Waaait!!

They're at it again. What is it this time?

And so... You know...

Damn! That bimbo really hit me hard...

Yeah!  
Yeah!

What are they talking about?

I think the audio-visual classroom might get patrolled too often.

Really?

Yeah, but that room never gets cleaned so there's dust everywhere.

We could always use that empty classroom on the third floor.

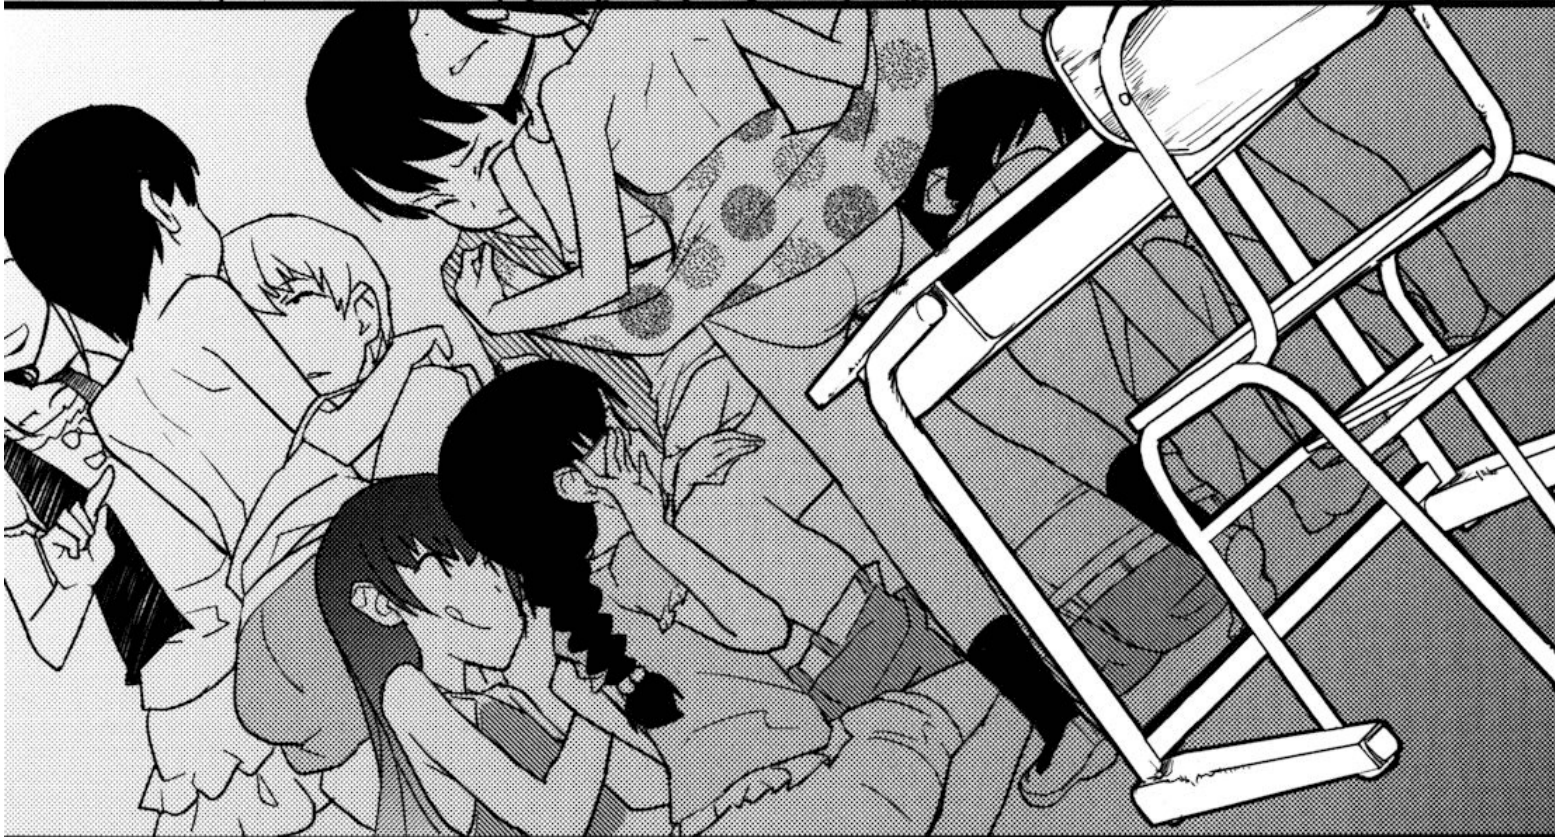

I don't know what they're being so sneaky about, but I'll be damned if I'm not gonna find out!!

What the hell...

Wha...

is going on...?

T-This is why I told you guys we shouldn't do this at the school!!

What relief?!

I thought a teacher had caught us!

What a relief!

If the school finds out and tells our parents, it's game over for all of us!!

Let! Me! Go!

Tie him up in his clothes!!

Quit it!

You...

Ah! Good idea!

Ueda is pretty handsome!♪
