Shizue, are you okay?

If Shizue's ok with it, I guess I don't mind.

Ready?

I'm interested in it too, so I thought maybe I'll give it a go.

Casual sex is the latest craze at school right now.

It's Phys. Ed, so they might as well learn about sex, right?

Even in Phys. Ed., I had sex so that the teachers won't find out.

After that, I had tons of sex with the guys in class too.

After class, or during recess.

If they cum inside, I feel so nice and happy.

During school, I have tons of sex.

Next time I want to try adult dicks like my teacher's as well!

But the dick that feels the best is my high-school brother Aino-nii's! It's big and hard and cums so much!

LATER, THIS PICTURE WAS UPLOADED TO THE "SHIZUE BLOG", TURNING THE ENTIRE BLOG INTO A FLAMEWAR.
