MAYONAKA YONAKA NO ACCEPT
presented by
ONO HIROYUKI 小乃ヒロキ

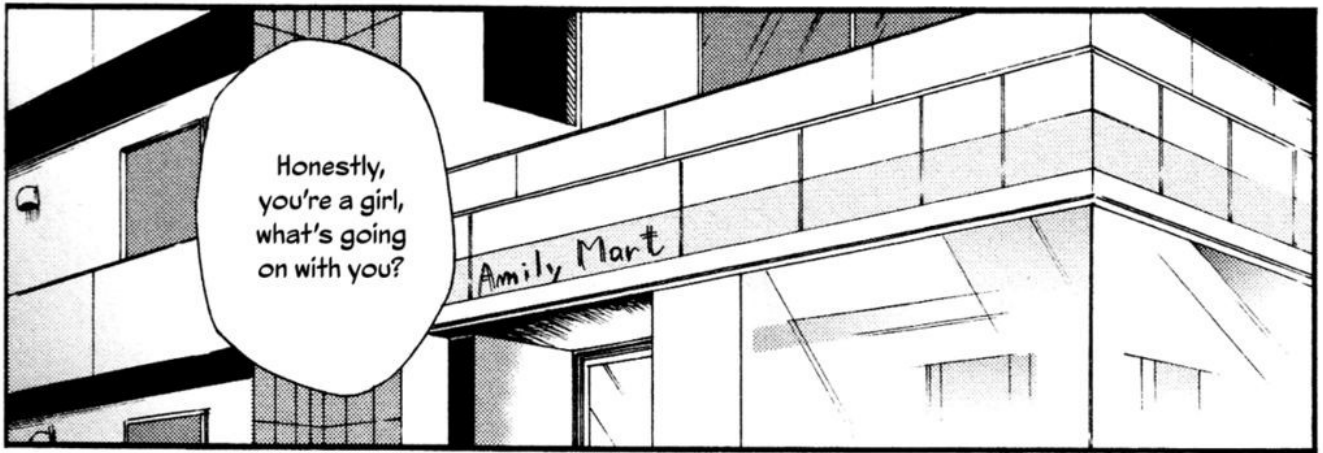

The last
train of
the night is
gone!!

I can't
get
home!

What
of it?

Honestly,
you're a girl,
what's going
on with you?

Well,
it's my job...

and
I don't
mind it.

かほ

How can
you stay
at work
overnight
like it's no
big deal!?

I see
you're buying
a lot of stuff,
Kawamura-san.

Plus,
there's
not much
else I want
to be
doing.

You're a
corporate
slave,
Senpai~

But I'm not prepared for any of this...

No way!

It's a bunch of daily necessities.

You think so!?

What a horrifying cycle for a corporate slave...

I'll take the first train home in the morning to shower, and then come back to work.

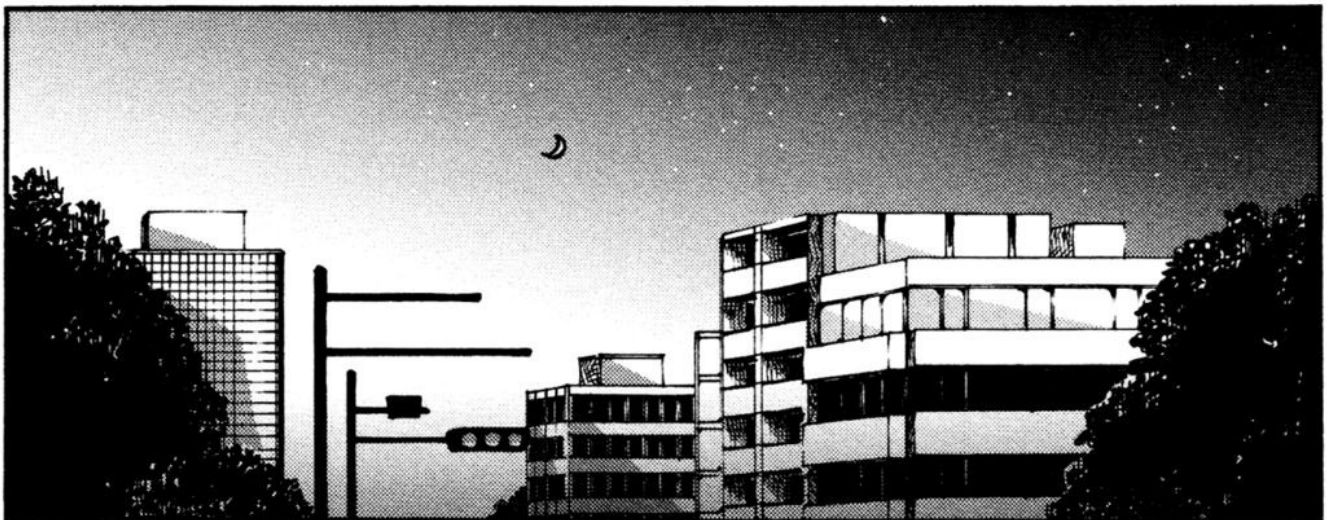

That's all you're buying, Senpai!?

I wonder if she considers not caring about all those expenses a part of 'being a girl'.

Hmm...

Eh!?

Eh! What are you dressed like that for!?

You may be the first one in the company to see me without makeup, Senpai!

You're still in the office...

It's just us girls here, what's the problem?

Ehene!

She washed her hair in the kitchenette.

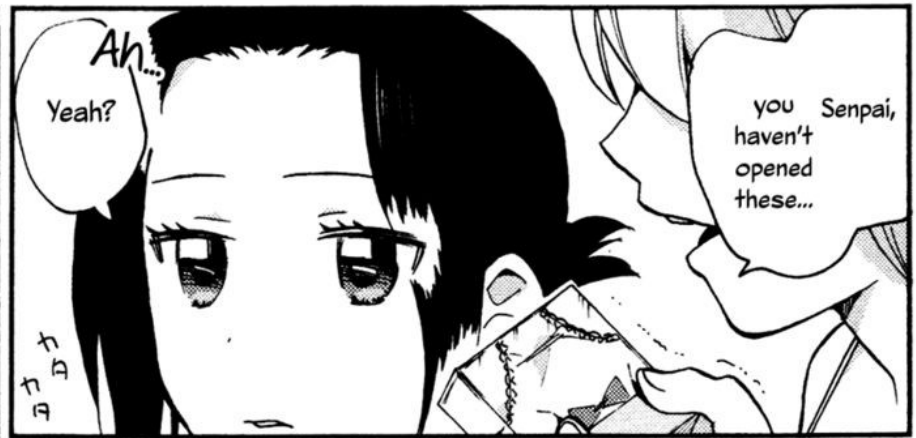

Put them back where they belong in the morning.

Toss!

I pushed our guest sofas together so we could use them as beds!

☆

Hey!

Stop that!

Let's get these panties changed!!

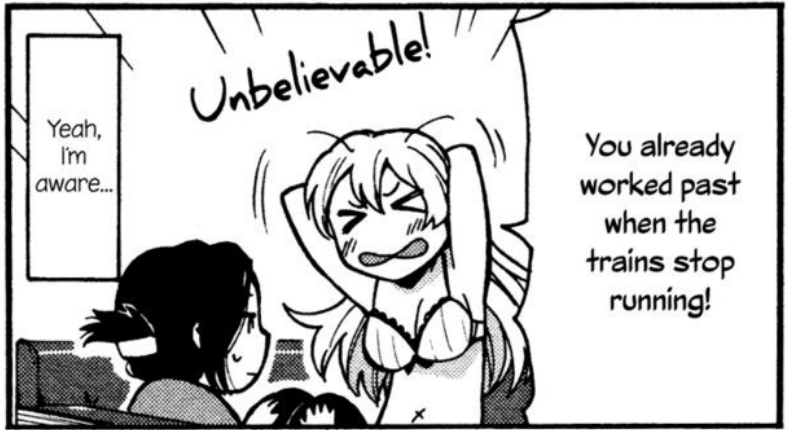

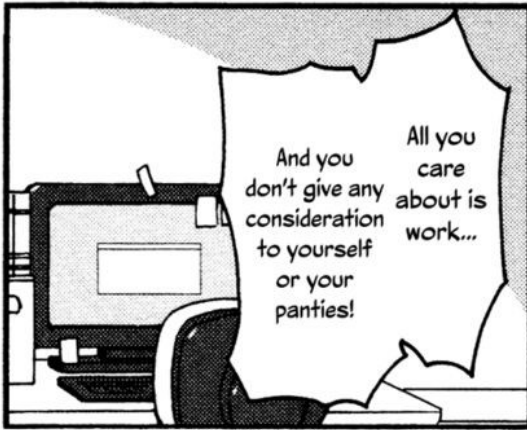

Let go!

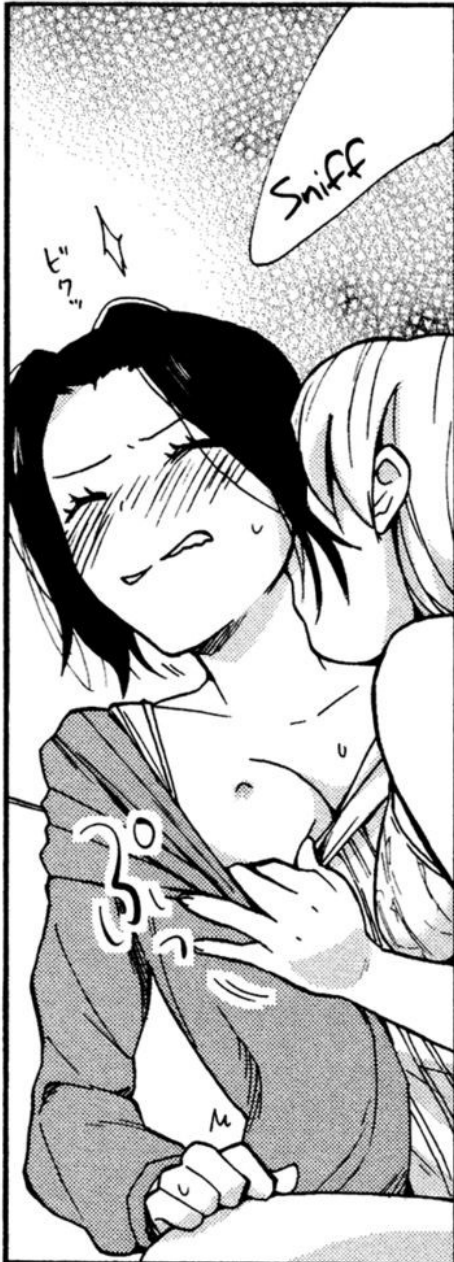

They've done a good day's work!

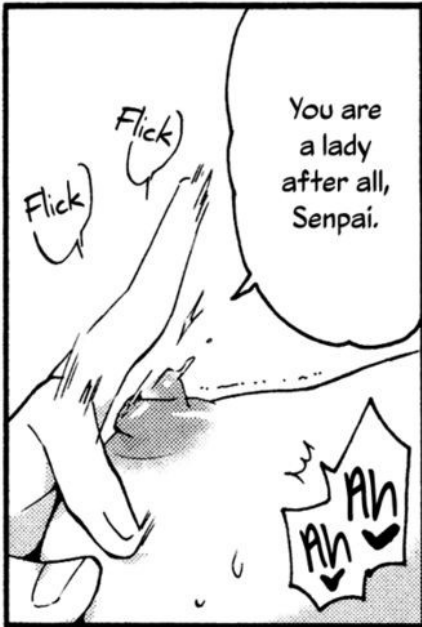

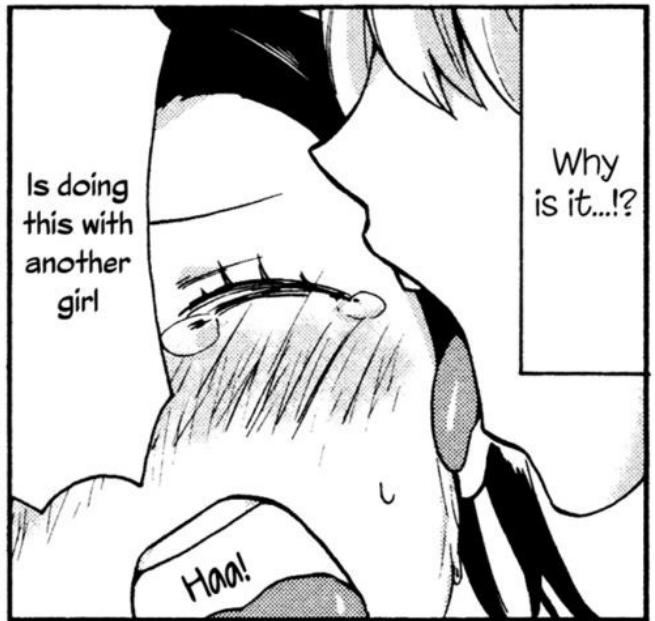

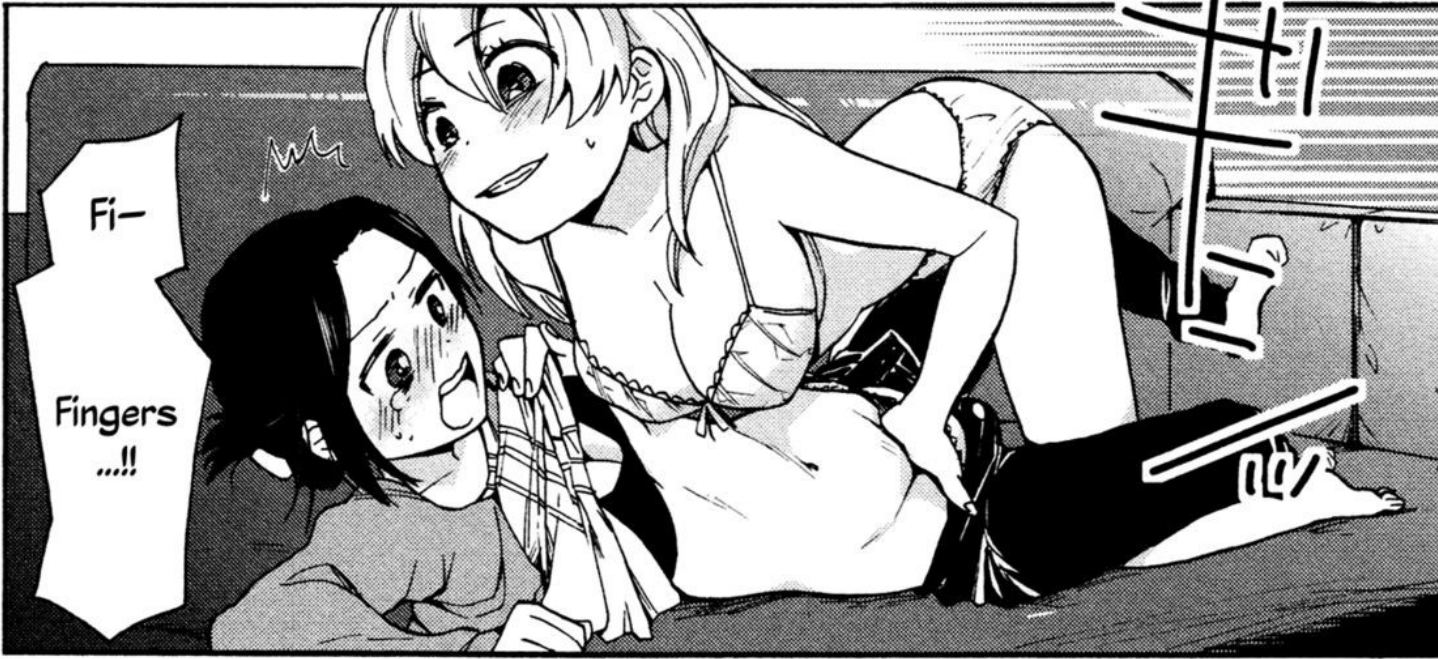

What is she babbling about!?

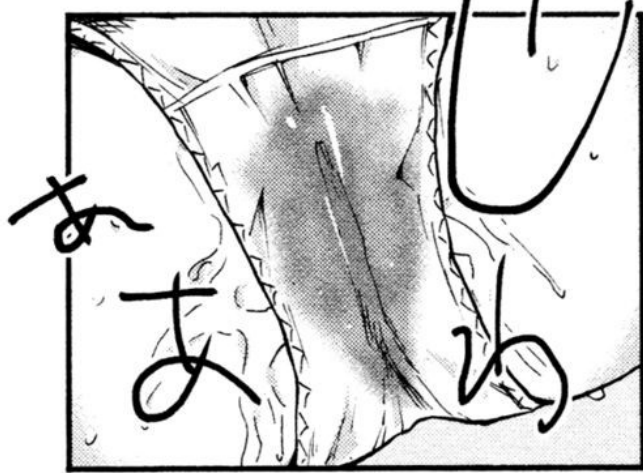

It's time for a break! For you and those panties!

After saying that,

With your "girl" juices.

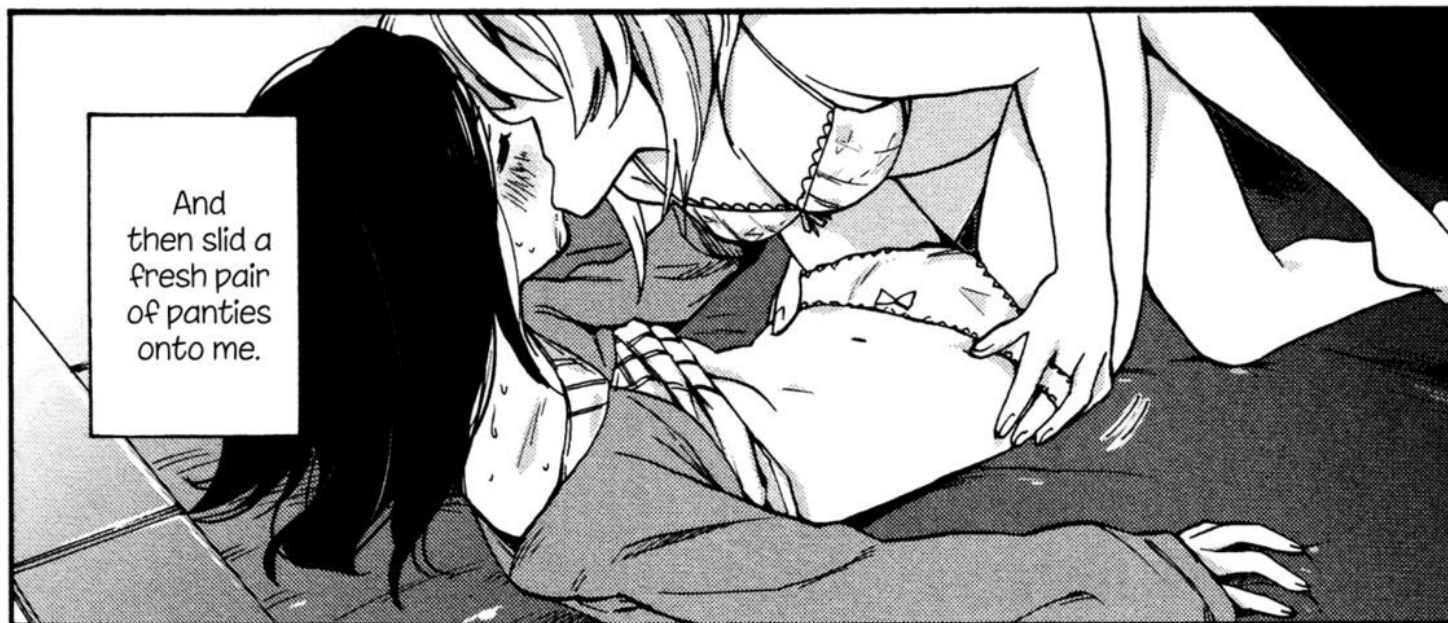

Drip

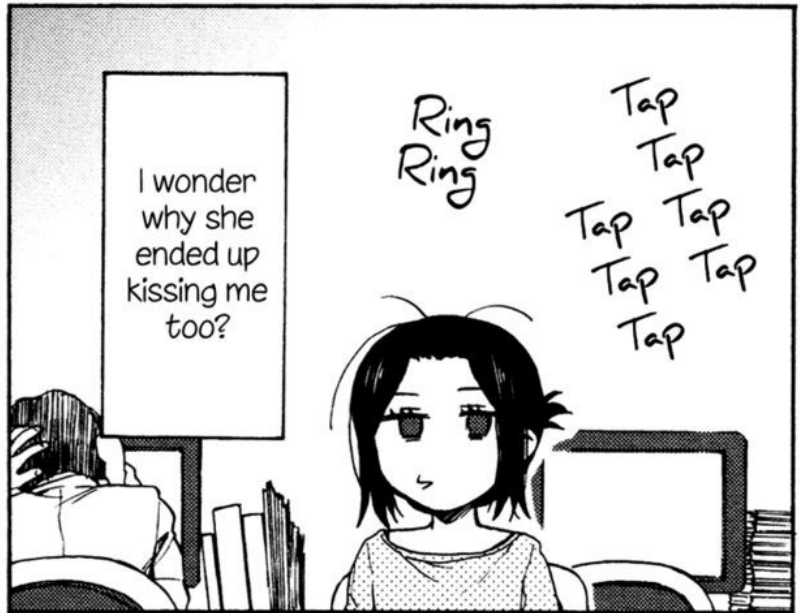

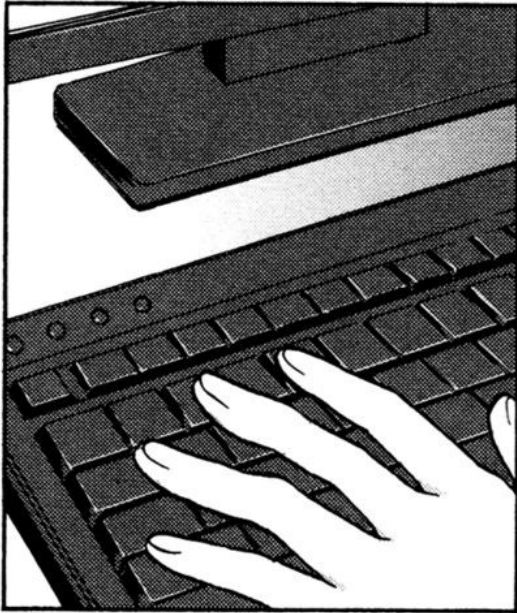

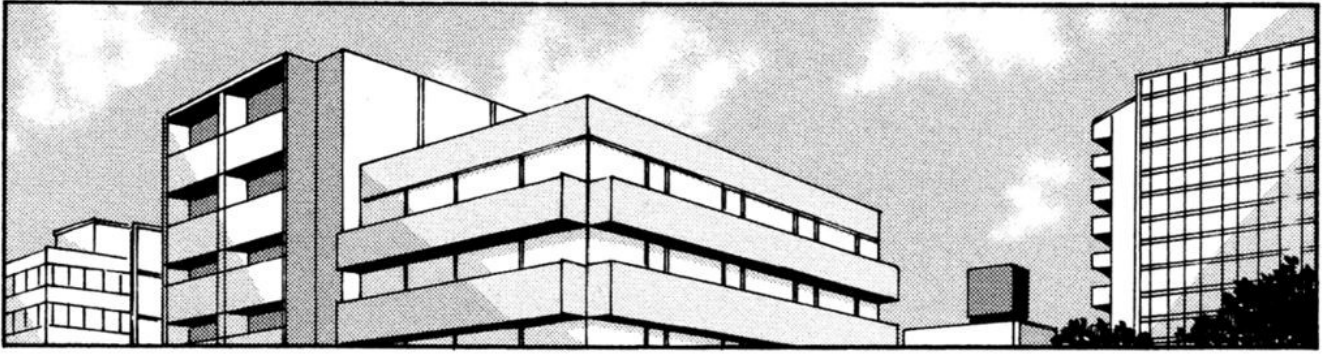

she licked my juices off her fingers.

very carefully,

And then slid a fresh pair of panties onto me.
