You got it for me? Thanks a lot, big brother!

These are really popular with the kids at school these days, right?

Hey there, Shouta! Here, I got a Yo-Kai Medal for you.

Oh gosh, Kashiwagi-kun...

Thank you for looking out for him all the time, Kashiwagi-kun.

Yay, lucky me! I didn't have this one!

Please don't be so formal about it. Shouta's like a li'l brother to me so I can't help doting on him.

Uwaah~ Her face says that she's not altogether unhappy with the idea. So cute!

Well... I wouldn't mind if he were my son instead of my li'l brother...

HA HA HA

If I can worm into her favour like this, I bet she'll open her heart and body to me...!

Kashiwagi-kun, cmon...

Eww, what a weirdo ...

Shh

DE HE HE HE HE

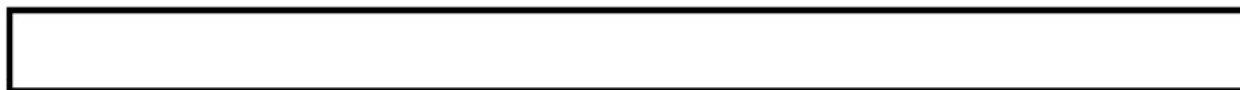

Chisato-san is a single mother who's raising her naughty son...

Isn't that great?

Buying some toy that I'm not the least bit interested in and giving it to this kid next door... It's all for the sake of pleasing Chisato-san.

With that lewd body of hers, I'm pretty sure that she's quite pent up...

YUP !!

Oh, in that case... ?

Yeah...

Done with college for the day?

Ah, Chisato-san!

Kashiwagi-kun...

An invitation for tea with just the two of us! And furthermore, she emphasized her boobs while talking...

This! This is IT!

Oh, good ♡

Alright, come on in.

Y-yes! I'd love to!!

Right now Shouta has gone over to his friend's place to hang out...

!!!

Would you like to come over for some tea?

You're way too sexy!

I... I can't control myself anymore!

We shouldn't be doing this, Kashiwagi-kun. Please calm down!

Together with Chisato-san in a room which smells of her...

Here you go.

Kya!

CHI-SATO-SAN!

I'm at my limit already!

T-that is... not...

I bet you were expecting something like this to happen, right?

Even if you say that... Weren't you the one to invite me while wearing such a daring dress in the first place?

Nhoo!

!!?

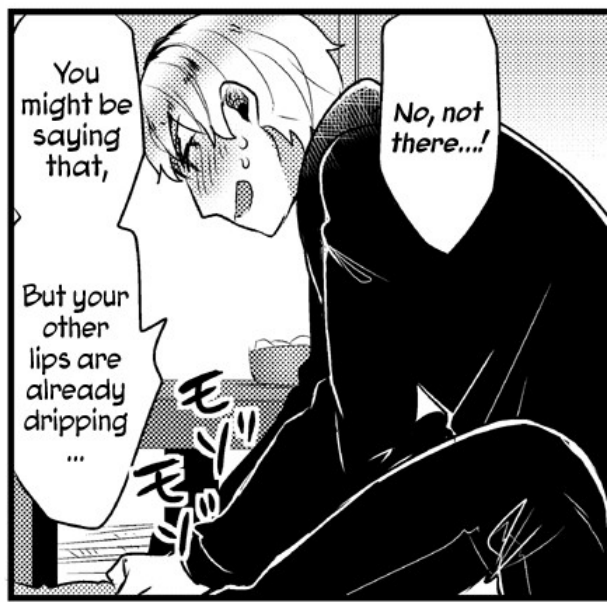

Oh no... this is so embarrassing!

02-020

Kya!

Are you sure about that?

You might be saying that,

But your other lips are already dripping ...

No, not there...!

Finally my secret's been revealed to Kashiwagi-kun...

A Dic-? Huh? A guy...? Huh?

WHAT?!

SLIDE...

But it's true that I was trying to seduce you, Kashiwagi-kun...

HEE

It can get quite frustrating once you have a kid, y'know?

A... Guy...?!

I never really meant to deceive you...

Sorry... but actually I'm a guy.

I've gotten surgery done for my upper half, but the lower half is still...

I have always wanted to have sex with the young and cool Kashiwagi-kun.

I knew that you mistook me for a woman, but still it made me happy.

Huh?

My apologies but I don't think I can go any further...

I'm really sorry about cumming on your face. I'll clean it up for you...

Don't say that...

So, please, let's continue...
