

She's a hand-me-down! A slut!

Bullshit! If a girl character goes googly eyes for a guy, she's no longer a virgin!

If you were really a fan of the character, you'd accept all of her! You'd support her love!

Wrong!

How can you have this conversation in front of an elementary schooler?

Creepy

So we can talk about it... together! ♡

Huh?!

Ri...Rio-taso, is there any anime you like...?

I'm divorced, but let's party!

She's my loose older sister's daughter, Rio-taso. She's in the fifth grade...

Gotchin... Who's the little girl...?

My sister's out on a date so I'm looking after her...

Seems she got a new boy-friend.

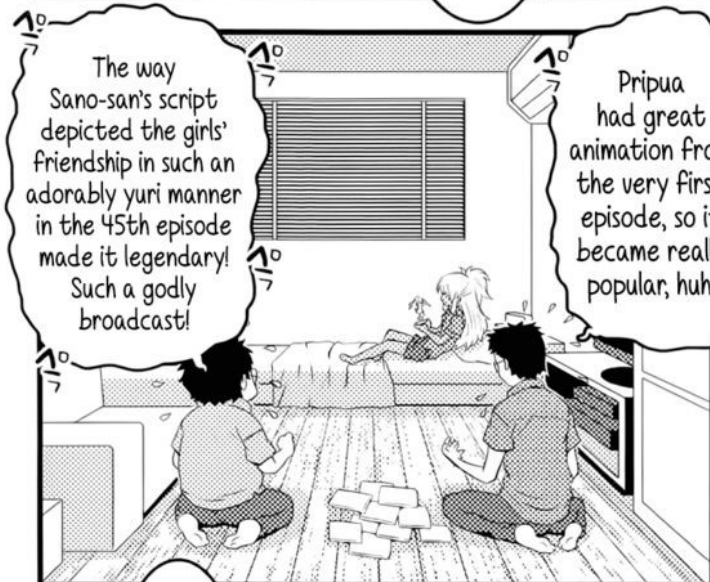

Hey, I recognise this.

after becoming a grade schooler?

Who the hell watches anime

Eh?

The way Sano-san's script depicted the girls' friendship in such an adorably yuri manner in the 45th episode made it legendary! Such a godly broadcast!

Pripua had great animation from the very first episode, so it became really popular, huh!

This brings me back~!

Pripua!

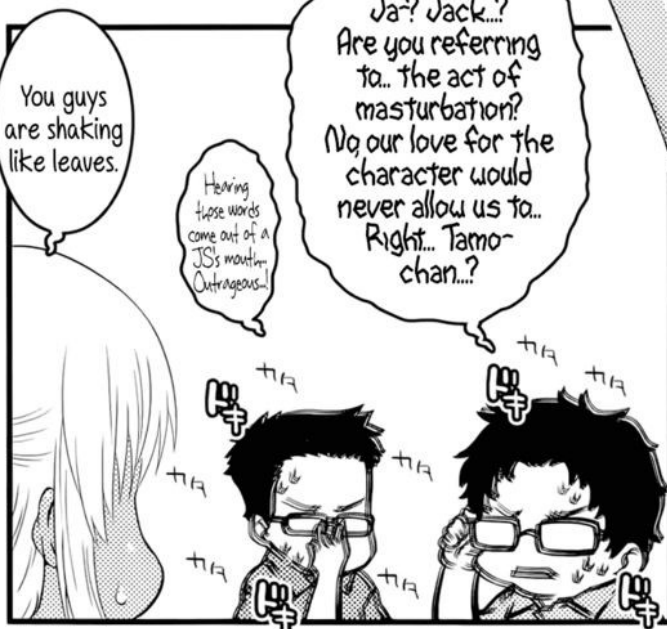

Hmm.

I used to watch this show all the time when I was in kindergarten!

Myself, I preferred the horror themed 26th episode!

Aww! That episode was lesbo as hell too~! It was also godly~!

You guys are shaking like leaves.

Hearing those words come out of a JS's mouth... Outrageous!

Ja? Jack...? Are you referring to... the act of masturbation? No our love for the character would never allow us to... Right... Tamor-chan...?

Is this what you otaku nerds jack off to?

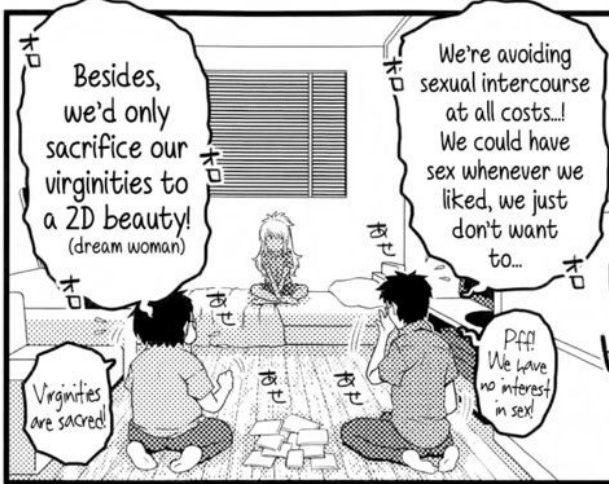

Realistic panties?

What an unbelievable lack of virtue... This is what's wrong with 3D women...!

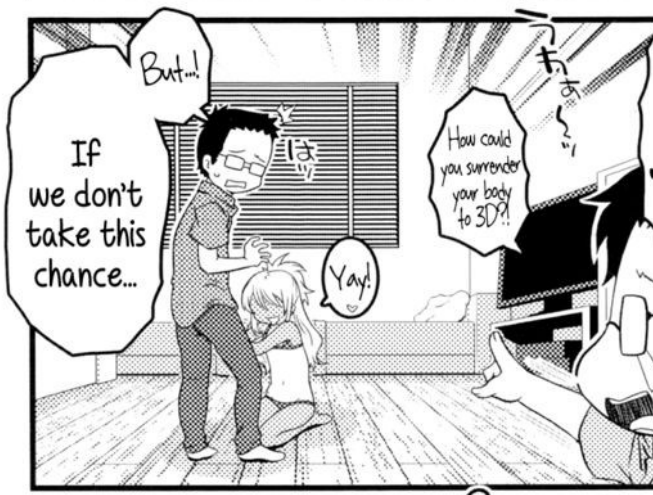

Mama used to do it too, back in the day.

Wow! Too much information!

So? It's pretty common.

R-Rio-taso, y-you do compensated dating?

In the fifth grade?!

If we don't take this chance...

Yay!

How could you surrender your body to 3D?!
