Houjou no Reizoku Elf 2

The story after the fall of the "Land of the Eastern Woods."

Dear GTX9990Ti:

Neromashin

Dear rugged soldiers of the great Kingdom of Ballisten.
I am the Toilet Princess of the East Forest Kingdom! Alfilia.

Thank you so much for conquering my homeland,
the land of the Eastern Forest. ♥

I have been entrusted by
the deep mercy of His Majesty
the Great Berg to perform
the sexual duties of
the Garrison Corps.

Dear rugged soldiers
who are not like elves.
Please use that magnificent
cock of yours,
this shallow elf pussy of Alfilia,
to relieve your daily depression.

men: Hey!!!
You just want dick!
I ain't gonna give you no dick unless
you flirt and beg like a slave, okay?

men: Hey, hey, hey, hey.
I'm getting my uterus out of
my cunt after being raped by
just a few people.
There are 50,000 garrison soldiers,
you need to put more
effort into your cunt!

Heh heh heh heh.
Do you have that
many dicks? ♥♥♥
I can't pay that
much money ♥

men: Have lots of kids.
Then have lots of babies and
sell them for money!
You'll get your dick,
we'll get our money, and you'll be happy,

You'd make a lousy elf slave.

Hahiiiiiiiiiiii ♥
I am pregnant to the fullest for
the great soldier of

I am honored to be able to pay
for the humans. ♥♥♥
I am going to give birth a
