

Igh!

lady.

Just look  
at the time...!  
It's regret-

Oh,

Two  
months  
later:

Gu

Come now,  
Where's my  
greeting?

You look  
nothing  
alike.

Ooh!

Is  
that a  
fact.

Mother  
said she's  
to come  
here with  
me from  
now on to  
be exam-  
ined by  
you,  
doctor.

Oh?  
And who  
might  
you be?

She's my  
little sister, Tomoe.  
She's always lived  
with our parents  
in France, but  
she moved here  
recently.

G-Good  
day...
