

NOT AT ALL!!

Something on your mind?

Though I know I shouldn't, I can't help but have my girlfriend's body on my mind...

However, I've had some trouble recently....

Y-Yes! I'll probably study for the tests.

Alright.

Are you free for the rest of the day?

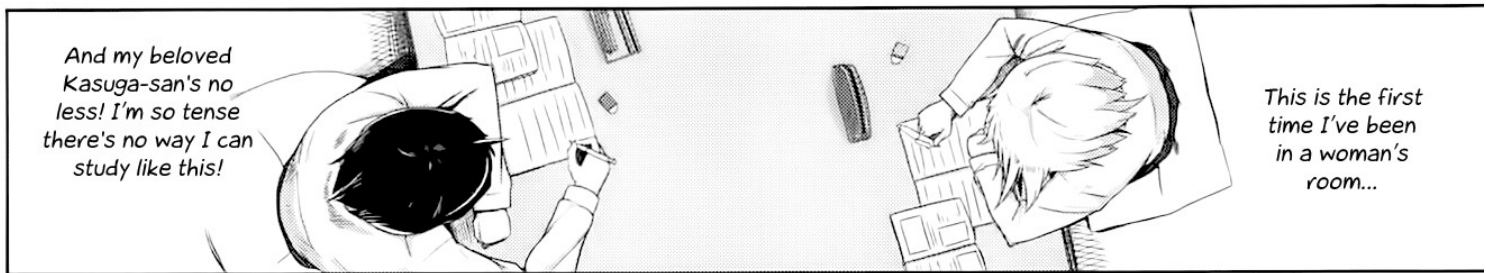

Satoshi, you're smart, help me study.

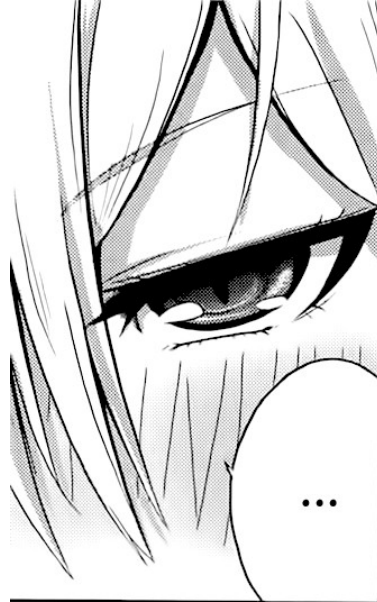

Oh yeah!

In that case, won't you study at my place?

...Sure.

Seeing it
is a
problem
for you,

alright if I
come over
there?

I've got
a problem
I don't
understand...

We studied
pretty
diligently...
