It will be
all down to
my acting
ability.

.....
The cloth over
Tomata-san
is the only thing
hiding the
support desk.

I wonder if
this will be a
surprise for
everyone?

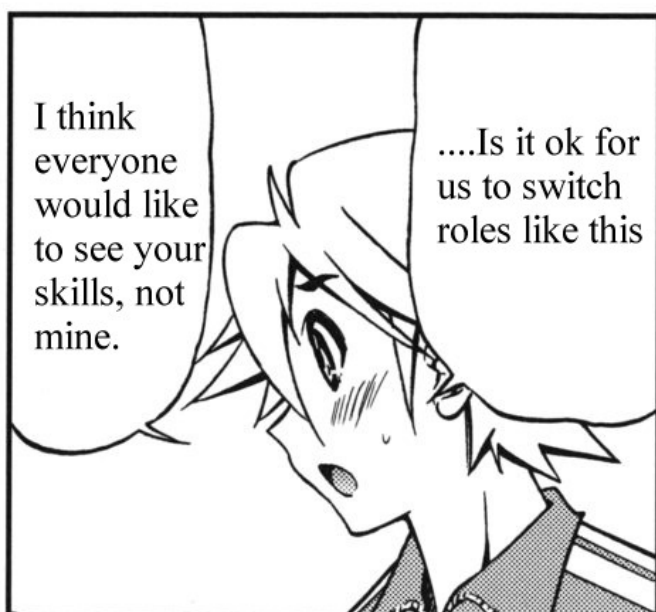

And that
is why I'm
practicing.

I have to use
this show to find
new members
for the Magic
Club.

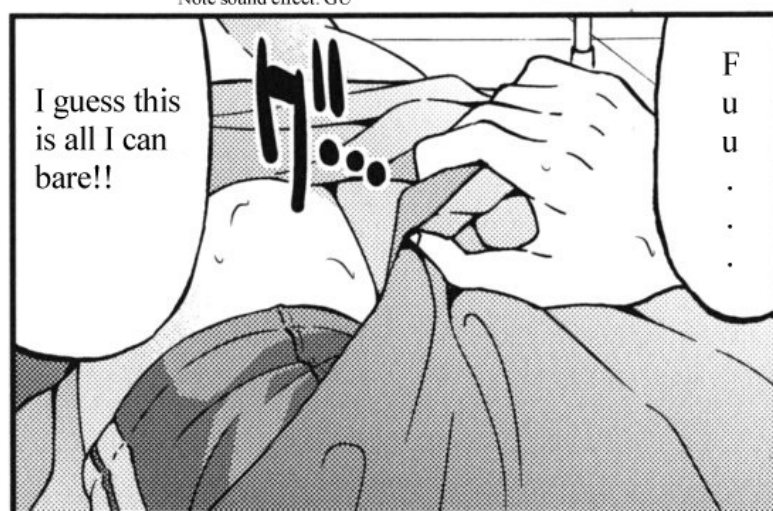

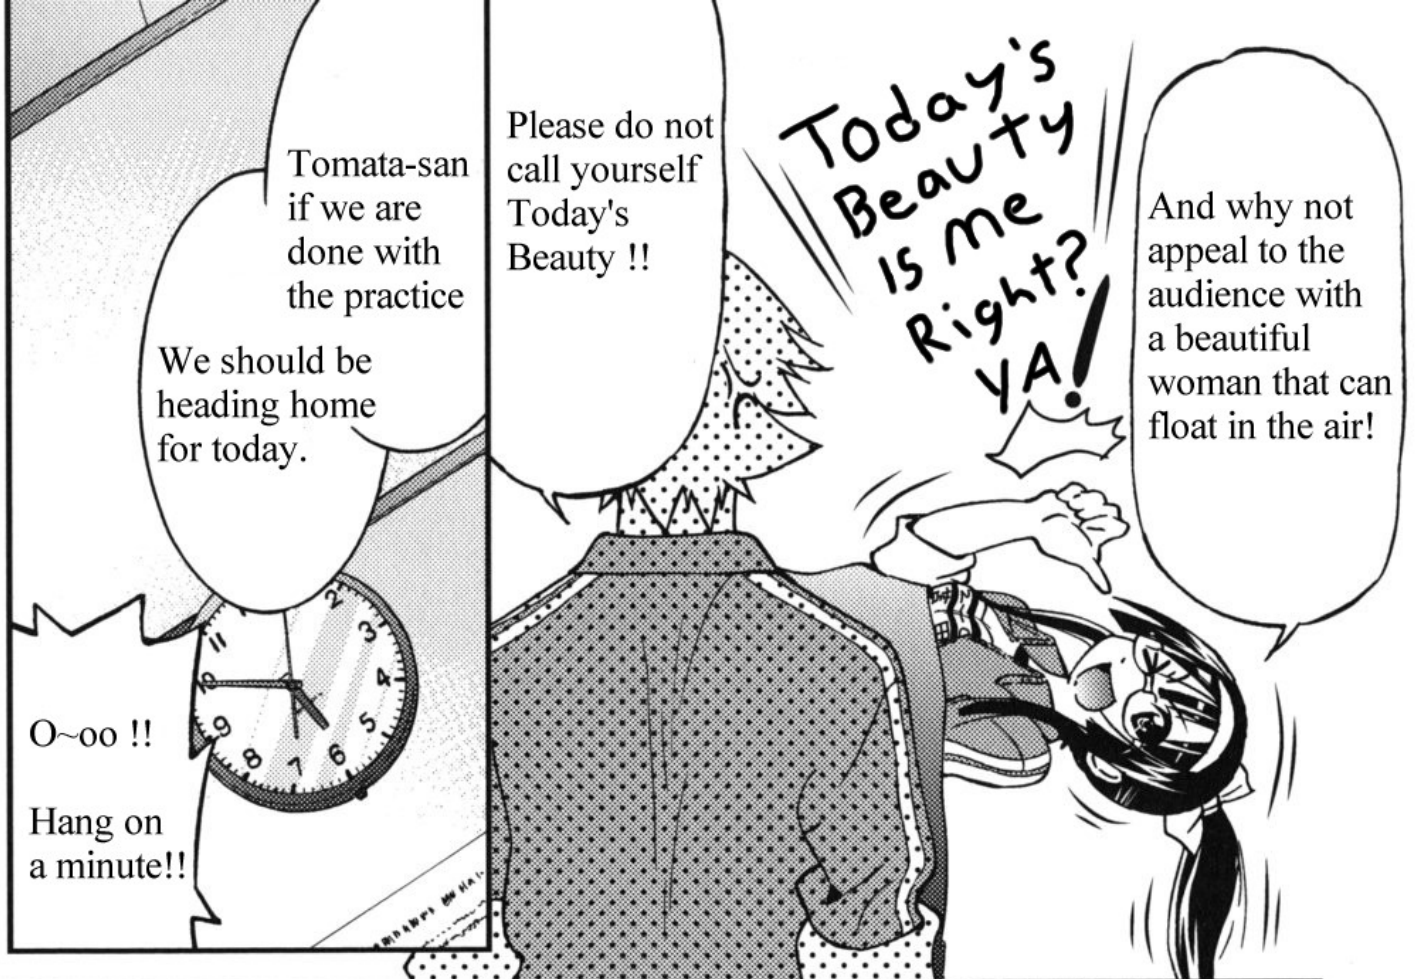

The
Magicion
has to be a
man!
The asistant
has to be a
beautiful
woman!

What
are you
saying?

I think
everyone
would like
to see your
skills, not
mine.

....Is it ok for
us to switch
roles like this
