

I tried to propose to my Foxy Girlfriend, and...

that they express this sentiment by saying three words: "I love you" and then asking that question, right?

Wait, in human society, it's when a human feels the desire to copulate with another

It's just three words! It should be easy, no? Watch; I'll even do it for you!

All you had to do was say three words to me, and yet it had you agonizing for so long?

Ha!
Ha!
Ha!

No... Well, actually, yeah, kind of. But...

I lo...

I went on a date with my Foxy Fiancée, and...

They went
on a
Holiday
Date.

On
a
date~

On a
date~

Foxy lady,
you sure
you're
gonna be
alright with
that scary
stuff?

I hear the
thing we're
going to see
is actually
quite the
Haunted
House.

I doubt
something
like a
Haunted
House would
have anything
I could even
catagorize as
"scary."

Oho~

おっほん

There's
hardly a
thing in
this world
that can
actually
frighten
me.

Fufu~
I've lived
for quite
some time;
I'm no
child.

GYAH!!

BARK!

BARK!

BARK!

Surprise!

Huh...?
Why?

Hustle hustle

We're
going
home.

NOW.

I tried some pillow talk with my Foxy Fiancée, and...

Such impudence.

He bought some kintsuba and let her try some.

We filled out this marriage registration...

Thank you and congratulations. Registration received.

I'm sorry... I can't give us a full-on wedding ceremony...

Why are we only doing this? Isn't it a little simple?

The municipal office sent us the certificate for our marriage registration and it just arrived!

The next day

Wow. She's so happy.

Way up there?

I'm going to put it right in our Family Altar!
