to stop
greeting
me like
that?!

Hey!

This girl is Anna Harding, a student in my class.

She's in the... sixth grade now.

However, her chest is gigantic compared to all the girls around her.

She moved here from America because of her parents' jobs.

I wonder if that's just the regular size in America.

I mean, those could endanger a healthy mental and physical development for all the boys in class! They might even provoke some malicious adult to attack her! And above all, they're dangerous to my rationality!

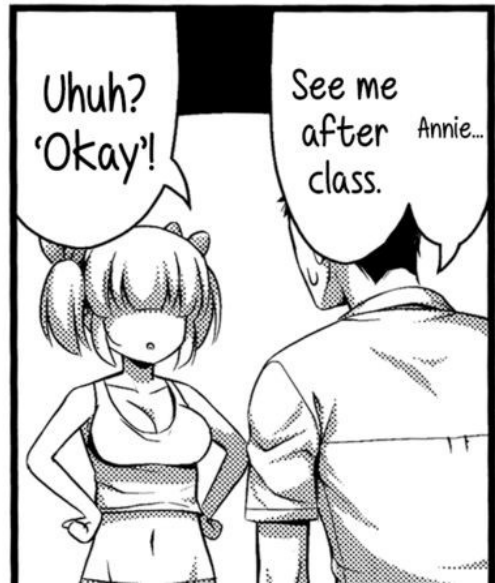

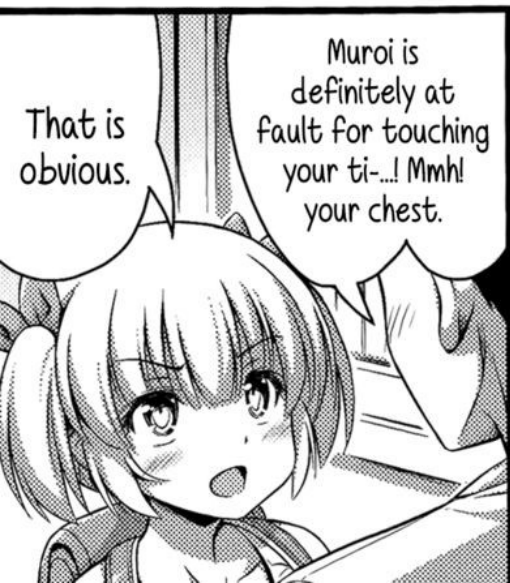

And to make matters worse, Annie comes to school dressed as if to emphasize her sexy bod

A CLASH BETWEEN CIVILIZATIONS ...Or something like that?

That outfit is much too exciting for the boys!

This time you got off with a light prank from Muroi, but there's no telling what might happen next time!

However! As I've said before, you're not completely without fault when you come to school dressed like that!

'Why'?!

I didn't do anything wrong!!

Gulp

...Yeah.

Really?

I don't feel like that about my students...

D-Don't be stupid...

Does it excite you too, Kohei?

Do you hate me, Kohei...?

Y-You... It's not a matter of love or hate...

...What was that?

Mmr...

But I only wear these outfits because I thought they made you happy!

So you say.
But didn't
you call me
here just
so we could
be alone
together?

I don't
care about
something
that
petty!

She's being unreasonably cute!

Ups?!

Oh...?

How do you like my boobs?

Wow... They're so supple!

You don't see puppies like these in Japan. ♡

...They're massive.

If a country like that exists then I'm moving there!!

'Good morning', Kohei!

In that case, do you want to go to the student counselling room alone with me again?

AMERICAN
STYLE
season.2

I've come
to Annie's
hometown in
the west coast
of the United
States

Annie is one of the
students in the
fifth grade class I
teach, but for family
related reasons she's
currently back in
her home country.

She took
advantage of
this opportunity
to invite me to
visit her in her
home turf.

And so, I was
fortunate enough
to catch a string of
holidays while she was
there so Annie and
I decided on a meeting
place. The bench I'm
sitting on in this
ridiculously sprawling
public park

...Even the
parks are
super-sized
in America.

てん

In America, this is pretty much the norm.

Huh?

Still, even after coming back to your country, you're still wearing the same outrageous outfits as ever.

Yeah, me too.

I haven't seen you in so long!

I've missed you so much, Kohei!

fii...

t=oo

No one dresses like that here...

Hahaha! This is America, you know?

They've gotten bigger, haven't they?

Not to mention it's a Japanese model.

Well, leaving your bikini aside, what's with the schoolbag?

...Seriously?

Lots of people do, though.

Yes

t=oo

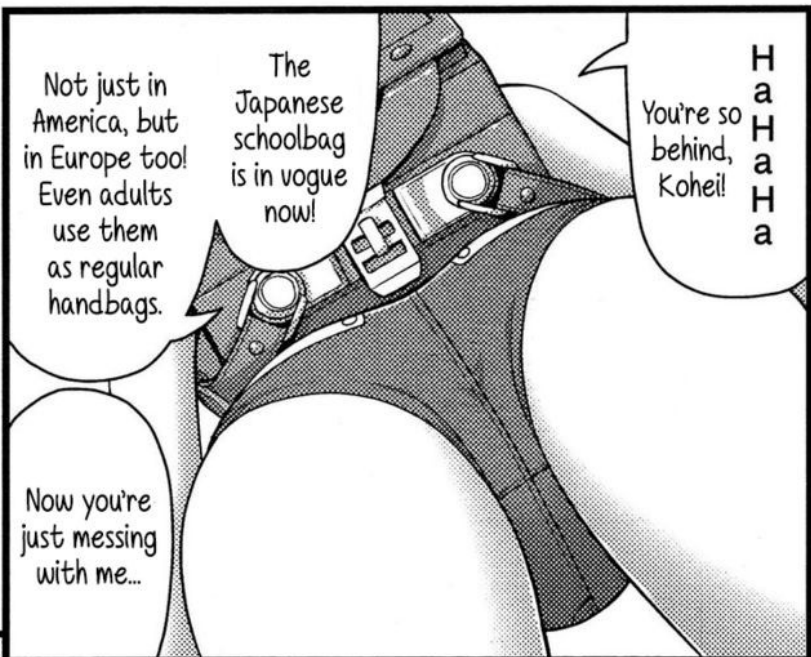

t=oo

...Seriously?

It's the truth!

Yes

Not just in America, but in Europe too! Even adults use them as regular handbags.

The Japanese schoolbag is in vogue now!

HaHaHa
You're so behind, Koheil!

Now you're just messing with me...

Let's get started, then.

Hmm? With what?

Do you believe me now?

...I'm sorry.

Yeah. I can't deny what I've seen with my own two eyes.

I never realized America was such a surreal country.

Sure, I'd be glad to, if that's what you want.

Hot-dogs?

Then, please treat me to a hot-dog as an apology for doubting me?

Hot-dogs, huh? Feels so authentic.

Preparing...? You don't mean...

I am preparing a hot-dog!

Dwah?! What are you doing?!

Yes!

I am going to pour it on the hot-dog!

Honey!

...The honey?

...Since when have you been carrying that around?

Hey!

'That's right!'

Nnh!♥ I haven't touched your penis in such a long time!♥

Non, non! This is an everyday event in America!

Okay, this can not be normal!

That can't be...

We're right in the middle of a public park!

Woo! This is amazing...!

The hot-dog is ready and with plenty of honey!

'So, don't worry!'

Uuh!

Is this the power of the nation of giant tits?!!

Yes! In America, we have hot-dog every day!

What's wrong with being childlike?

But what you're doing is so not!

It's those kinds of things about you that are so childlike.

Nothing, I love it.

Mmh! Very sweet... ♡

I think I'm about to pop!

Aah... That feels incredible...!

'Thank you!' ♡

You are starting to twitch a whole lot, aren't you?

'All right!' It's OK for it to 'come out!' ♡

At long last!
Kohei's
semen!
♡♡

I'm cum-

in the
center of
a public
park...!

tastes a
little

with 'hot

Good grief, you just finished eating!

Oh, that's right,
you've been
like this since
you came to
Japan.

Sheesh!
Kohei, you
meanie!

Looking
at your
drenched
pussy,
though...

It looks to
me like your
slut status grew
since you came
back here.

Did you want me inside you that bad?

Is that why you're pushing your hips against mine?

It's been so long since you've fucked me, Kohei, so it feels especially good!

Nh!♡
Oof!
♡

Since I arrived, there hasn't been a single day where I didn't think of you!

'Of course!
♡

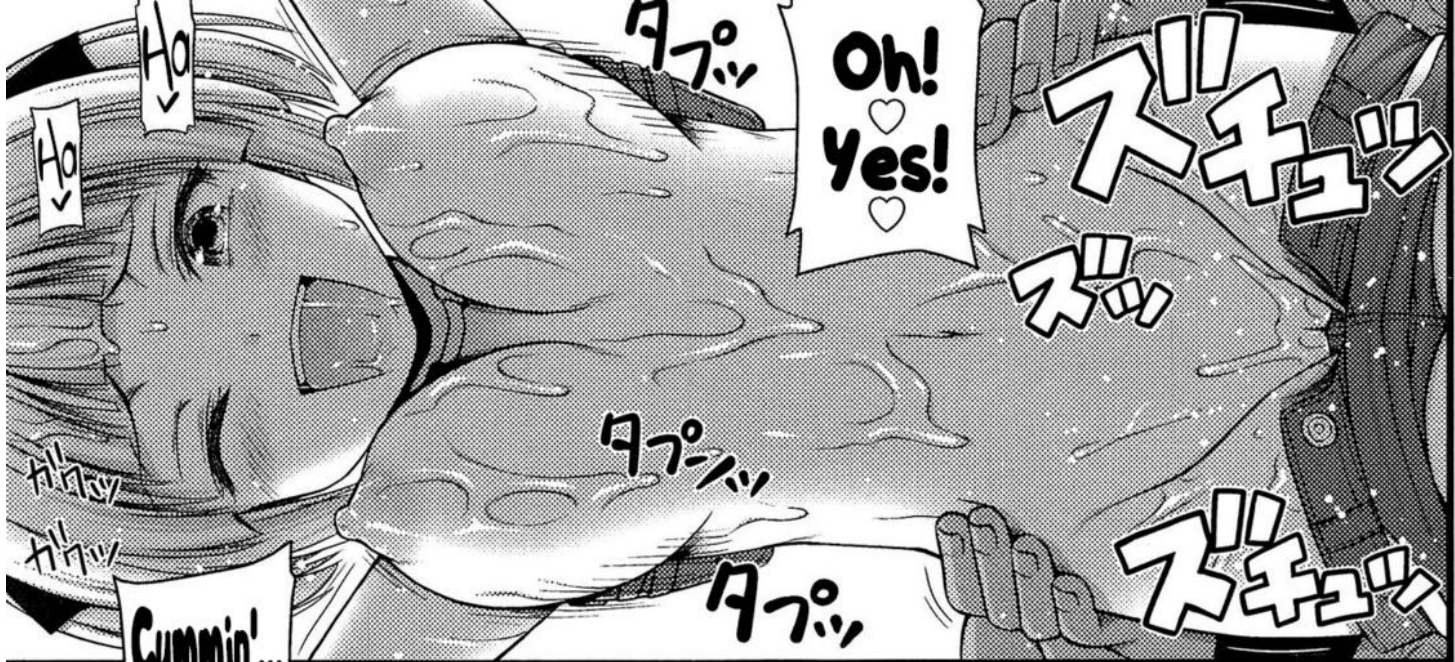

Annie...

Yeah!

You're right... In that case, I've gotta give it my all too!

So today, I'm making up for all the days I couldn't be with you!

in a soggy mix
of semen and
honey...
♥

Nh...♥

It might be acceptable in America, but I'm still not too comfortable with having sex in front of a crowd...

Maybe we should do it somewhere else, though.

Kohei, you still have some time left, right?

Let's 'fuck' some more!

Mmh... Sure, why not...

Let's not... It's a bit too soon for me to meet your parents...

Hmmm... Let's go to my house, then! Daddy and Mommy would be delighted to have you!

Oh... Lame boy!
