Gyaa haha ahah

Look at you tremble. Are you cumming by using only her voice? You're crazy virgin-kun

Your satifying voice is too small Hinako. You have to be louder. The virgin over there needs to see you.

Hey, look over here! Takayuki, it's the pussy of that girl you like! It's alright if you look!

The reality is before your eyes. Do I need to put in another vibrator?

What? Are you meagerly trying to resist me? Are you dreaming of protecting Hinako's love again?

Don't ignore me!

It's no good now. I've decided to give you another vibrator. Pretty soon you'll be shitting blood on yourself.

Quality good is the answer to the kindness in people.

When you have your crotch open like this, your brother can masturbate to your pussy everyday

You should be happy you get to keep your promise

What's with the surprised look. This means your brother will be able to come.

this idiot wouldn't pay for my medical bills even though he said he would so I had no choice but to take something from his home

I was going to let you off with just a personal apology but

Isn't that right Takayuki

Hi readers,

Hope you enjoyed the translation. This was my first attempt at doing this so it probably isn't very good. I might open up somewhere for feedback to improve as I plan to continue translating stuff. I'm just one person trying to figure things out so please bear with the poor quality for now. My Japanese is low level so I'm still slow and confused when translating. I'm hoping it gets easier and faster the more I do. If you read this far, I'm not sure why.
