妹は天使の悪魔？

Noise Presents
「お兄ちゃん大好き♡」

Gosh, you're
such a
sleepyhead!

Onii-chan!
♡

...What
are you
doing?

But as time went by, Manami's face started becoming more and more devilish.

Huh?

Huh? What do you mean, you haven't finished my homework?

Do you have something more important to do than my homework?

Maybe I share some of the blame for pampering my cute little sister so much.

Onii-chan, I really love you!
♡

There was no trace of it when she was younger. She was just my adorable little sister.

Don't tell me you lost it.

Your dick! Show me your dick!

Let me see your penis for a second.

Hey, Onii-chan...

...Huh?

Still, when Manami started becoming interested in sex, that's when our relationship really took a turn for the bizarre...

What? You don't want to do what I tell you?

Less talking, more stripping.

W-What's gotten into you, all of a sudden...?

Do what you always do when you look at those books you have hidden in the back of the drawer...

Hurry! Hurry!

I really wanna see it. ♡

After this, her demands kept escalating to the point where we've already had sex several times...

ふれせんていどばい
No ise

Now play with it.

What?! No, I don't wanna!

...I don't do... that...

Stop being a pansy. Just do it like you normally do.
