

Exactly. You seem to be doing fine in your studies even after becoming a sixth grader, Kinue-chan.

You take the numerator and the denominator and you switch them around...
Like this?

Ok, so here's how calculating between fractions works...

Really? Do you think I can get into the same college as you, Sensei?

Sure, if you keep studying like this.

I'll take a toilet break while you work on those.

Okay!

Okay!

Next, do all the exercises from here... to here.

Nh!

Aah... Sensei...

Ha...
Aah~...!

This...
feels
nice...

Tutoring
day has
become so
awkward...

Whenever
I'm with
Sensei, my
crotch gets
itchy...

That's...
Hah...

This isn't
juice, is it?
You shouldn't
lie to me.

Besides,
this stuff
is viscous.

from my...
crotch...

I-It's...
goo...

I'm
sorry...

It comes
out...
when I'm
with you,
Sensei...

Fue...?

And you're
not weird,
Kinue-
chan.

Thank
you for
being
honest.

I'm sorry
for being
such a
weird
girl...!

Using
your cell-
phone in-
stead is
actually
quite lewd.

No...
way...

I...
wasn't
doing it...
with my
hands...
so...

You were
touching
yourself
despite
being
dirty?

Ah

But it's
more typical
to use your
hands...

No...
Aah...!

Let's get
these
panties
off. They're
sopping
wet.

N-No...!

Your
juices are
starting
to over-
flow.

It's so adorably small.

Noo... Sensei... Stop...

Kinue-chan, your cute flower is completely exposed.

Do you like this better than touching your clit?

The hole feels good, doesn't it?

Do you understand what we're about to do, Kinue-chan?

inside a woman's vagina... and then he ejaculates... and then they make a baby...

It's when a m-man... puts his p-penis...

And what is inter-course?

I-Inter-course...

And do you know the reason why the man's penis gets erect?

E-Erm... No, I don't...

Well, you see...

his penis gets erect!

When a man sees the woman he loves in an erotic way...

See, you've learned something new today.

Yes, really. And sex feels great, right?

Should I be a little rougher, then?

Nhaa!

No...!

You can moan if you want.

Ok?!?

My voice... sounds weird...

So
do I.

But
I want
to stay
together
with you
for a little
longer...

Your
parents
will be home
from work
soon.

Let's
have sex
every week
just like this
after we're
done study-
ing.

But we have
to keep this
a secret from
everyone,
especially your
parents.

They'd never
allow it, and
they'd try to
keep us apart.
Unfortunately,
that means we
can't go on
dates...

Y-Yeah...!
But I can
see you every
Monday when
you come
tutor me, so
it's okay!

Yeah...!
♡

Yeah...
♡

I'll
see you
next week.

Now get
dressed before
your parents
get home.

Only being
able to see
you on
Tuesdays is
so tough,
Sensei...
