
Wow... So much greenery, huh, Yui?
.....
Stop frowning, we're almost to your uncle's house.
.....
Aren't you excited?
I wanna go home.
...Look.
.....
Just have some patience while I talk things through with your father.
Hey! We're here!
Mmh~! Country air is so fresh!
C'mon, Yui.
...Get a move on.
.....
We're only staying for the summer...
All right?
...Fine.

Ooh! If it isn't Aiko... Welcome!
And you must be Yui-chan. Goodness, how you've grown!
Remember me? I'm your uncle!
.....
Sorry... The girl's been shyer than usual lately.
Ahaha! That's quite alright!
Settle down, Lucky...!
Oh, my!
A dog?!
Waah!

Hya... Ah!
Mama! Help!
Aah! Don't worry, Lucky's a quiet one.
See? He took a shine to you!
Ee...k!
Waahn!
Although, I think he sees you as a pup...
Be careful. Don't let him fool around with you too much.
So heavyy!

Sheesh...! I'm not a dog...!
I know...
How would you like to be in charge of taking care of Lucky while you're staying here?
Huh?
Me...?
Yeah, you. All you need to do is feed and walk him every day.
Think you can handle it?

.....
...Yeah. ...I can do it.

They won't tell me, but I know.
...Mama and papa are getting a divorce...
Mama must be a burden on him, too... I'm sure of it.
...I get the feeling uncle doesn't really want me at his house...
I hope I get to stay with papa...
It gets lonely when it's just me and Mama...
Ah! But...
when I'm with you, Lucky, I don't feel so...
はっ?!
ゴロ...

When I'm with you, Lucky... I don't feel so lonely.
X

Mnh... Lucky?
It's dark outside. If you want to go for a walk, I have to ask mama first.
...Otherwise she'll get mad at me.

...What are these moans?

You'll wake Yui-chan up if you keep being that loud.
Ah!
That... girl can... Ahn!♡ sleep even with the TV on... Ah!
She won't... wake up that easily... Ah!
Really? Then I don't need to hold back... Right?!
Aah! ♡
Ah!

...Let's go, Lucky.

Oh! Morning~!
You're up early, Yui... Huh? It's already past noon!
You must be hungry. I'll go make lunch...
Say, mama...
What is it?
Yesterday, what were you doing...
in bed with uncle?
Erm... So... That was...
How do I say this... When a man and a woman love each other...
I mean... when two adults...
want to make sure of their feelings for each other...
...Yeah... When they want to make sure of that... You know what? It might be a little too early to have this talk with you, Yui...
.....

So, do you love uncle more than papa or not?
...Huh?!
Are you going to marry uncle next?
Ah! C'mon...! Take Lucky for a stroll!
Ah...!
It's very important to walk Lucky. Right?
We'll talk later, okay?
...Okay.

...She threw me out.
...Think I was too rough on her?
...What am I going to do from now on, Lucky?
I don't really feel like going back to that house anymore...
...How about we adventure a little farther today?
Woof!
Let's go over there.

Say, Lucky...
Lucky, come here!
