

I see this thread is so sharp it's cutting up your hands! You look very distressed!

Ahh...

Let me help you reach the top of the thread faster with a fun game!

If you want a head start then you better climb faster!

I will let you go if you reach the top before my tongue touches you.

But if my tongue touches you then you lose and I will **SWALLOW** you **WHOLE!**

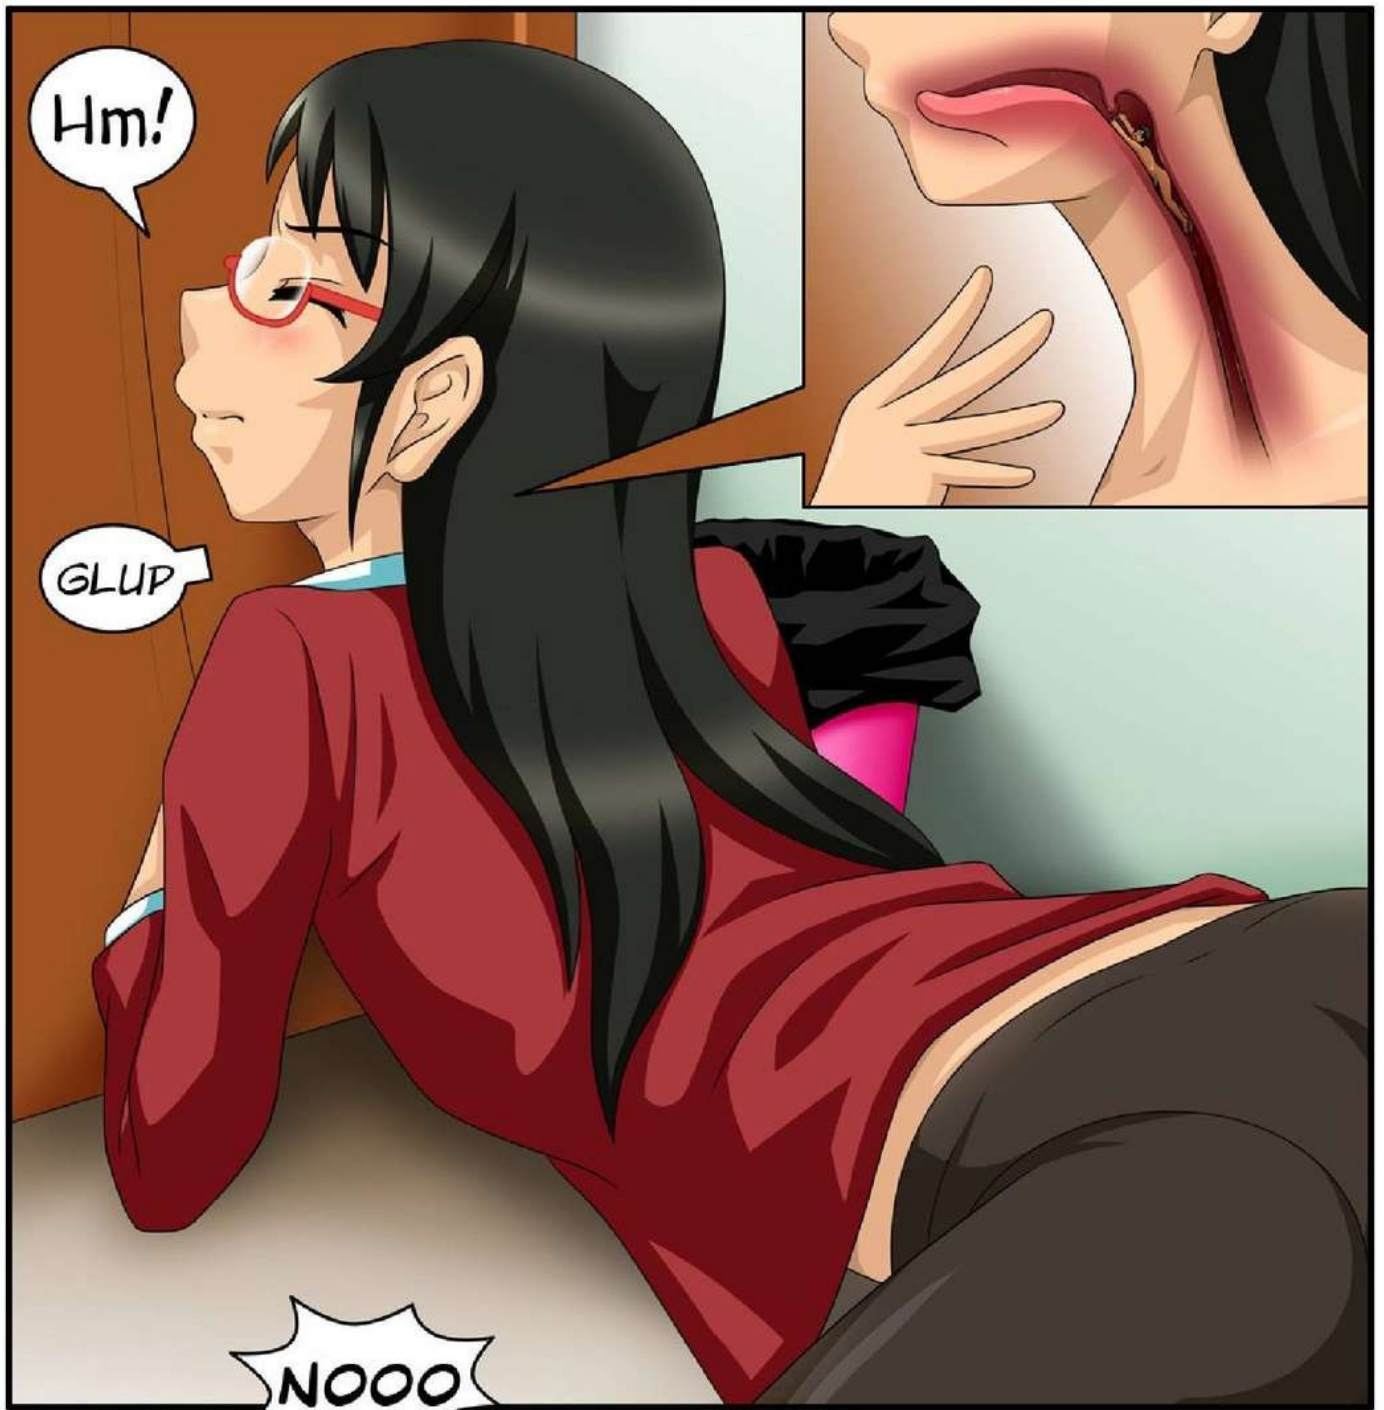

You will be digested in my belly and absorbed into my bloodstream. The perfect way to atone for your bad behavior wouldn't you say?!

AHHHH  
HHHH!

Haha!  
I've been  
fasting for  
the past  
two days  
to lose  
weight.

Since my  
body is  
starving, my  
stomach acid will  
be particularly  
stronger than  
usual. You should  
be immediately  
digested and  
absorbed.  
**BURP!**

Well, Zhi~

GURGLE...  
BLUP...

GROAN...

Can you hear that? My empty stomach is extremely happy to be digesting Lei!

GURGLE~  
GURGLE~

When my body is finished digesting him, traces of his remains will be swimming in my blood...

We will then be one. Traces of his body will even be in my foot sweat!

Ah, wait a sec...

Don't think I forgot about you, Shun!

Too Bad! Now it's your turn!

What to do with you...

Well!

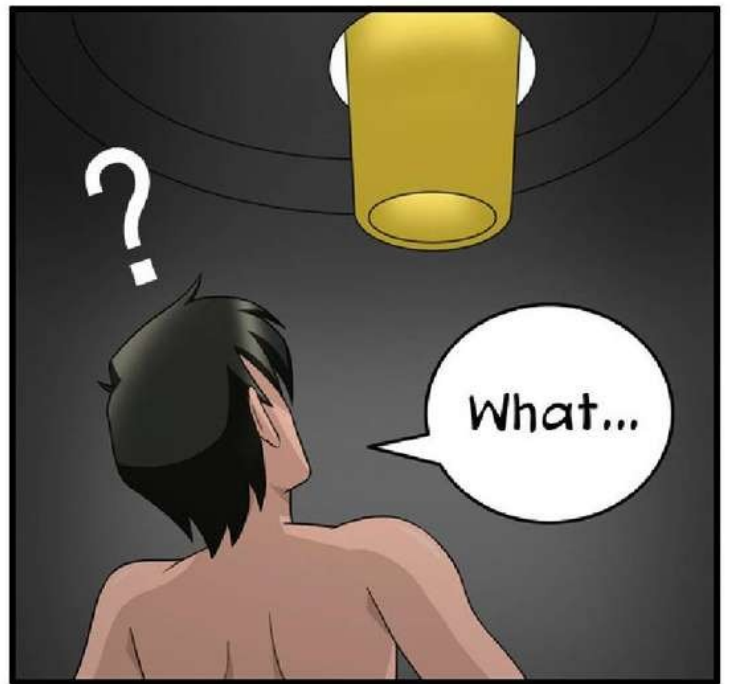

I'm going to run to the kitchen quick. You better be good while I'm gone!

She's Finally gone but now I'm stuck in this can!

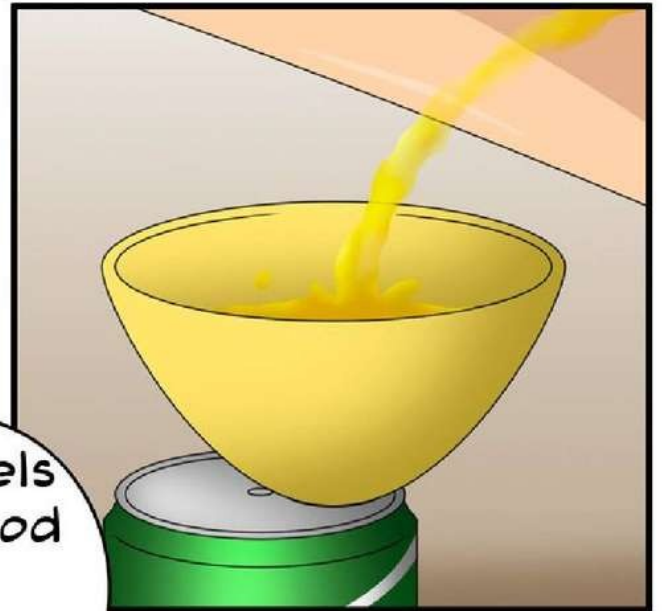

It feels so good to release my urine!

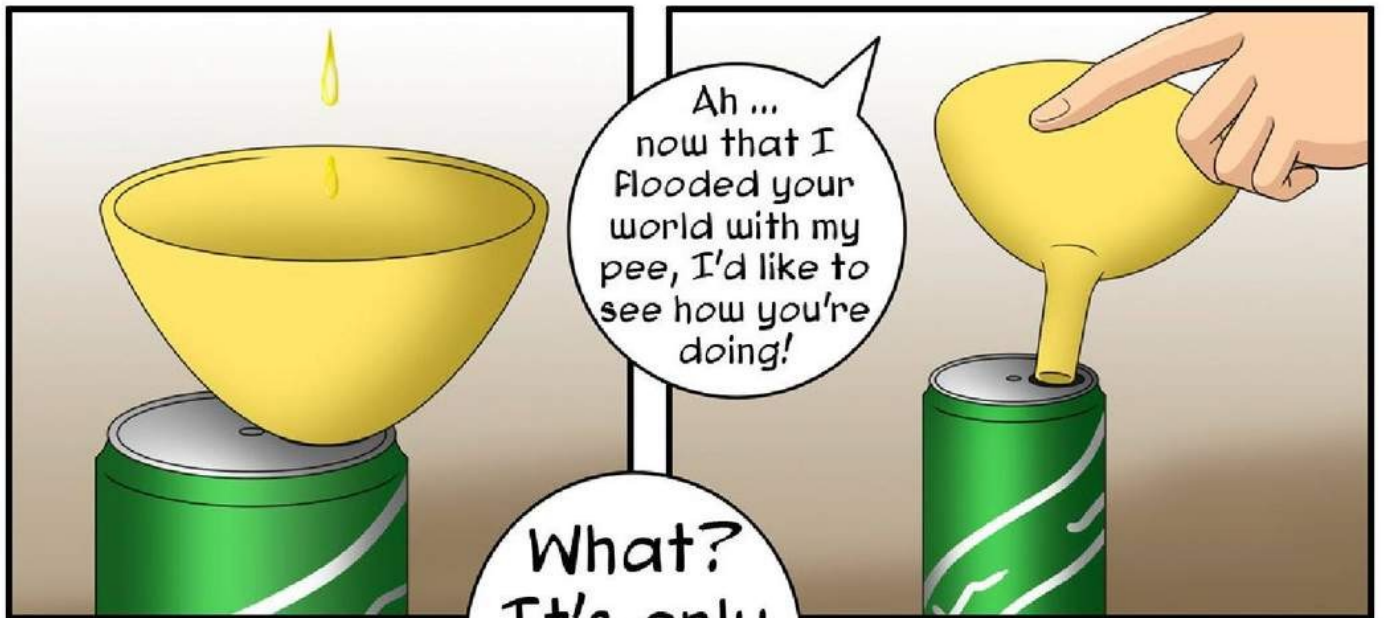

How does it taste? Hope you like it! **More is on the way!**

You better keep yourself afloat if you don't want to drown!

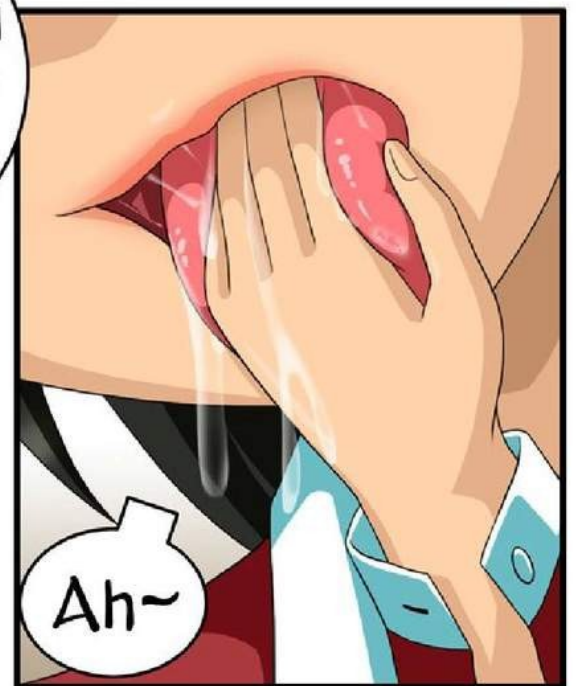

Ah ...  
now that I  
flooded your  
world with my  
pee, I'd like to  
see how you're  
doing!

What?  
It's only  
half way  
full?

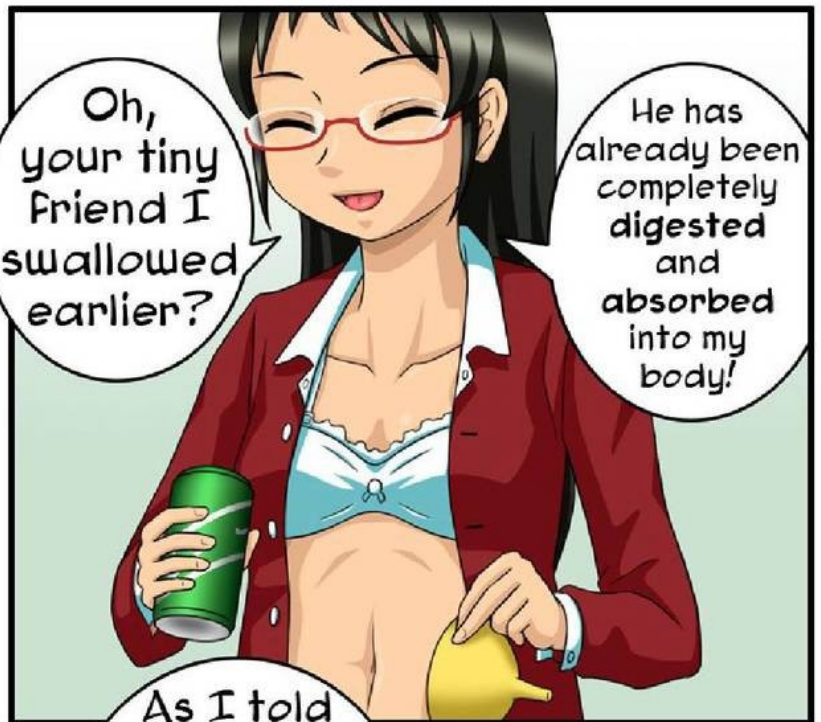

I was  
really hoping  
to fill up the  
entire can!

Not to  
worry! I will  
just have to  
give you  
more!

Ah~

As I told your friend, my stomach acid is particularly strong right now.

Zhi!

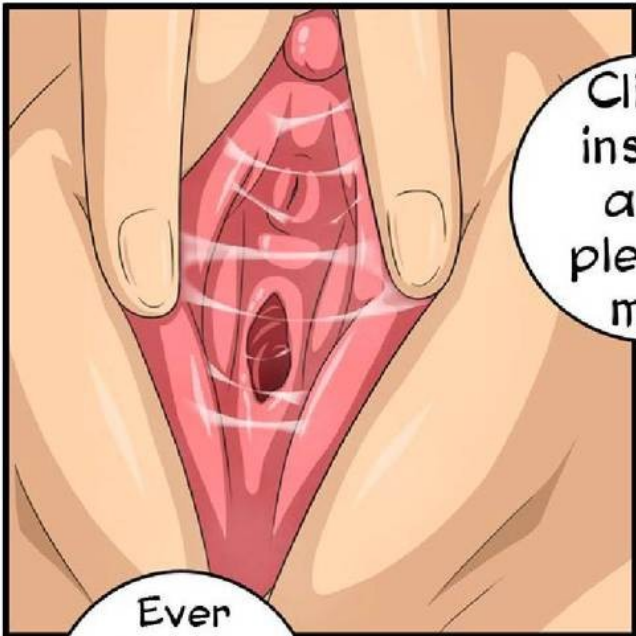

Your other friend is still living in my stinky nylons!

How much longer do you think he'll survive?

I will give you one last chance. Play another game with me. If you win... maybe I will let you go home!

Climb inside and please me!

Ever wonder what a vagina feels like?

Quickly now! See how wet I am? I'm 50000 horny!

Make me cum and you win! All you have to do is squirm, which I know you're already good at ho ho!

Come on in, don't be afraid!

Some of your skin has dissolved. Very painful, right?

My love juice is like **silk!** It will feel great all over your body and it will even sooth your wounds too!

Ahh... Come on, jump in already!

MMM H YEAH! My pussy is pulsating in pleasure! You feel so good!

OBEY ME!  
OH YES!

Ah ~  
I can feel you  
squirming against  
my *tight pussy*  
walls!

Feel my pussy  
squeezing you?  
It's throbbing in  
pleasure! And it wants  
MORE of you!

You must  
go deeper  
to make me  
orgasm!

Oh, ah,  
Fuck me,  
yes!

Right  
there!!

So  
deep!

Ahhhh...  
Ahhhhh...  
**Ahhh!**

**CRUSH!**

Ohhh...  
Ohohoh...  
**OoOOH!**

Squeak~

I was so focused on my pleasure that neither of you survived!

Totally worth it!  
I will drop your remains in this can. The stomach acid inside will completely dissolve all of the evidence!

Plop~

GAME OVER!
