You know those rumors about the student council prez? That she had her ears pierced, or smokes.

Oh! I've heard that one too. So it was true?

I'm told someone saw what she was doing in an empty classroom with another girl.

She's so expressionless... It's freaky.

Hard to deal with her when you can't figure out what she's thinking, right?

Ah.

Who is it?  
...Yo!

Are you going to report me?

Er, Sekiyama-san... was it?

You shouldn't be smoking in school!

Oh, aren't you Kirigaya-san, from my class?

I wasn't thinking of doing that, but...

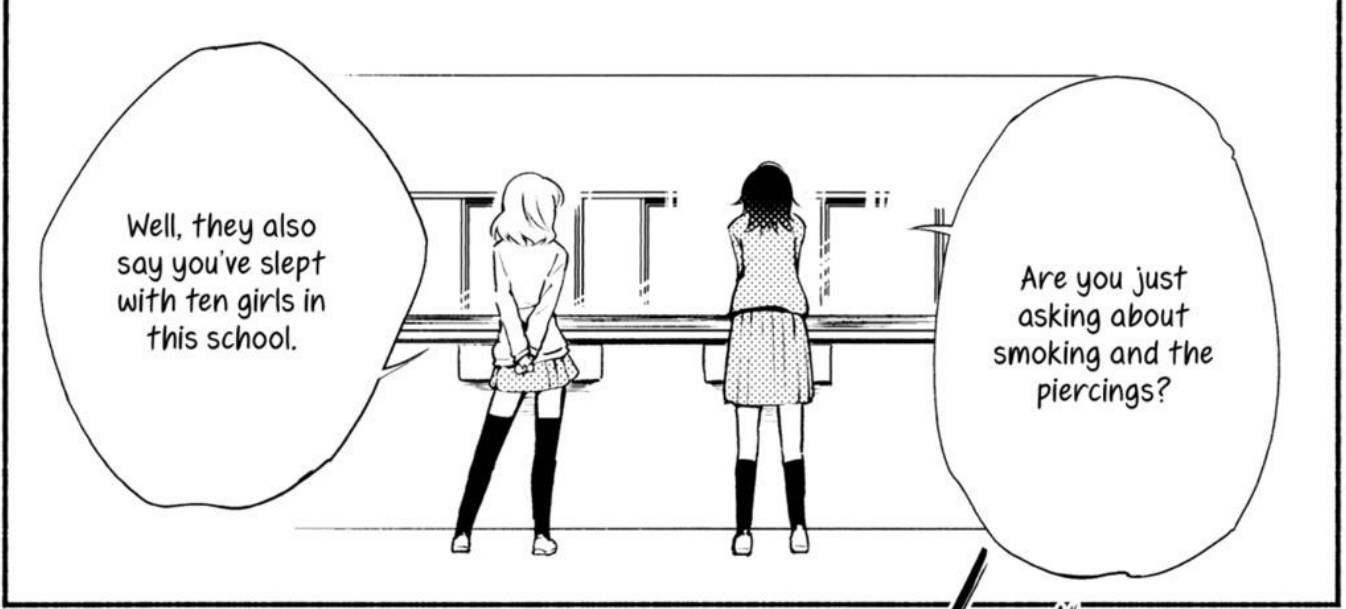

There's a lot of them. Like your ears being pierced. What's with that?

Oh, by the way! About the rumors...

I thought nobody else would come to the other building's bathroom.

Why be so cold when we're classmates?

Oh, now you look annoyed.

Well, they also say you've slept with ten girls in this school.

Are you just asking about smoking and the piercings?

So it was true, that rumor.

...mh!?

I haven't done that many-

So you're saying if I pushed you down right now you'd do it?

That you were making them moan in pleasure in empty classrooms after school.

They were the ones who forced themselves on me.

are you free this Thursday? How about a date?

...Then,

...I don't want any more rumors.

It's fine, right?

You're tall and your figure's nice, Kirigaya-san. I'm just jealous because I'm short.

Oh, now you look annoyed.

I was thinking this in school too, but you're really tall.

Is this what they call being a pushover?

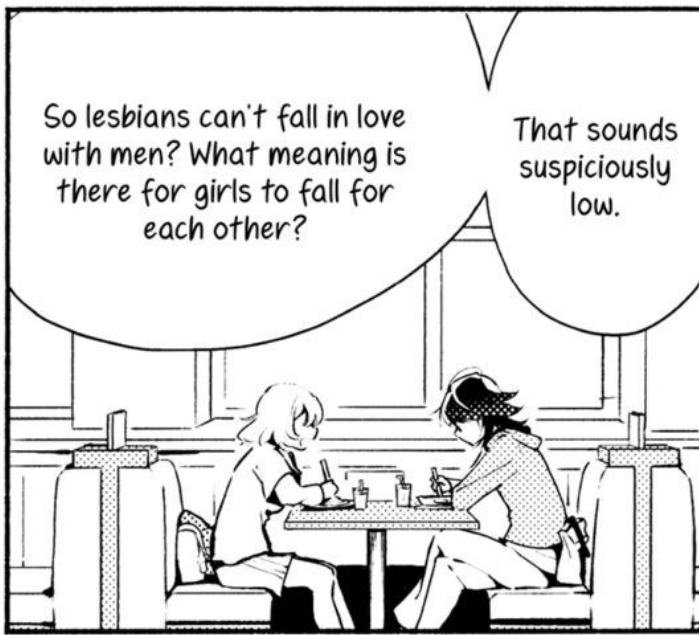

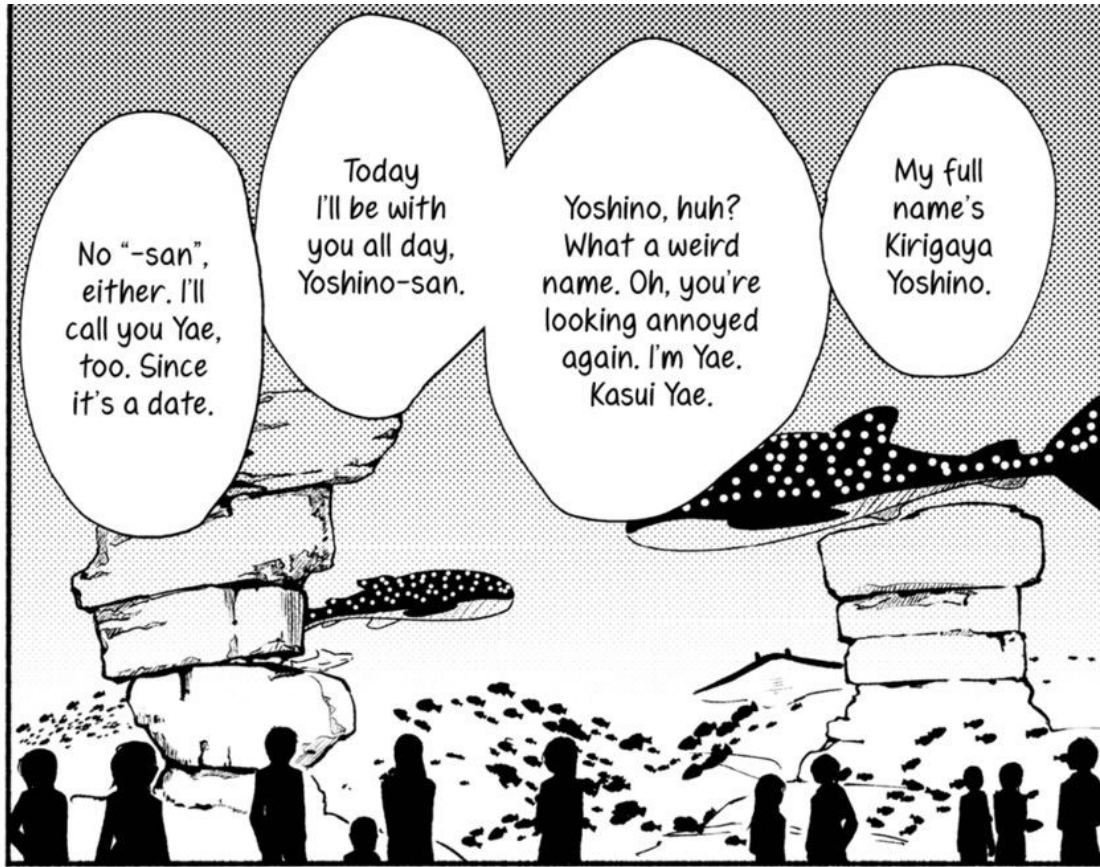

It's my first name.

Yoshino?

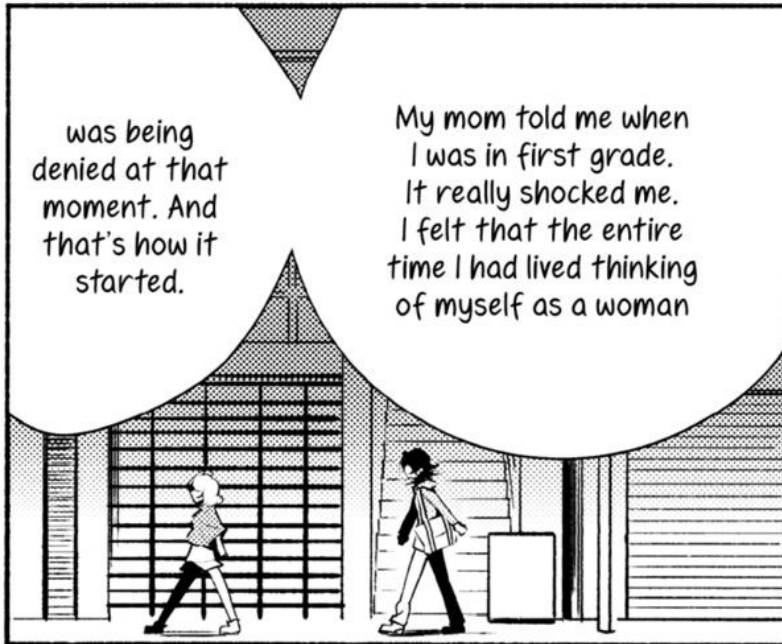

...Isn't this a date? Call me Yoshino.

Aren't the reasons different for each person?

Then what about you, Yoshino?

was being denied at that moment. And that's how it started.

My mom told me when I was in first grade. It really shocked me. I felt that the entire time I had lived thinking of myself as a woman

I can't have children.

Oh, I know I shouldn't be doing it, but...

It's only when I'm having sex with men that I feel like I'm a woman. I rely on those moments.

There I go saying something she doesn't need to hear. Am I sympathizing with her?

And to add something unnecessary...

I thought of myself as more of a cautious type.

hm?

not that I  
can tell just  
by looking,  
anyway.

That's  
cute.

nm!

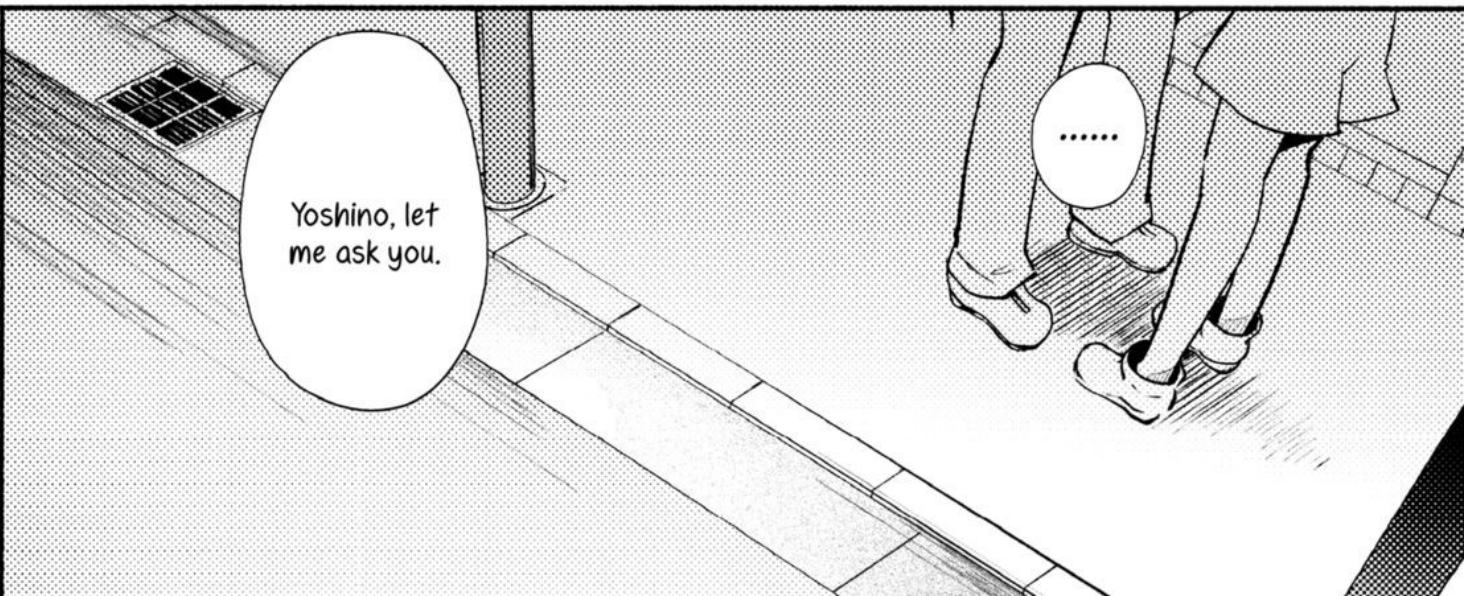

Oh, no.

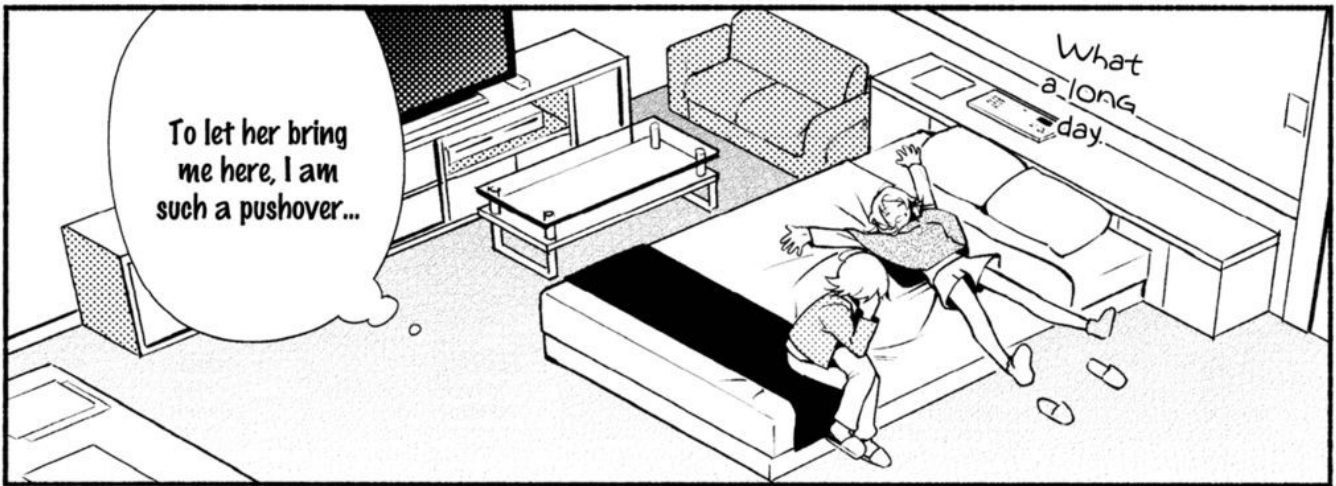

Yoshino?

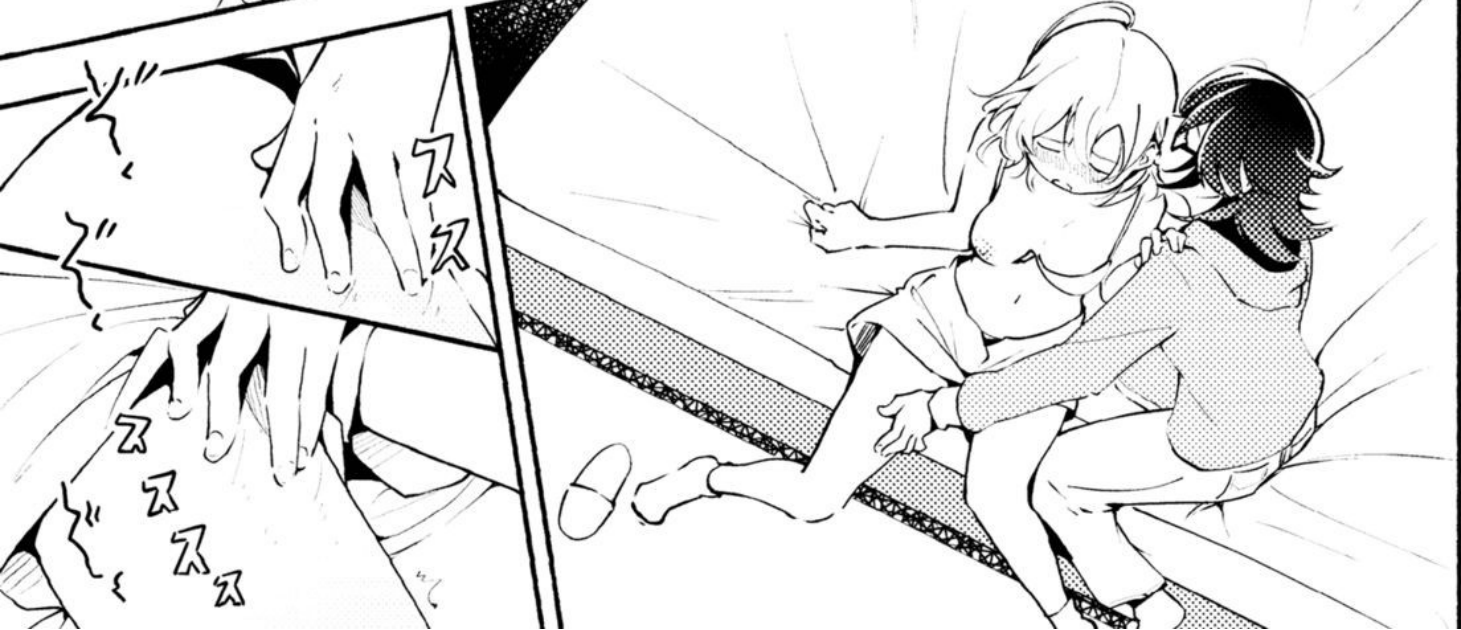

Huh?

Can't wait any more...

Hurry!

You're taking too long!

Yae? You're soaked right here.

This is good...

It's sending tingles up my spine. Even my fingers feel it.

Oh no.

ah!

mn!

hai!  
ah!

hiu

No...

ah!

don't...

mn

ahh

But I'm not done yet.

She came?

like a delicious apple.

She's turning red

お

≠

Huh?

Wai-

This was just foreplay.

Not yet...

You're just like a dog in heat.

ahhn

mn

Sheesh, Yoshino.

ah!

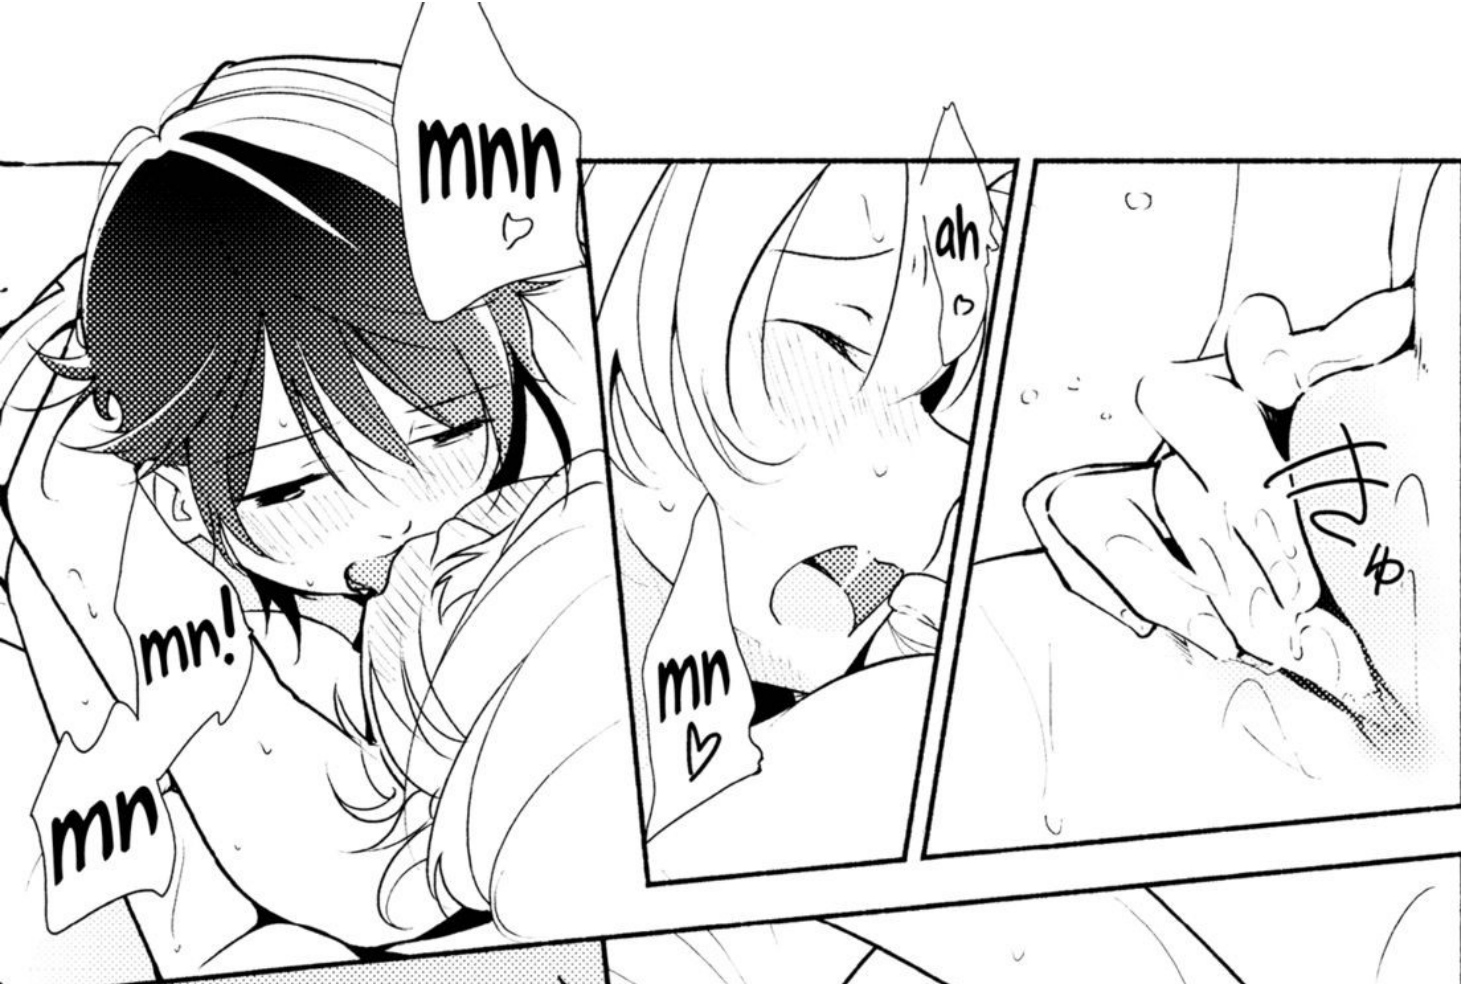

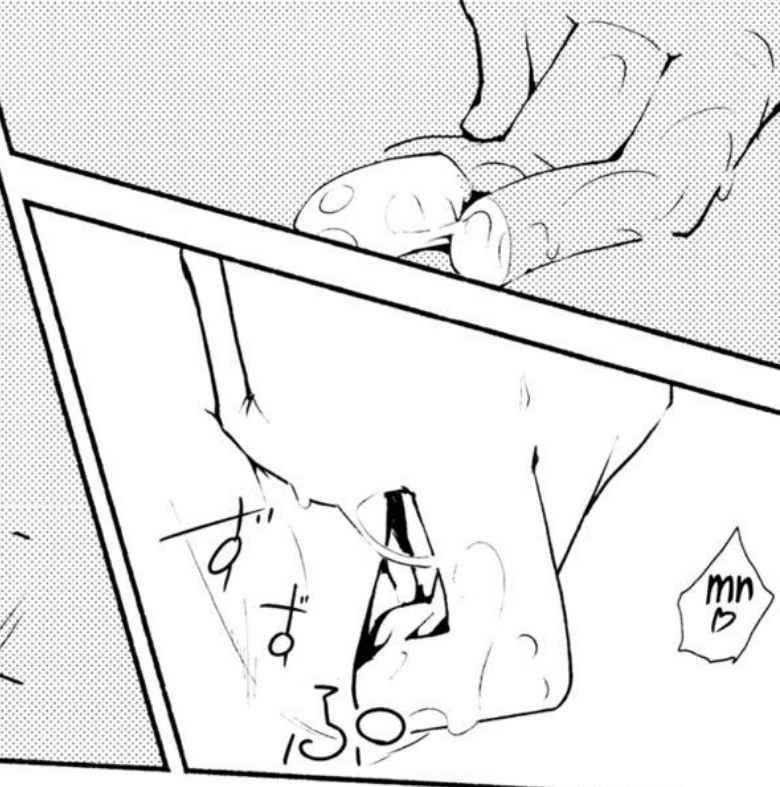

That's a good simile, my owner.

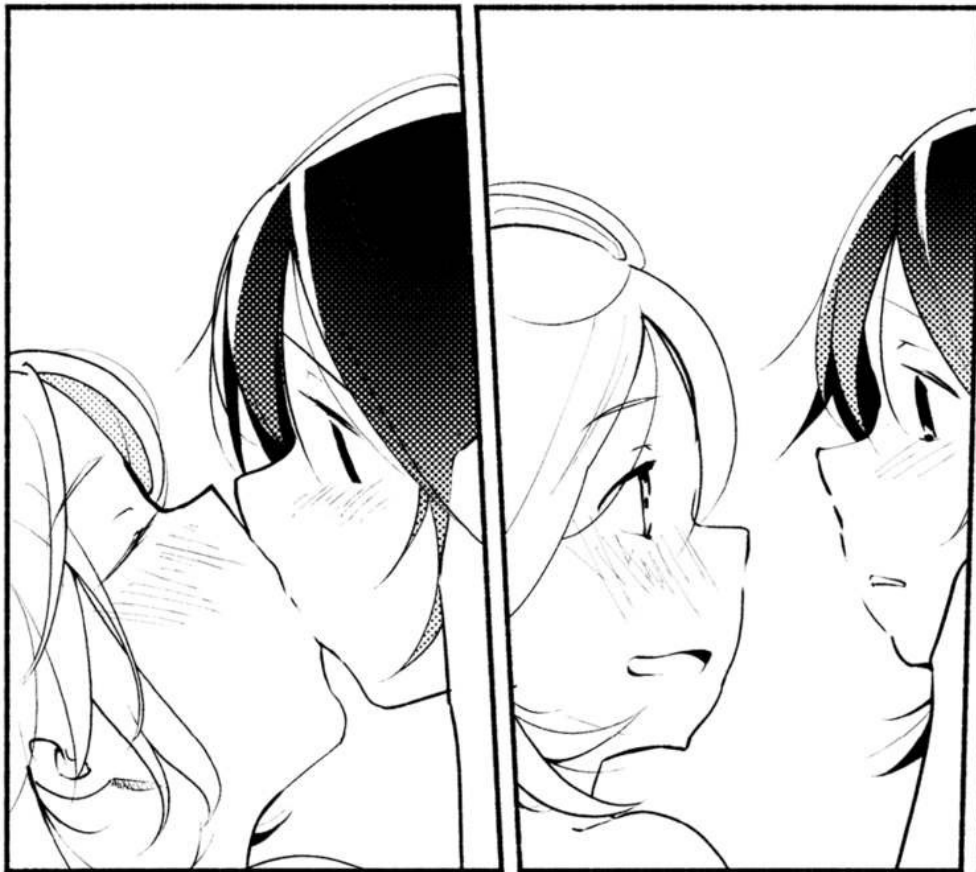

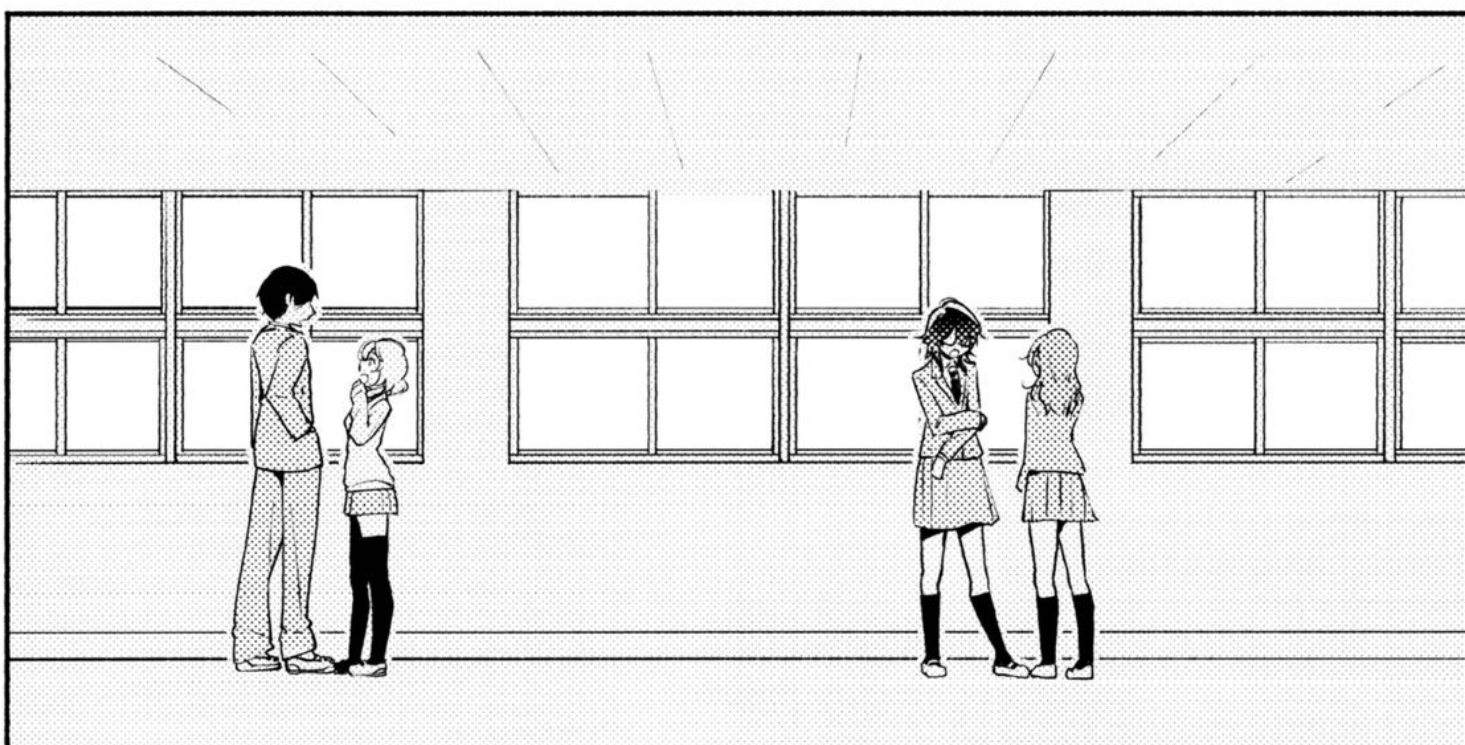

You can't?

Didn't I say I was heading straight home after this?

Hey, wait! I said I wouldn't do this anymore!

Oh, geez.

the two of us agreed to a casual relationship and our distance remained unchanged.

In the months after our encounter,

Is she out?

Locked?

A delivery? Oh, never mind. Do you need Yae?

She's in the bathtub right now. Can you wait a bit?

Besides me, she had relationships with many others.

We continued that "sorta-living together and having sex" relationship for three years.

Oh...

A soft snap only I could hear shook in my ears.

Is this what they mean by feelings being broken?

It's just... Right now

No, I-

Why'd you open my door without asking me!?

Hey!

Just tell her I'll come back for my stuff later.

Yoshino!

Ow!!

That's because you were taking a shower-

Just shut up for a moment!

Huh? Yoshino-san? Your friend?

Wait, Yoshino!

I didn't get it until now. I didn't think she would need

to depend on someone other than me.

I wasn't expecting her to treat me as someone special or anything.

But anyone faced with that scene would be bitter and disillusioned about it.

The cigarettes  
I've been smok-  
ing these three  
years stank a  
lot more than  
they did in my  
memories.

It was  
disgusting.

This must  
be love.

There  
wasn't a  
reason  
for it.

I loved her  
so much  
I would cry.

For the first  
time in the  
twenty years  
that I lived,  
I understood.

since we  
last met?

Has it been  
five years,

But I don't know if I'll ever have another one, so...

I don't know. He could be anywhere.

You having a child... The father?

As soon as I told him he was gone. His parents told me to abort it too.

I stopped myself and swallowed that word.

"Why..."

If I said it right now...

Onee-san, nice to meet you!

She's my friend!

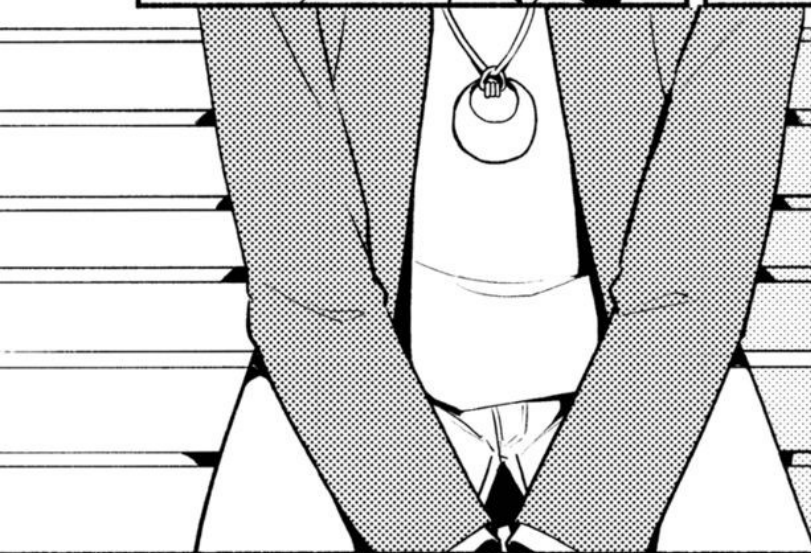

Who's that, mama?

Her name's Chieri.

She's a good girl.

That's... a nice name.

How about you?

W-W-What is it?

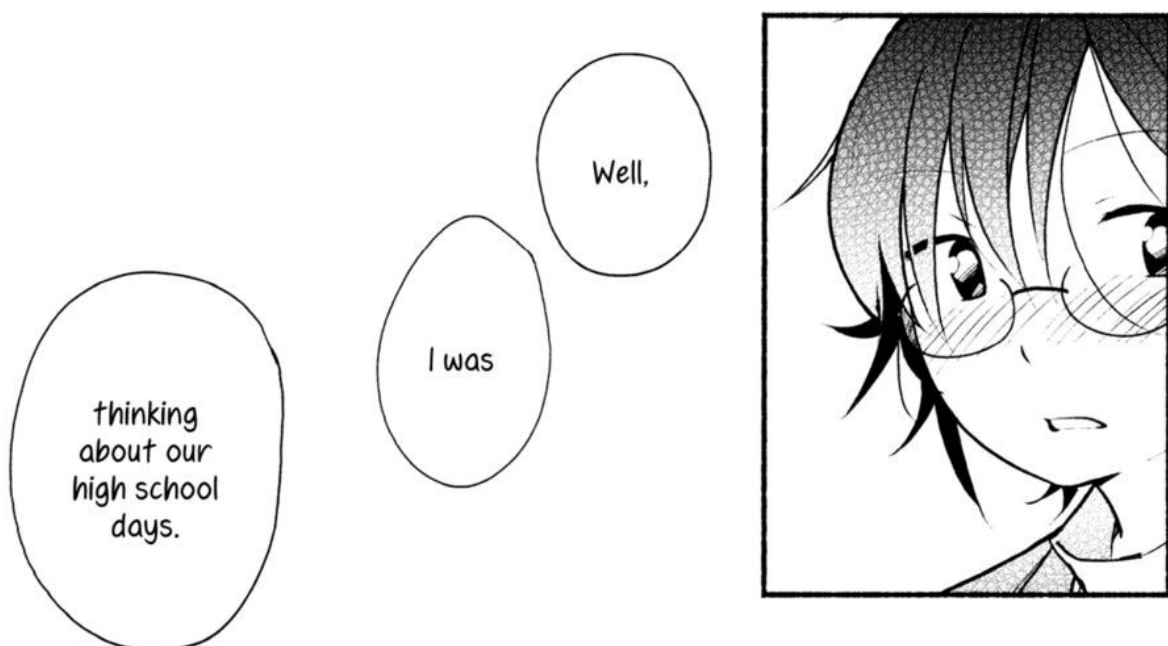

Um-

You know-

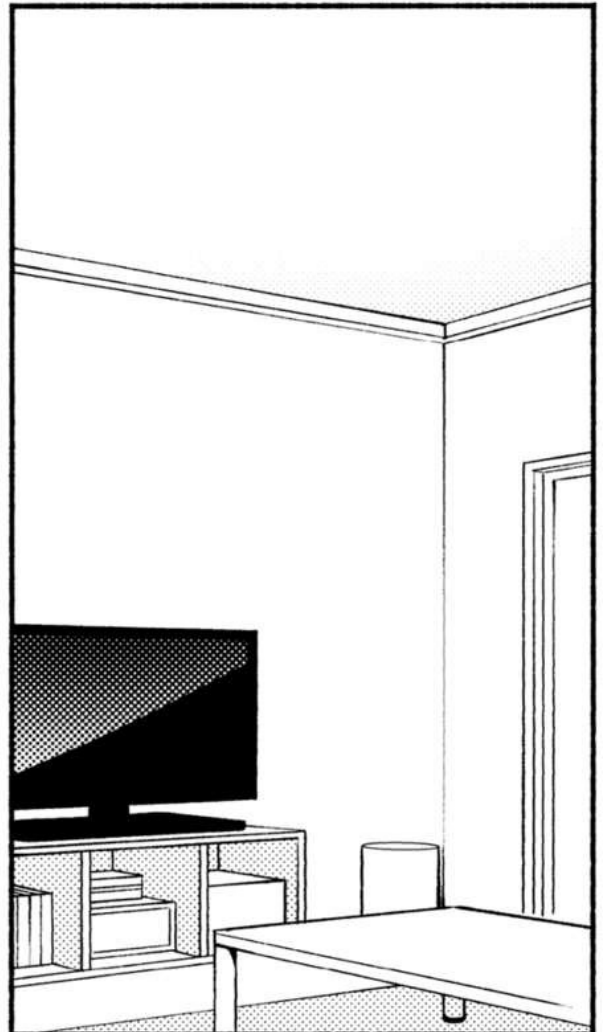

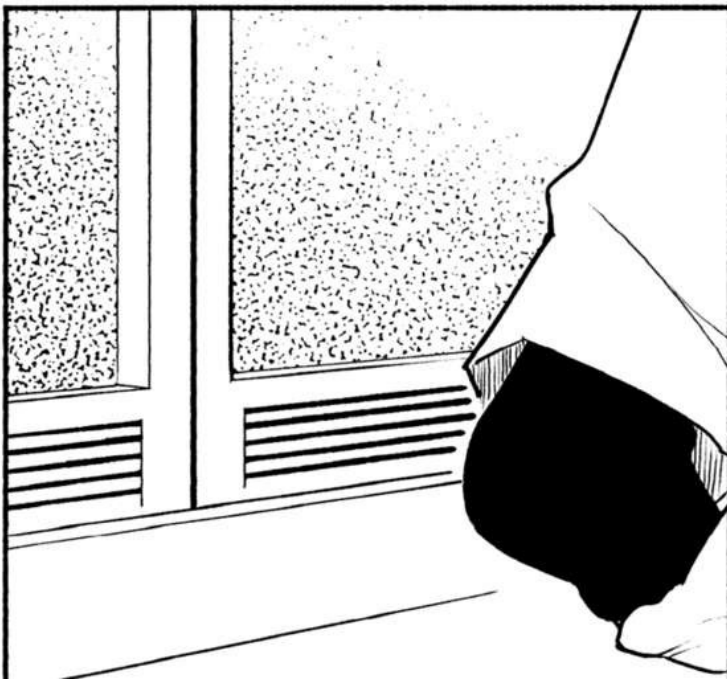

Um, could I have some of your time?

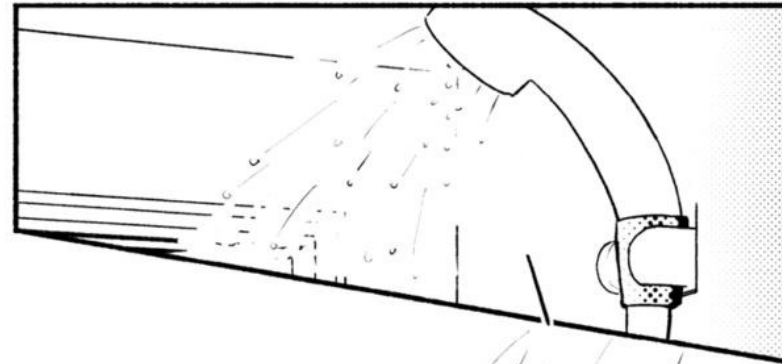

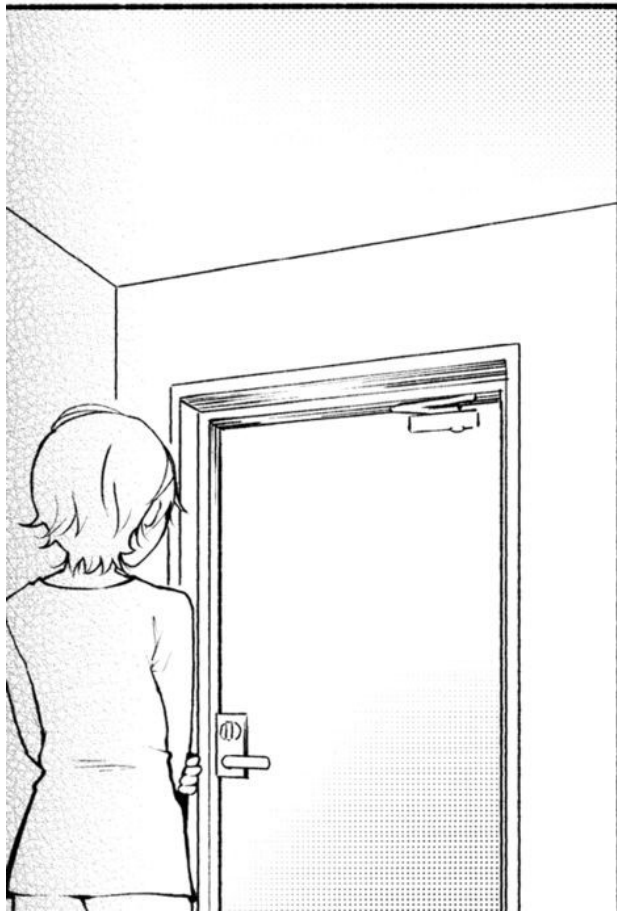

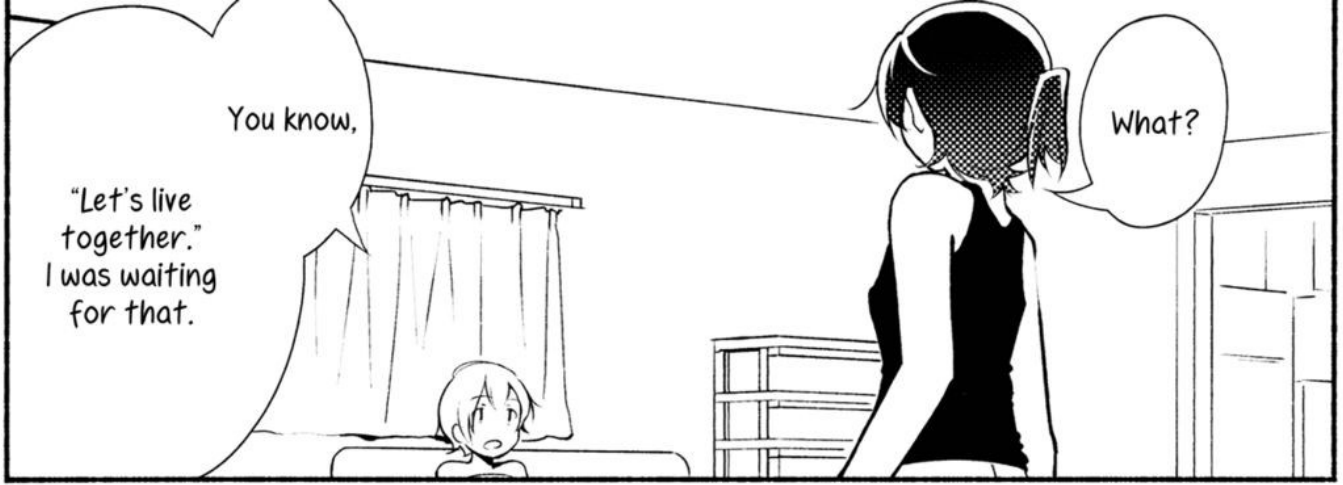

Falling for her  
the same way  
I did eight  
years ago.

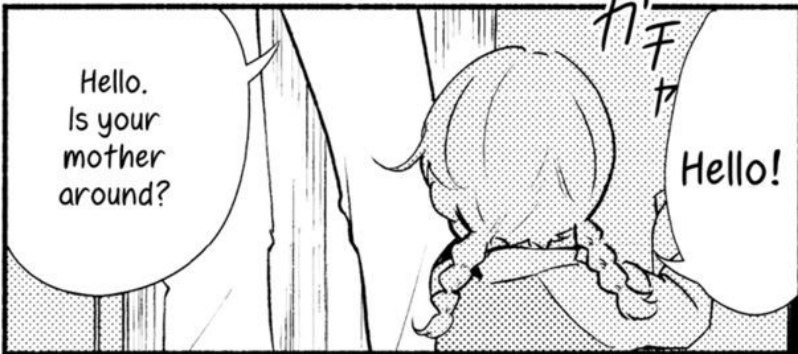

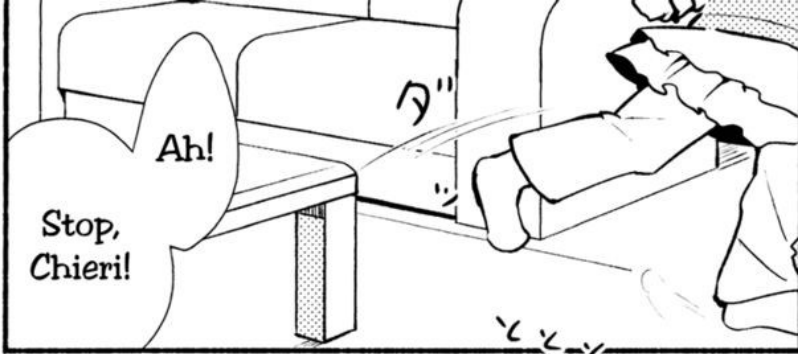

Oh, what  
an idiot  
I am.

## Afterword

Greetings. This is Yui\_7.

This is my third doujinshi. I've nearly gotten used to the painting software for manga by now.

This was a story about Yoshino and Yae. It had a happy end. Yeah, great. I put in everything I wanted to put in and then it became something even I couldn't understand... Hmm, how should I explain it... Anyway, I worked really hard on the sexy parts. But it's really embarrassing to draw.

With the main characters design, "She couldn't be handsome or cute. She had to be awkward but have a bit of charm, but how do I do that?" So she was created after a lot of thinking, but her clothes are still lame. She ends up looking even more pathetic on the cover... you know.

I put in a lot of my own thoughts regarding promiscuity, lesbianism, and even childbirth into this story, but if you were moved by any part of it I would be happy.
