Dear Mikoto,  
Lately, the weather has been getting better with all the blue skies we're getting, it's starting to feel like spring.  
How have you been lately? You know I worry about you. I can't just stand by and do nothing. My daughter, now 26 years of age, is still single and doing nothing but working herself to the bone.  
So, I've signed you up for a singles event going on this weekend.
