Hmm?
I was just thinking maybe I'd help you vent.

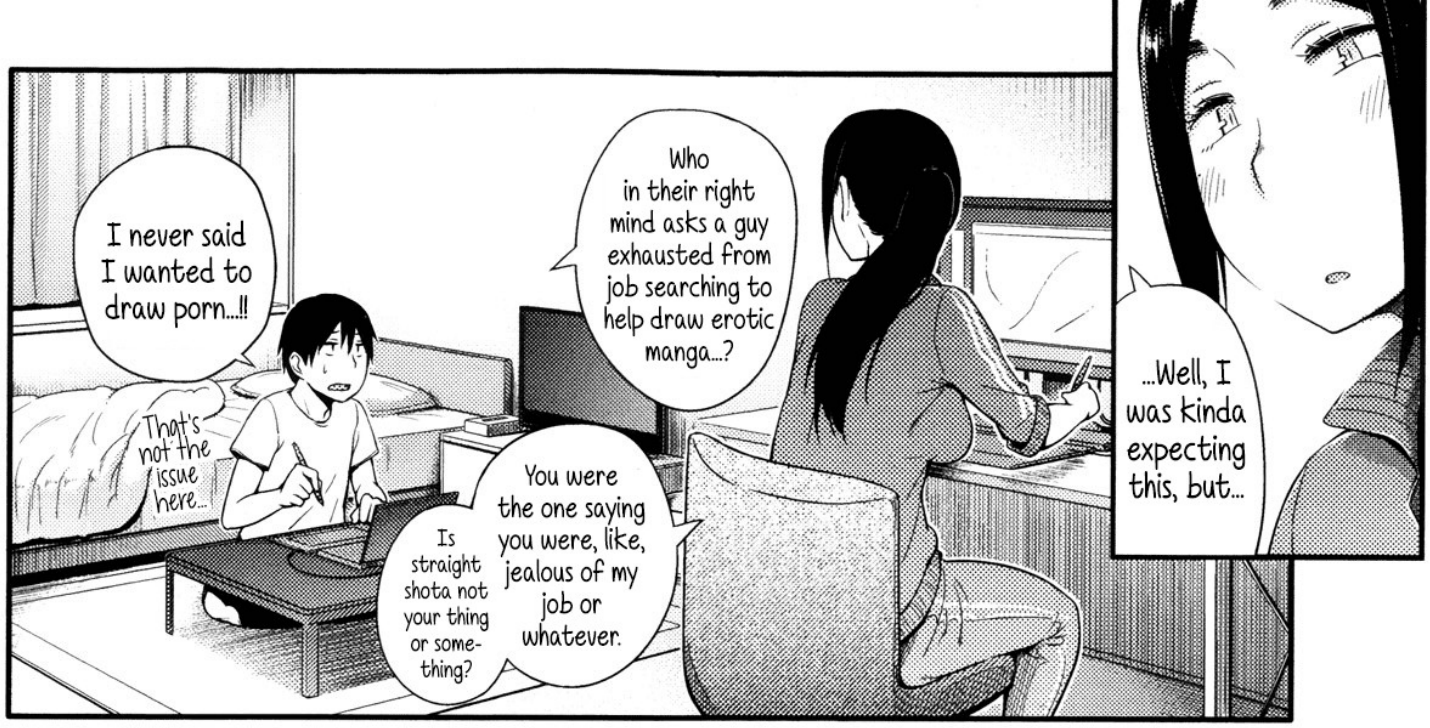

...W-Why're you here? You need something...?
Fresh out of the bathtub...
What a nice bath!
Ha—
There we go.
On your mother's advice, I used your bathtub for the first time in ages.

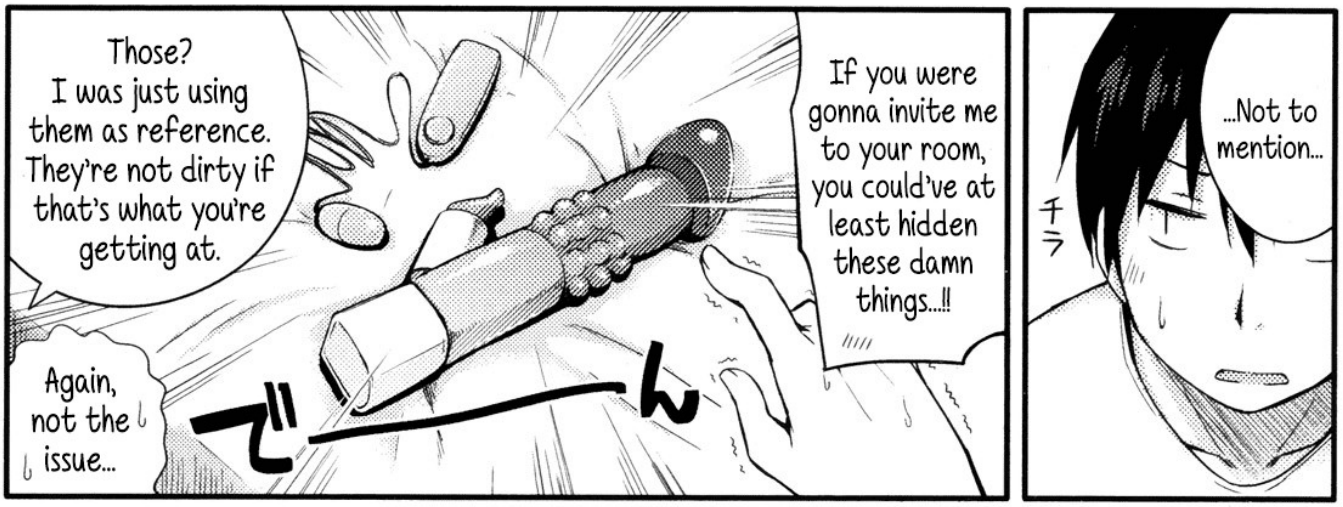

...I see. You're having a hard time getting anywhere in the industry you want to work in...
Yeah... I mean, it's not like I don't have a chance but... The problem is when is that chance going to come, y'know?

Huh...?
Ba-dump
...Alright.
Then come to my house for a sec.

Sigh
...I'm kinda jealous of people like you, who actually managed to get a job doing what they like.

I never said I wanted to draw porn...!!
That's not the issue here...
Who in their right mind asks a guy exhausted from job searching to help draw erotic manga...?
Is straight shota not your thing or something?
You were the one saying you were, like, jealous of my job or whatever.
...Well, I was kinda expecting this, but...

Those? I was just using them as reference. They're not dirty if that's what you're getting at.
Again, not the issue...

If you were gonna invite me to your room, you could've at least hidden these damn things...!!
