Well,
yeah.

Her grades
are excellent
and she has
impeccable
conduct.

Mutsumi-chan
has such a
good head on
her shoulders.

All the teachers
deeply trust
her, and she
managed to get
elected into the
student council
despite being a
first year.

She was even
the freshmen
representative
in the school
entrance
ceremony.

Also, she's
never been
below the top 5
for the mock
national exams in
her cramming
school since
grade school.

Eeh?
There's
no way
I could!
(Laughs)

Oh, my!
You should
be a little
more like
her.
