

I tried to propose to my Foxy Girlfriend, and...

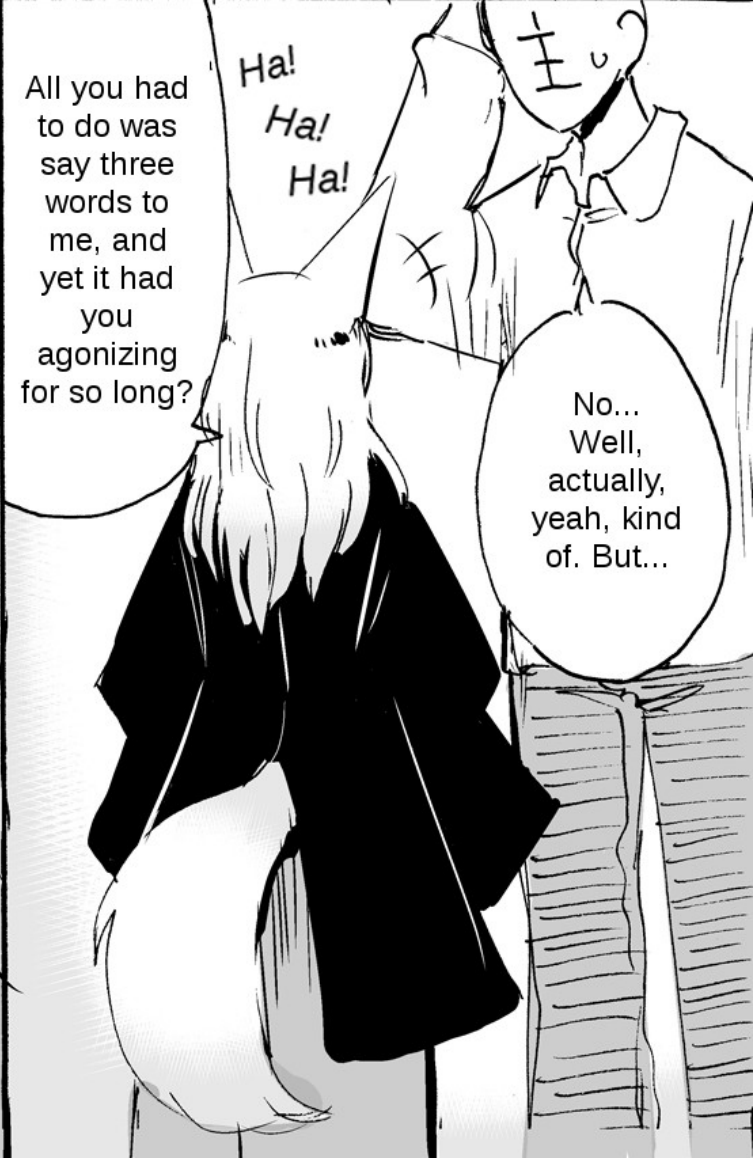

that they express this sentiment by saying three words: "I love you" and then asking that question, right?

Wait, in human society, it's when a human feels the desire to copulate with another

It's just three words! It should be easy, no? Watch; I'll even do it for you!

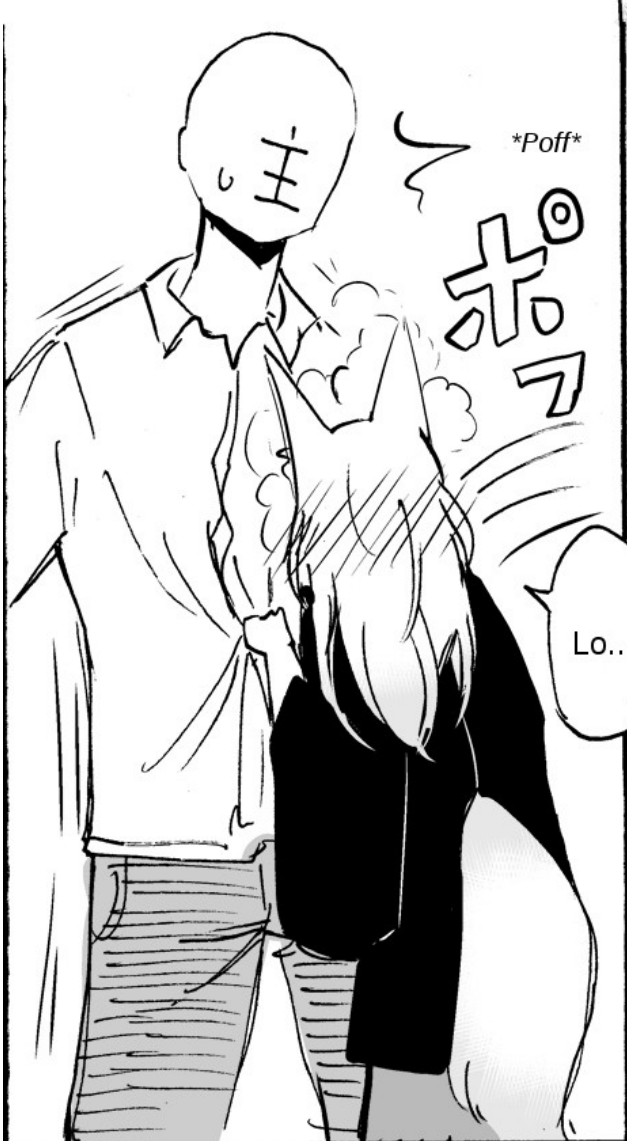

Ha!  
Ha!  
Ha!

All you had to do was say three words to me, and yet it had you agonizing for so long?

No... Well, actually, yeah, kind of. But...

I went on a date with my Foxy Fiancée, and...

They went on a Holiday Date.

Foxy lady, you sure you're gonna be alright with that scary stuff?

I hear the thing we're going to see is actually quite the Haunted House.

I doubt something like a Haunted House would have anything I could even categorize as "scary."

Oho~

まっほん

There's hardly a thing in this world that can actually frighten me.

Fufu~ I've lived for quite some time; I'm no child.

Hey, future foxy-wife...

This might be odd, but...

Haaa?!

even saying  
that for!?  
You...!?

When we're doing

Oh hey,

that,  
actually.

Such impudence.

He bought some kintsuba and let her try some.

We filled out this marriage registration...

Thank you and congratulations. Registration received.

I'm sorry... I can't give us a full-on wedding ceremony...

Why are we only doing this? Isn't it a little simple?

The municipal office sent us the certificate for our marriage registration and it just arrived!

The next day

Wow. She's so happy.

Way up there?

I'm going to put it right in our Family Altar!
