I'm already in my 2nd year of college.

I live quite a bit away from home, alone...

with a girl I don't know very well.

Ah!

Kansuke, I'm home!

This girl's name is Latika.

タコヤキ

TAKO-YAKI!

HERE.

IT'S "WELCOME BACK", NOT "I'M HOME".

That so?

More importantly, did you buy it for me!?

The first time I met her was last year on Christmas Day.

It was right when I left my apartment.

I can't do anything about that. ♪
I'm still waiting to be contacted by headquarters.

...HEY, WHEN ARE YOU GOING BACK HOME?

SH-SHOULD I CALL THE... POLICE?
ARE YOU OKAY?

She was dressed ridiculously lightly for the snowy weather and had collapsed.

It's been 5 months since then and for some reason she's still here.

It's delicious!

Mmmm~ ♡

I was left with no choice but to take her home with me, but...

S-s-so... C-c-c-cold...

I d-didn't s-see this c-c-com-ing.

HEY! ARE YOU ALIVE!?

I WISH YOU'D STOP SLEEP-TALKING IN SOME UNKNOWN LANGUAGE.

Kan-suke...

That's not what I mean!

Have you figured out what you want?

Hey, Kansuke ...

And now it seems she has to give a present to the person who helped her when she was stranded.

I re-tuse!

Leave me my part.

According to Latika, she's Santa Claus and she got stranded in Japan.

Kansuke, show me your forehead.

I'm going to read your innermost thoughts and pull out the thing that you really want.

There's no helping it...

To be honest, I'm much too old to believe in Santa and presents...

I think I can trust Karsuke, so I'll do it.

Okay, don't move!

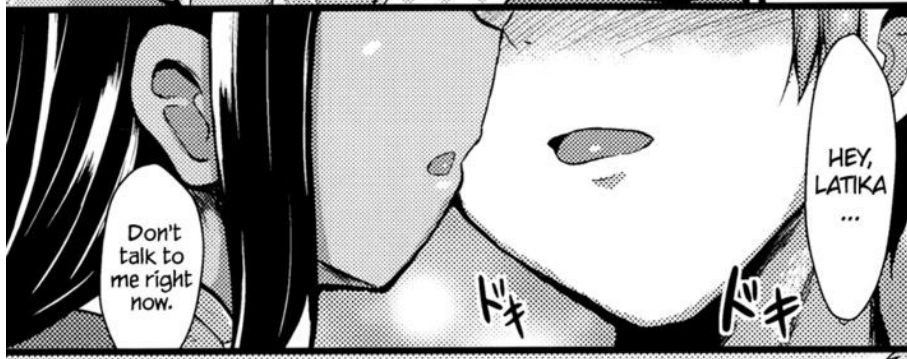

boop!

Uuh!

Because I've been told that I'm not supposed to do this except for kids or people who can be trusted...

IF YOU HAD SUCH A USEFUL ABILITY, THEN WHY DIDN'T YOU USE IT IN THE FIRST PLACE?

Don't talk to me right now.

HEY, LATIKA ...

Stop thinking about things that are irrelevant...

Well... I mean, her lips are so close it's almost like I can touch them.

I can't believe it, but this seems to be what you wished for.

YOU'RE THE ONE WHO MADE THIS STUFF APPEAR, SO COULD YOU NOT LOOK AT ME AS IF I'M A CREEP?

WHAT IS THIS?

Hey...

H-HEY!

K-Kansuke, they're... shaking and vibrating...

I-it feels a bit weird...!

I-I DON'T EVEN KNOW WHAT THIS SORT OF THING IS USED FOR.

Right now, I can read Kansuke's thoughts.

So that's why... I know that, somewhere in your heart, you wanted to use these on me.

Of course they're soft... they're breasts.

Haa ♡

Haa ♡

Kissing is really amazing, isn't it...? My head feels like it's spinning...

Latika is shaking... Is it really okay to keep going like this?

If Kansuke wants to... then it's okay...

I saw in Kansuke's mind... that you were kissing Latika.

And besides, I saw that I was... giving you a kiss right here too.

Keep going...

Latika is fine...

Kansuke... do you want me to kiss you here?

You want me to kiss your penis, right...?

Even though she's just touching it, I'm already shaking.

Your heart is beating faster than before.

Kan-suke ...

LATIKA, YOU DON'T NEED TO FORCE YOURSELF-

Haa

Is that so...? Latika's tongue feels good?

The way she moves her tongue feels way too good ...!

I know what you're thinking...

If she licks the whole thing like that,

I looked after Latika, who had fainted. The next day, she was contacted by her headquarters, and Santa Claus returned to her hometown.

In the end, H-HEY... ARE YOU OKAY!?

L-LATIKA...?

Ah, I'm home!

ガキ

Santa has left without granting my wish.

Now I'm alone...

It's already been three months since then.

It's well into summer now.

Well... the thing is...

I had to go back before I could give you all of your present, so... this...

W-WHY ARE YOU HERE!?

ガキ

?

Or was it "Welcome back"?

EH?

So that's why, Kansuke, I want to continue... what we did that time... forever...

if it's as a Bon Festival present...

Uhm... it's not possible to give someone Santa herself as a Christmas present, but...
