# Forced to Cum While Needing to Stay Quiet

Translated By: Kusanyagi

He said  
he would  
never work  
with us  
again...!

Now he's  
extremely  
pissed off!

Why  
would  
you do  
something  
like that?

He kept  
feeling up  
my butt  
over and  
over...

But...

Bikini Model  
Nagumo Sayuki

All of that  
happened  
during the  
production  
of a certain  
TV show...

What  
were  
you  
thinking?

That's no  
excuse for  
getting  
violent in  
the middle  
of a shot!

Which probably wasn't the best thing to do for a professional idol.

But I just couldn't let him get away with it...

I told you to cut it out, old man!

So I knocked him down right in the middle of the show.

The famous host of the show kept sexually harassing me and went a little too far.

And so, I swore I would never lose control of myself in front of the camera again.

I do regret doing it though ...

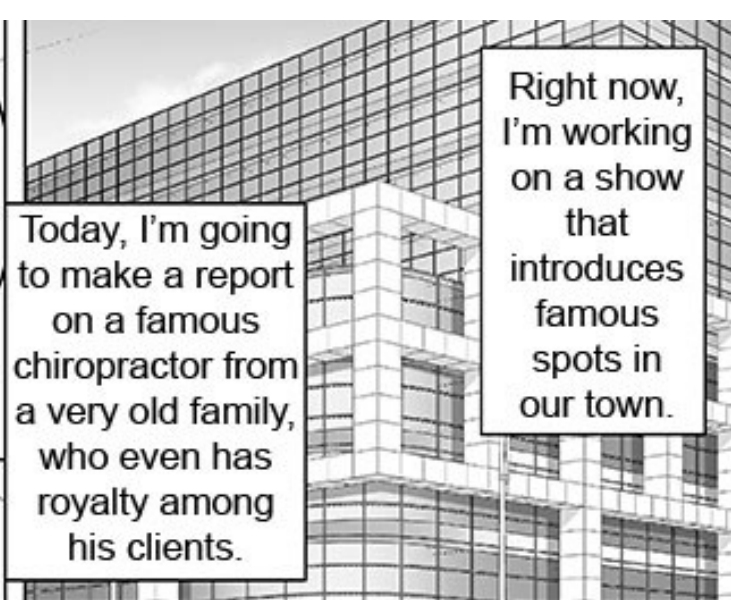

This incident caused trouble for my company and other idols who work with me.

Although sexual harassment shouldn't be condoned,

Nagumo Sayuki

A Bikini Model  
is Forced to Cum  
in Secret While  
on a TV Show

And this  
is my  
first TV  
job in a  
month.

But I've been  
getting less  
job offers  
after that  
incident.

But  
...

This guy  
is actually  
pretty good  
...

The way  
he's touching  
me is a  
little weird  
...

Why  
does  
he  
keep  
grabbing  
my  
breasts...

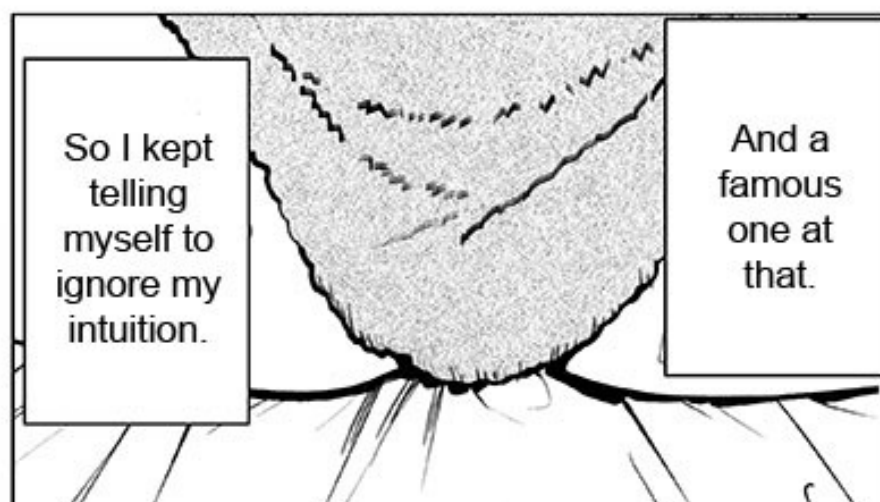

You know,  
if I press this  
spot right here,  
I can get rid of  
the stiffness  
in your  
shoulders.

There,  
that feels  
a lot better,  
right?  
?

Uh, ya...  
you're  
right~

I can't  
afford to  
screw  
this up  
...

That I  
was right  
to feel  
uneasy...

But in  
the end,  
it turned  
out...

Or maybe  
this is just  
part of  
the  
treatment?

Could  
it have  
been  
an  
accident  
...?

That guy  
caught a  
moment  
when my  
upper body  
wasn't on  
camera.

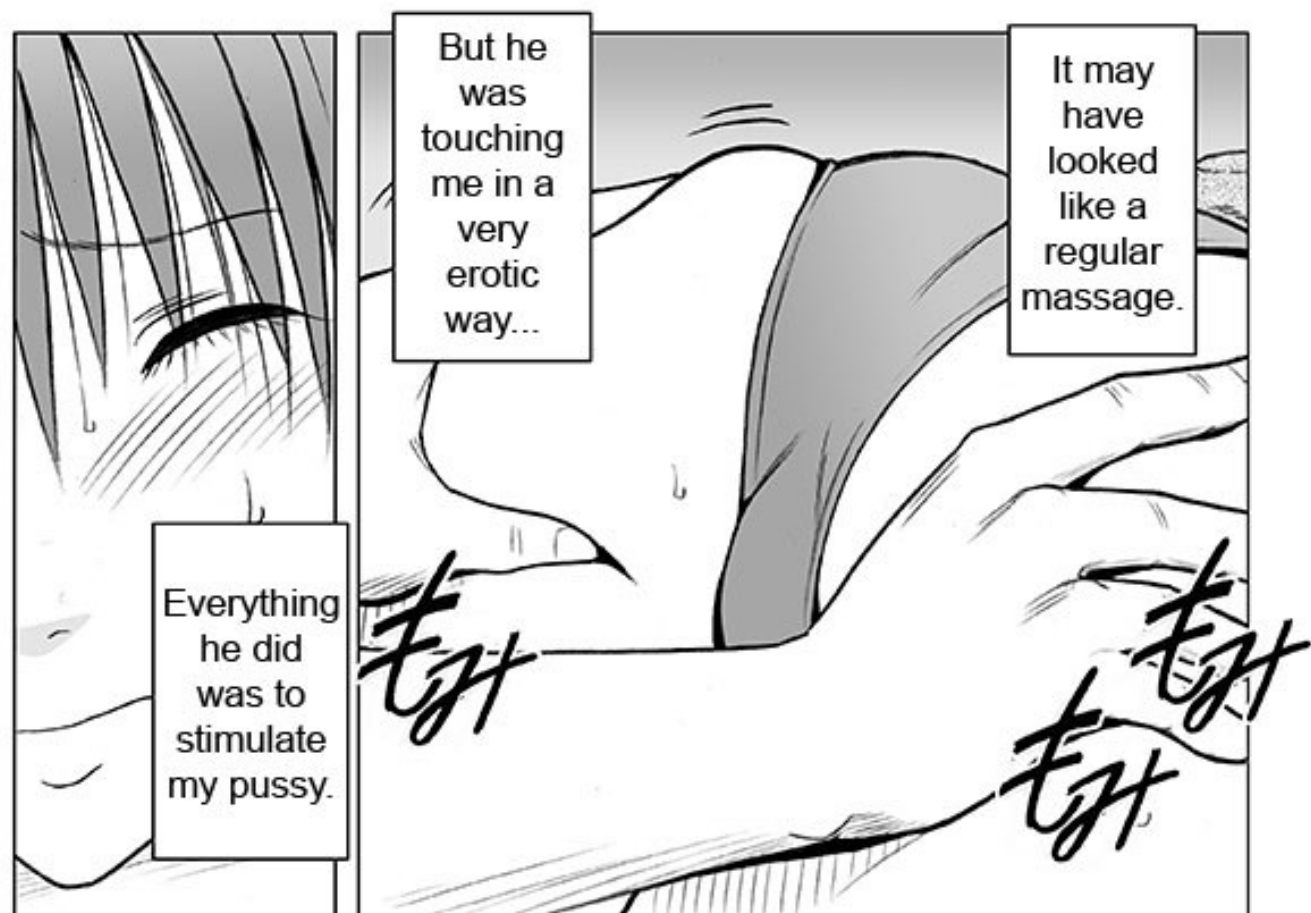

He's clearly  
just playing  
with my nipples  
whenever  
they're off  
camera...!

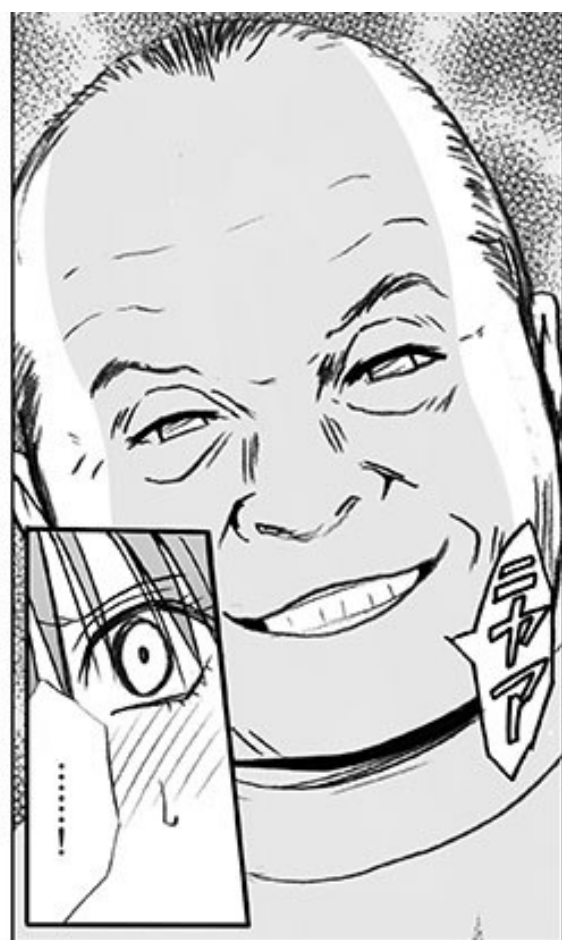

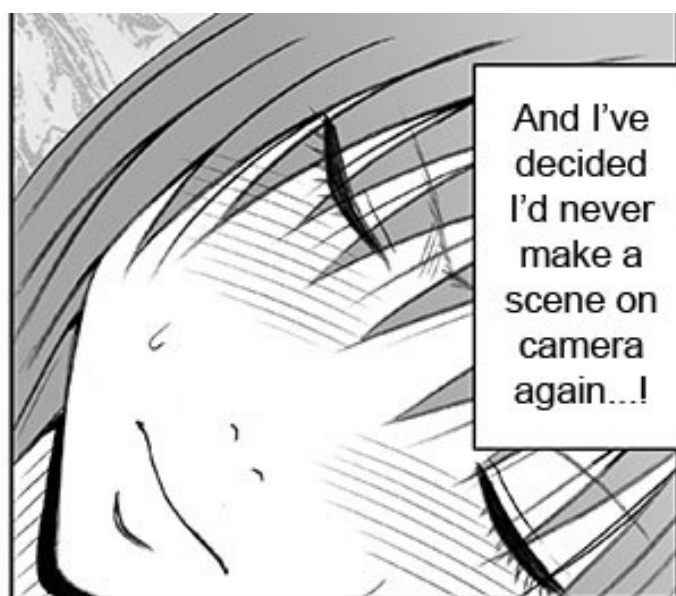

No...  
That's  
not  
it...!

Then slipped  
his hands  
into my  
swimsuit  
and fondled  
my nipples  
directly.

And I've decided  
I'd never  
make a  
scene on  
camera  
again...!

But  
right  
now,  
we're  
filming...!

I would  
totally  
punch  
him,  
if we  
weren't on  
camera...!

So I just  
have to  
ignore the  
fact that  
this bastard  
is sexually  
harassing  
me!

But I also  
can't cum,  
moan, or  
make any  
sexy  
expressions  
...!

I can't  
fight  
back  
on  
camera  
...!

I have to make  
a professional  
report about  
my experience  
here, and  
that's what I  
intend on  
doing!

My body  
started  
getting  
really  
turned  
on.

So after a  
while of  
being  
massaged  
here and  
there,

ズルッ  
(Zuru)

Even though  
I was being  
touched  
against my  
will, he was  
really good  
at his job.

Well,  
that's  
what I  
thought,  
but...

As soon  
as we take  
care of this  
knot in  
your  
neck,  
you'll  
start  
feeling  
much  
more  
relaxed.

While he was  
working on my  
neck, the camera  
focused on my  
face, so he could  
keep stimulating  
my pussy.

I would  
probably  
be  
cumming  
already...

And it felt  
so good that  
if it wasn't  
for the show  
staff being  
there,

The camera crew showed some courtesy and moved behind us, but...

After that, he told me to take off my top so he could give my chest an oil massage...

That just meant that most of my body was in their blind spot.

Now he could keep teasing my breasts as much as he wanted to...

Uhh!  
♡♡

It felt like  
he was  
trying to  
get some  
kind of  
reaction  
out of me  
...

He kept  
teasing  
my breasts  
and  
twisting  
my  
nipples.

Uhh!  
♡

I felt  
like  
I was  
being  
violated  
...

This  
was no  
longer  
your  
usual  
sexual  
harass-  
ment.

How is  
it? Do you  
feel your  
body  
getting  
hot?

So he kept giving me embarrassing orders like putting my hands behind my head and spreading my legs...

And he knew I was in no position to resist him.

That's it, keep them there and relax~

But having to meekly obey every order while being sexually harassed was very frustrating...

I knew I had to listen to him while we were rolling.

Now  
hold  
your  
breath  
...

Okay,  
keep your  
back arched  
like that  
...

I  
can't  
take  
it  
anymore  
...!

I'm  
going  
to  
cum  
...!

Mnn  
nnn!!

Oh  
no  
...!

I'm  
cumming  
...!

Oh  
God!

Someone  
...

Help  
...!

Mn  
nnnn!

Uhn

nnn

ngn~

I came  
hard, even  
though  
I was  
on camera  
...

I really  
didn't want  
to cum.

But in the  
end, I just  
couldn't  
resist  
his  
techniques.

Mn  
.... nnn  
Uhhhh ...  
!!

STRENGTH

And came  
up with  
some  
vague  
explanation.

He took  
out an  
“electric  
massager”.

And  
decided  
to really  
humiliate  
me.

After that,  
he really  
started to  
get carried  
away.

Then  
pressed  
it directly  
against  
my  
pussy.

In the  
end,  
I couldn't  
resist  
at all.

And he  
made me  
cum in the  
blink of  
an eye.

And they all left the room.

So they said they would take a break.

After that, my crew had to change the tape...

Now I was all alone with the chiropractor.

But, as soon as I thought that...

And now, we're not on camera anymore and no one can see us...!

There's no way I'm going to let him get away with what he did...!

I just won't feel good until I slap him at least once...!

my body  
was  
already  
incredibly  
turned  
on.

And since  
I let him  
tease me  
so much  
while we  
were on  
camera,

or  
will to  
resist  
him.

But now  
that he  
was fucking  
me, I no  
longer had  
the strength

Ah!

He tied my  
hands,  
although  
it was  
completely  
unneded  
at that  
point...

Nnn  
ngh!

Mnn  
nn...

Huh!

So he kept raping me for over 30 minutes

and I  
was  
helpless  
on my  
own...

my staff  
never  
came  
back in,

In  
the  
end,

Maybe  
this was  
a trap  
to being  
with.

Heh heh  
heh, we  
should  
probably  
end this  
soon.

was my  
punishment  
for that  
earlier  
incident...

Who knows, maybe this entire thing
