

Oh, you...
Do you really
have to film
everything?
Can't we skip
that part?

This is the
best way to
defend our
memories
from the
passage
of time!

HIROYUKI

Thank

カキカキ

We're... your present?

Wha-

Hahaha! What a crazy costume.

What's the meaning of those clothes?!

My son's dick...

Is freaking huge...!

ズン

...wait, what?

This is just crazy! You're gonna put some clothes on, miss!

You too, Kenta!

Eeh?!

My ideal dick...? Training...?

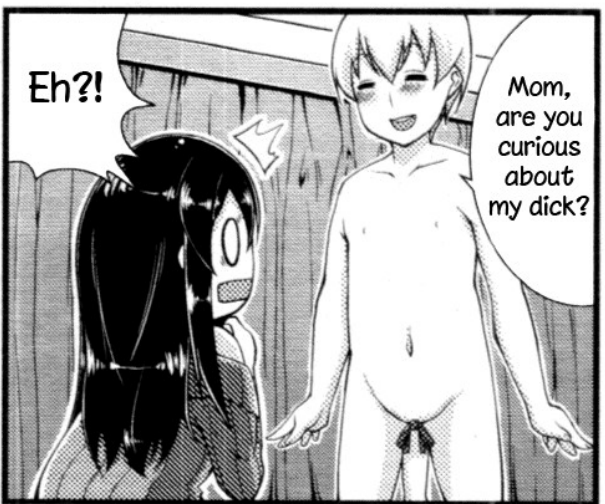

There's a secret to it, you know? Yuuka has been training it every single day in order to turn it into your ideal dick!

Yup! For example, in the morning...

How long has it been since I last took a bath with Kenta? It must be years... He's been taking baths with his sister ever since he was little, so... Hmm, let me think...

Are all kids like this nowadays? They say that children grow much healthier these past decades... But that's for general development, could an extreme dick growth be really possible...?

Eh?!

Mom, are you curious about my dick?

Hoo~f
hoomnin!

Your dick

make
it point

or it
won't
do!!

Come on,
you have to
put more
strength
in your
dick!!

MIDDAY

BREAK)

Good,
Kenta,

I'm really
burning
up, ahn!!

Uh!
Ah!!
Yuuka,

both

EVENING
(IN THE
BATH)

You can't

Not
letting
you
run
away!

I know what I should do, but...

ん...
ん...

PRACTICE

ugh!

ん...
ん...

It feels so good, I'm gon-

You!

How many times do I have to tell you?! You can't feel good all by yourself!!

I'm sorry.

Hyan?!

ん...
ん...

Look, mom...

That's not true at all, mom! I worked so hard only because I love you!

Is that wwhat you've been doing...? ...that's it, more or less!

This is how it gets just by thinking of having sex with you.

I never even suspected... I'm a failure as a mother...

Oh My God!! The ridge of the glans and the curve of the shaft are sooo perfect!! Length and thickness are top notch as well! I can't deny it, this is really my ideal dick!! But...

I get the intent now, but there's no way I could have sex with my own son...

I suspended the training for a whole month just for this day! I didn't even fap to build up semen! Wow, it's beautiful.

What what whaaat?! And what's that pose supposed to mean?!

When I was little, I heard you and dad talking about it while you were making love!

Yuuka, how the hell do you know anything about my ideal dick?!

Hahaha!
If that's
the case,
you should've
just said that
years ago and
go marry the
man with the
ideal dick...

If only your
dick was
curved a
little more
upwards and
just a little
thicker...
It would be
basically my
ideal dick!

YUUKA
(7 BACK
THEN)

Stop
it!

ん

Plus...

Hn!
So big...!

But both Yuuka
and Kenta are
wonderful kids,
I'm really proud
of them!
I'm sure god
would punish me
if I had second
thoughts about
our union!

Sure, we
didn't have
the time to
enjoy our
marriage
since we
had Yuuka
so soon...

Not
at all.

Are you
having
second
thoughts
about our
marriage,
hm?

That's when
I knew!
Mom, you
loved me
so much
even though
I wasn't born
from your
ideal dick...

I love
you,
Hiroyuki.

You're more
than enough
to satisfy me!

Haha!
That's
great to
hear!

Sure, but
that's
completely
out of
context!!

ママ!!

Hey...!
Wait!!

Stop...!
Stop right
now!!

Mom, it's
late, you
shouldn't...

Come on
mom, let's
get you
naked!

No way...

Kenta, your mom really wants your dick now!

あーあー♡

とろお...

Ah! Hn!
Take it easy, Kenta...
Mom's pussy is a little scared now!

I'm gonna make your pussy feel good in the process!

You can cum anytime you want, ok?

So this is... Your pussy, mom... The real thing...

Ok...
But...

Hehe! Is this your first time?

Yeah!

Ah...! That spot...

I know your secret!

You love it when I rub it here, don't you?!

How can you know even that?!

Actually, there's a present for you as well!

...say, dad.

Hm?

Haha! I think she's a bit confused now, but yeah.

Mom is really enjoying it, isn't she?

I know that you're actually a lolicon, dad!

N-no, that's not true at all...

Liar.

You've always wanted to fuck grade school pussy inside out!

You can...

Use me if you want, I'm here...!
